Signed at Paris, October 12, 1860.

[Ratifications exchanged at Paris, October 25, 1860.]

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, and His Majesty the Emperor of the French, desiring to ensure the execution of the Treaty of Commerce concluded between them on the 23d of January 1860, within the limits and in the manner contemplated by the Second Additional Article to that Treaty, have resolved to negotiate a first complementary arrangement, in order to determine the specific or *ad valorem* duties which shall be imposed upon the goods of British origin and manufacture enumerated in the said Treaty, when imported into France ; and they have for that purpose named as their Plenipotentiaries, that is to say :—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, the Right Honourable Henry Richard Charles, Earl Cowley, Viscount Dangan, Baron Cowley, a Peer of the United Kingdom, a Member of Her Britannic Majesty's Most Honourable Privy Council, Knight Grand Cross of the Most Honourable Order of the Bath, Her said Majesty's Ambassador Extraordinary and Plenipotentiary to His Majesty the Emperor of the French ; and Richard Cobden, Esquire, a Member of the British Parliament ;

And His Majesty the Emperor of the French, M. Thouvenel, a Senator of the Empire, Grand Cross of His Imperial Majesty's Order of the Legion of Honour, &c., &c., &c., His Imperial Majesty's Minister and Secretary of State for Foreign Affairs ; and M. Rouher, a Senator of the Empire, Grand Cross of His Imperial Majesty's Order of the Legion of Honour, &c., &c., &c., His Imperial Majesty's Minister and Secretary of State for Agriculture, Commerce, and Public Works ;

SA Majesté la Reine du Royaume Uni de la Grande Bretagne et d'Irlande, et Sa Majesté l'Empereur des Français, désirant assurer l'exécution du Traité de Commerce conclu entre elles le 23 Janvier 1860, dans les limites et de la manière prévues par le deuxième Article Additionnel à ce même Traité, ont résolu de négocier un premier arrangement complémentaire pour déterminer les droits spécifiques ou à la valeur qui devront gréver, à leur importation en France, les marchandises d'origine ou de manufacture Britanniques énumérés dans le dit Traité, et ont, à cet effet, nommé pour leurs Plénipotentiaires, savoir :—

Sa Majesté la Reine du Royaume Uni de la Grande Bretagne et d'Irlande, le Très Honorable Henry Richard Charles, Comte Cowley, Vicomte Dangan, Baron Cowley, Pair du Royaume Uni, Membre du Très Honorable Conseil Privé de Sa Majesté Britannique, Chevalier Grand-Croix du Très Honorable Ordre du Bain, Ambassadeur Extraordinaire et Plénipotentiaire de Sa dite Majesté près Sa Majesté l'Empereur de Français ; et M. Richard Cobden, Escuyer, Membre du Parlement Britannique ;

Et Sa Majesté l'Empereur des Français, M. Thouvenel, Sénateur de l'Empire, Grand-Croix de Son Ordre Impérial de la Légion d'Honneur, &c., &c., &c., Son Ministre Secrétaire d'Etat au Département des Affaires Etrangères ; et M. Rouher, Sénateur de l'Empire, Grand-Croix de l'Ordre Impérial de la Légion d'Honneur, &c., &c., &c., Son Ministre Secrétaire d'Etat au Département de l'Agriculture, du Commerce, et des Publics ;

Who, after having communicated to each other their respective full powers, found in good and due form, have agreed upon the following Articles:—

Lesquels, après s'être communiqué leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, sont convenus des Articles suivants:—

ARTICLE I.

The articles of British origin or manufacture enumerated in the Tariff annexed to the present Convention shall, when imported direct from the United Kingdom, under the French or the British flag, be admitted into France at the duties specified by the said Tariff.

ARTICLE I.

Les objets d'origine ou de manufacture Britannique énumérés dans le Tarif joint à la présente Convention, et importés directement du Royaume Uni, sous pavillon Français ou Britannique, seront admis en France aux droits fixés par le dit Tarif.

ARTICLE II.

In order to establish the fact that the goods are of British origin or manufacture, the importer must present at the French Custom-house either an official declaration made before a British Magistrate exercising jurisdiction at the place of dispatch, or a certificate granted by the chief officer of the Customs at the port of embarkation, or a certificate granted by the Consuls or Consular Agents of France at the places of dispatch, or at the ports of embarkation. The above-mentioned Consuls or Consular Agents of France shall legalize the signatures of the British authorities.

ARTICLE II.

Pour établir que les produits sont d'origine ou de manufacture Britannique, l'importateur devra présenter à la Douane Française, soit une déclaration officielle faite devant un magistrat Britannique siégeant au lieu d'expédition, soit un certificat délivré par le chef du service des Douanes du port d'embarquement, soit un certificat délivré par les Consuls ou Agents Consulaires de France dans les lieux d'expédition ou dans les ports d'embarquement. Les Consuls ou Agents Consulaires de France sus-désignés légaliseront les signatures des autorités Britanniques.

ARTICLE III.

The importer of machines and mechanical instruments, complete or in detached pieces, of British origin or manufacture, shall be exempt from the obligation of producing at the French Customs any model or drawing of the imported article.

ARTICLE III.

L'importateur de machines et mécaniques, entières ou en pièces détachées, d'origine ou de manufacture Britannique, sera dispensé de l'obligation de produire à la Douane Française tout modèle ou dessin de l'objet importé.

ARTICLE IV.

The importer of any goods of British origin or manufacture taxed *ad valorem*, must attach to the declaration verifying the value of that article, and to the certificate of origin, an invoice emanating from the manufacturer or from the seller, which shall shew the real price, and shall be *visé* by a Consul or Consular Agent of France in the United Kingdom.

ARTICLE IV.

L'importateur d'une marchandise d'origine ou de manufacture Britannique taxée à la valeur devra joindre à la déclaration constatant la valeur de cette marchandise et au certificat d'origine, une facture indiquant le prix réel, émanant du fabricant ou du vendeur, qui sera visée par un Consul ou un Agent Consulaire de France dans le Royaume Uni.

ARTICLE V.

When articles upon which an *ad valorem* duty is levied have been previously warehoused, the duty shall be levied according to the value of those articles at the time of their actual entry into France.

ARTICLE V.

Si les articles taxés à la valeur ont été préalablement mis en entrepôt, les droits seront perçus d'après la valeur de ces articles au moment de leur admission effective en France.

ARTICLE VI.

The importer, against whom the French Customs may desire to exercise the right of pre-emption stipulated in the Treaty of the 23d of January 1860, may, if he prefers to do so, demand a valuation of his goods by Experts.

The same demand may be made by the French Customs when they may not think fit to have immediate recourse to pre-emption.

ARTICLE VI.

L'importateur contre lequel la Douane Française voudra exercer le droit de pré-emption stipulé par le Traité du 23 Janvier 1860, pourra, s'il le préfère, demander l'estimation de sa marchandise par des Experts.

La même faculté appartiendra à la Douane Française lorsqu'elle ne jugera pas convenable de recourir immédiatement à la pré-emption.

ARTICLE VII.

If the result of such valuation by Experts should prove that the goods have not a value of five per cent. above that which has been declared by the importer, the duty shall be levied upon the amount of the declaration.

If the proved value is five per cent. above the value declared, the French Customs shall be entitled, at their choice, either to exercise the right of pre-emption or to levy the duty on the value determined by the Experts.

ARTICLE VII.

Si l'expertise constate que la marchandise n'a pas une valeur de cinq pour cent supérieure à celle déclarée par l'importateur, le droit sera perçu sur le montant de la déclaration.

Si la valeur constatée est de cinq pour cent supérieure à celle déclarée, la Douane Française pourra à son choix exercer la pré-emption, ou percevoir le droit sur la valeur déterminée par les Experts.

This duty shall be increased by fifty per cent., as a fine, if the valuation of the Experts is ten per cent. above the declared value.

If the value, as determined by the arbitration, exceeds the declared value by five per cent., the costs of the inquiry by the Experts shall be defrayed by the declarant. In the contrary case, they shall be defrayed by the French Custom-house.

ARTICLE VIII.

In the cases contemplated by Article VI the two arbitrating Experts shall be named, one by the declarant the other by the local Chief of the French Customs Service. If there be difference of opinion between them, or if, at the time of appointing the Experts, the declarant shall require it, the Experts shall choose an Umpire. In default of agreement, this Umpire shall be appointed by the President of the Tribunal of Commerce at the port of importation, or, in his default, by the President of the Tribunal of Commerce at the nearest place.

The decision of the Arbitrators shall be given within the fifteen days which follow their nomination.

ARTICLE IX.

Independently of the duties of Customs, articles of goldsmith's work, and of jewellery of British manufacture in gold, silver, platina, or other metals, imported into France, shall be subject to the system of control established in that country for similar articles of domestic manufacture, and shall pay, if it becomes necessary, on the same basis as those, the duties of marking and guarantee.

ARTICLE X.

The Tariff annexed to the present Convention shall, independently of the articles already admissible under the Treaty of the 23d of January last, be immediately applicable to refined sugars, to works in metal, to machines, to detached pieces of machines, to tools, and to mechanical instruments of every description.

ARTICLE XI.

The present Convention shall have the same duration as the Treaty concluded between the High Contracting Parties on the 23d of January last, of which it is a complement.

ARTICLE XII.

The present Convention shall be ratified, and the ratifications shall be exchanged at Paris within fifteen days, or sooner if possible.

In witness whereof, the respective Plenipotentiaries have signed it, and have affixed thereto the seal of their arms.

Done, in duplicate, at Paris, the twelfth day of October one thousand eight hundred and sixty.

Ce droit sera augmenté de cinquante pour cent à titre d'amende, si l'évaluation des Experts est de dix pour cent supérieure à la valeur déclarée.

Si la valeur déterminée par la décision arbitrale excède la valeur déclarée de cinq pour cent, les frais de l'expertise seront supportés par le déclarant. Dans le cas contraire ils seront supportés par la Douane Française.

ARTICLE VIII.

Dans les cas prévus par l'Article VI, les deux arbitres Experts seront nommés l'un par le déclarant, l'autre par le Chef local du Service des Douanes Françaises. En cas de partage, ou même au moment de la constitution de l'arbitrage, si le déclarant le requiert, les Experts choisiront un tiers arbitre. S'il y a désaccord, celui-ci sera nommé par le Président du Tribunal de Commerce du port d'introduction ; à défaut par le Président du Tribunal de Commerce du lieu le plus voisin.

La décision arbitrale devra être rendue dans les quinze jours qui suivront la constitution de l'arbitrage.

ARTICLE IX.

Indépendamment des taxes de Douane, les articles d'orfèvrerie et de bijouterie en or, argent, platine, ou autres métaux du manufacture Britannique importés en France, seront soumis au régime de contrôle établi dans ce pays pour les articles similaires de fabrication nationale, et payeront, s'il y a lieu, sur la même base que ceux-ci, les droits de marque et de garantie.

ARTICLE X.

Le Tarif annexé à la présente Convention sera immédiatement applicable, indépendamment des articles déjà admissibles en vertu du Traité du 23 Janvier dernier, aux sucres raffinés, aux ouvrages en métaux, machines, pièces détachées de machines, outils, et mécaniques de toute espèce.

ARTICLE XI.

La présente Convention aura la même durée que le Traité conclu entre les Hautes Parties Contractantes le 23 Janvier dernier, dont elle est l'un des compléments.

ARTICLE XII.

La présente Convention sera ratifiée, et les ratifications en seront échangées à Paris dans le délai de quinze jours, ou plus tôt si faire se peut.

En foi de quoi, les Plenipotentiaires respectifs l'ont signé, et y ont apposé le cachet de leurs armes.

Fait, en double, à Paris, le douzième jour du mois d'Octobre mil huit cent soixante.

The Chargé d'Affaires of Prussia, however, points out that the present distribution of the Prussian ships of war may possibly not permit his Government to co-operate at present in the execution of Article IV.

LES Plénipotentiaires de la Grande Bretagne, de l'Autriche, de la France, de la Prusse, de la Russie, et de la Turquie, désirant établir, conformément aux intentions de leurs Cours respectives, le véritable caractère du concours prêté à la Sublime Porte, aux termes du Protocole signé ce même jour, les sentiments qui leur ont dicté les clauses de cet acte, et leur entier désintéressement, déclarent de la manière la plus formelle, que les Puissances Contractantes n'entendent poursuivre, ni ne poursuivront, dans l'exécution de leurs engagements, aucun avantage territorial, aucune influence exclusive, ni aucune concession touchant le commerce de leurs sujets, et qui ne pourrait être accordée aux sujets de toutes les autres Nations.

Néanmoins, ils ne peuvent s'empêcher, en rappelant ici les actes émanés de sa Majesté le Sultan, dont l'Article IX du Traité du 30 Mars 1856, a constaté la haute valeur, d'exprimer le prix que leurs Cours respectives attachent à ce que, conformément aux promesses solennelles de la Sublime Porte, il soit adopté des mesures administratives sérieuses pour l'amélioration du sort des populations Chrétiennes de tout rite dans l'Empire Ottoman.

Le Plénipotentiaire de Turquie prend acte de cette déclaration des Représentants des Hautes Puissances, et se charge de la transmettre à sa Cour, en faisant observer que la Sublime Porte a employé, et continuera à employer, ses efforts dans le sens du vœu exprimé ci-dessus.

Protocol of a Conference held at the Department of Foreign Affairs, August 3, 1860.

THE Plenipotentiaries of Great Britain, Austria, France, Prussia, Russia, and Turkey, desirous of establishing, in conformity with the intentions of their respective Courts, the true character of the assistance afforded to the Sublime Porte by the provisions of the Protocol signed this day, the feelings which have dictated the clauses of this act, and their perfect disinterestedness, declare in the most formal manner that the Contracting Powers do not intend to seek for, and will not seek for, in the execution of their engagements, any territorial advantages, any exclusive influence, or any concession with regard to the

commerce of their subjects, such as could not be granted to the subjects of all other Nations.

Nevertheless, in recalling here the acts issued by His Majesty the Sultan, the great importance of which was established by Article IX of the Treaty of the 30th of March 1856, they cannot refrain from expressing the value which their respective Courts attach to the fulfilment of the solemn promises of the Sublime Porte, that serious administrative measures should be taken to ameliorate the condition of the Christian population, of every creed, in the Ottoman Empire.

The Plenipotentiary of Turkey takes note of this declaration of the Representatives of the High Powers, and undertakes to transmit it to his Court; pointing out that the Sublime Porte has employed, and will continue to employ, her efforts in the sense of the wish expressed above.

Given at Our Court at Windsor, this twenty-sixth day of October, in the year of our Lord one thousand eight hundred and sixty, and in the twenty-fourth year of Our Reign.

WINDSOR CASTLE, October 24, 1860.

This day had audience of Her Majesty:

Hassan Ali Khan, Envoy Extraordinary and Minister Plenipotentiary from His Majesty the Shah of Persia, to take leave;

And His Excellency Mirza Djafer Khan, Ambassador Extraordinary from His Majesty the Shah of Persia, to deliver his credentials;

To which audiences they were respectively introduced by the Right Honourable Lord John Russell, Her Majesty's Principal Secretary of State for Foreign Affairs.

INDIA OFFICE, October 26, 1860.

The Queen has been graciously pleased to appoint Samuel Laing, Esq., to be the Fourth Ordinary Member of the Council of the Governor-General of India.

At the Court at Windsor, the 26th day of October 1860,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by the "Burial-Ground (Scotland) Act, 1855," it is enacted that it shall be lawful for Her Majesty, from time to time, by Order in Council, upon a Representation of one of Her Principal Secretaries of State, that a copy of an Interlocutor of a Sheriff of a County in Scotland, under certain provisions of the said Act, has been received by him, in pursuance thereof to order that no new Burial-Ground shall be opened within certain limits specified in such Order, save with the previous approval of one of such Secretaries of State; or (as the case may be) that, after a time mentioned in the Order, Burials within certain limits, or in certain Burial-Grounds or places of Burial, shall be Discontinued wholly, or subject to any qualifications or exceptions mentioned in such Order; and that such Order in Council shall thereupon have like force and effect as if the same were embodied in the said Act; provided always, that notice of such Representation, and of the time when it shall please Her Majesty to order the same to be taken into consideration by the Privy Council, shall be transmitted to the Crown-Agent in Edinburgh, and the Sheriff-Clerk of the County in which such Burial-Ground is situate, and that the same shall be by them respectively published in the Edinburgh Gazette, and fixed on the doors of the Church of, or on some other conspicuous places within, the Parishes affected by such Representation, one month before such Representation is so considered:

And whereas the Right Honourable Sir George Cornwall Lewis, Bart., one of Her Majesty's Principal Secretaries of State, has, under the provisions of the said Act, made a Representation, stating that he had received a copy of an Interlocutor pronounced by the Sheriff-Substitute of the County of Renfrew, finding that the allegations contained in a Petition of James Anderson and others, (being ten persons assessed to the Relief of the Poor of the Parish of Port-Glasgow,) that the Grave-Yard or Burial-Ground in the Town and Parish of PORT-GLASGOW, known as the PARISH KIRK-YARD, is dangerous to health, or offensive or contrary to decency; but also finding it proved that interments may take place without any danger to public health, or being contrary or offensive to decency, in the lairs, and to the extent specified in the List appended to his Interlocutor; and in the said Representation has recommended the issue of an Order of Her Majesty in Council, directing that Burials should be forthwith discontinued in the said Burial-Ground, with the exceptions above referred to: And whereas notice of the said Representation, and of the time when it pleased Her Majesty to order the same to be taken into consideration by a Committee of the Lords of Her Privy Council, has been duly published in the Edinburgh Gazette, and has been fixed as required by the said Act:

Now therefore, Her Majesty, by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered, that from and after the 5th day of November next, Burials be Discontinued in the Grave-Yard or Burial-Ground in the Town and Parish of Port-Glasgow, known as the Parish Kirk-Yard, with the following exception, viz., that permission for interments be conceded to the Proprietors of the Graves specified in

the List appended to the Interlocutor of the Sheriff-Substitute of the County of Renfrew, and to this Order, upon the conditions therein set forth.

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by the "Burial-Ground (Scotland) Act, 1855," it is enacted that it shall be lawful for Her Majesty, from time to time, by Order in Council, upon a Representation of one of Her Principal Secretaries of State, that a copy of an Interlocutor of a Sheriff of a County in Scotland, under certain provisions of the said Act, has been received by him, in pursuance thereof to order that no New Burial-Ground shall be opened within certain limits, specified in such Order, save with the previous approval of one of such Secretaries of State; or (as the case may be) that, after a time mentioned

in the Order, Burials within certain limits, or in certain Burial-Grounds or places of Burial shall be discontinued wholly, or subject to any qualifications or exceptions mentioned in such Order, and that such Order in Council shall thereupon have like force and effect as if the same were embodied in the said Act; provided always, that notice of such Representation, and of the time when it shall please Her Majesty to order the same to be taken into consideration by the Privy Council, shall be transmitted to the Crown-Agent in Edinburgh, and Sheriff-Clerk of the County in which such Burial-Ground is situate, and that the same shall be by them respectively published in the Edinburgh Gazette, and fixed on the doors of the Church of, or on some other conspicuous places within, the parishes affected by such Representation, one month before such Representation is so considered:

And whereas the Right Honourable Sir George Cornwall Lewis, Bart., one of Her Majesty's Principal Secretaries of State, has, under the provisions of the said Act, made a Representation, stating that he has received a copy of an Interlocutor pronounced by the Sheriff of the County of Forfar, finding that the allegations contained in a Petition of John Henderson and others, (being ten or more persons assessed to the Relief of the Poor of the Parish of Dundee,) that the Burial-Ground within the Town of Dundee, commonly known as 'THE HOWFF,' is dangerous to health and offensive, have been proved; and in the said Representation has recommended the issue of an Order of Her Majesty in Council, directing that Burials should be forthwith Discontinued in the said Burial-Ground: And whereas notice of the said Representation, and of the time when it pleased Her Majesty to order the same to be taken into consideration by a Committee of the Lords of Her Privy Council, has been duly published in the Edinburgh Gazette, and has been fixed as required by the said Act:

Now therefore, Her Majesty, by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered, that from and after the 5th day of November next, Burials be Discontinued in the Burial-Ground within the Town of Dundee, commonly known as 'The Howff.'

ARTHUR HELPS.

TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the Session of Parliament holden in the twenty-third and twenty-fourth years of the reign of Her Majesty, chapter sixty-five, for authorizing the Commissioners of the Treasury to further regulate the postage on re-directed letters of commissioned and warrant officers, seamen, and soldiers, whilst on actual service, the Commissioners of Her Majesty's Treasury are empowered, by Warrant under their hands, to authorize all letters received by the post on their own private concerns, by commissioned officers and warrant officers, whether in the army or the navy, and midshipmen and master's mates in the navy, whether at home or abroad; and by commissioned and warrant officers, midshipmen, and master's mates in Her Majesty's Indian military and naval forces, and by seamen employed in Her Majesty's navy, whether at home or abroad; and by serjeants, corporals, drummers, trumpeters, fifers, and private soldiers in Her Majesty's regular forces, militia, fencible regiments, artillery, or royal marines, whether at home or abroad; and by serjeants, corporals, drummers, trumpeters, fifers, private

soldiers, and seamen in Her Majesty's Indian military and naval forces, whilst respectively actually employed in Her Majesty's service, to be delivered to all such persons respectively free of Foreign postage, chargeable on or in respect of re-direction on such letters, when such letters shall have been re-directed and again forwarded by the post, and transmitted or sent through any Foreign country (the several conditions imposed by the fifty-third section of the Act of the third and fourth Victoria, chapter ninety-six, with respect to letters received by the post by the privileged persons therein mentioned being duly observed with respect to letters to be received by the post by such seamen, serjeants, corporals, drummers, trumpeters, fifers, and private soldiers respectively as aforesaid); and also by Warrant under their hands, to reduce or remit the rates of postage, British or Colonial, which might be chargeable by law on or in respect of re-direction on all letters received by the post on their own private concerns, by commissioned officers and warrant officers, whether in the army or navy, and midshipmen and master's mates in the navy, whether at home or abroad; and by commissioned officers and warrant officers, midshipmen, and master's mates in Her Majesty's Indian military and naval forces, whilst respectively actually employed in Her Majesty's service, which shall have been re-directed and again forwarded by the post.

And whereas it is expedient to regulate the postage on certain re-directed letters of commissioned and warrant officers, seamen, and soldiers, whilst on actual service, as hereinafter mentioned.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers given and reserved to us in and by the said recited Act of Parliament, and of all other powers enabling us in this behalf, do, by this Warrant, under the hands of two of us, the said Commissioners, (by the authority of the Statute in that case made and provided,) order, direct, and declare as follows:—

1. All letters received by the post on their own private concerns, by commissioned officers and warrant officers, whether in the army or the navy, and midshipmen and master's mates in the navy, whether at home or abroad; and by commissioned and warrant officers, midshipmen, and master's mates in Her Majesty's Indian military and naval forces, and by seamen employed in Her Majesty's navy, whether at home or abroad; and by serjeants, corporals, drummers, trumpeters, fifers, and private soldiers in Her Majesty's regular forces, militia, fencible regiments, artillery, or royal marines, whether at home or abroad; and by serjeants, corporals, drummers, trumpeters, fifers, private soldiers, and seamen in Her Majesty's Indian military and naval forces, whilst respectively actually employed in Her Majesty's service, shall be delivered to all such persons respectively, free of Foreign postage, chargeable on or in respect of re-direction on such letters, when such letters shall have been re-directed and again forwarded by the post, and transmitted or sent through any Foreign country.

2. Every such letter so to be received by the post by any seaman, serjeant, corporal, drummer, trumpeter, fifer, or private soldier, under or by virtue of this Warrant, must not exceed half an ounce in weight, and the postage of every such letter (unless the same be sent from parts beyond the seas) must be paid (or every such letter, if posted within the United Kingdom, must be duly and properly stamped) upon putting it into a post-office established under the authority of the

Postmaster General, and must be directed to every such seaman, serjeant, corporal, drummer, trumpeter, fifer, or private soldier, specifying on the superscription thereof the vessel or the regiment, corps or detachment, to which he shall belong, and the Deputy Postmaster of the place to which such letter shall be sent to be delivered must not deliver such letter to any person except the seaman, serjeant, corporal, drummer, trumpeter, fifer, or private soldier, to whom it shall be directed, or to some person appointed to receive the same by writing under the hand of the officer in command; and whenever any such letter so to be received by any such seaman, serjeant, corporal, drummer, trumpeter, fifer, or private soldier, shall be sent from parts beyond the seas without the postage of one penny being prepaid thereon, every such letter must be charged to the party receiving the same with a rate of two-pence. And whenever any such letter so to be received by any such seaman, serjeant, corporal, drummer, trumpeter, fifer, or private soldier, shall be conveyed by private ships, the gratuities payable by law to the masters of such vessels in respect of such letters must in all cases be paid to the Post-Office in addition to the postage.

3. In all cases in which a letter sent by the post on their own private concerns, addressed to any commissioned officer in the army or the navy respectively, whilst actually employed in Her Majesty's service in any of Her Majesty's Colonies, or on any Foreign station, and before the delivery of such letter at the place of its address, the officer to whom it shall be addressed shall, in the execution of his duty, have removed from that place to any other place, (whether at home or abroad,) (except as in the next clause of this Warrant is mentioned,) every such letter shall be re-directed to such officer at such other place, and shall be forwarded to the latter place, and any postage, British or Colonial, chargeable by law on or in respect of such re-direction, shall be, and the same is hereby remitted, and such officer shall not be charged with more than the postage which would have been payable for such re-directed letter, in case the same had been delivered at the place to which it was originally addressed.

4. Provided that the last preceding clause shall not apply to any letter sent by the post from any one place in the United Kingdom addressed to any commissioned officer at any other place in the United Kingdom, and who, before the delivery thereof at the place of its address shall, in the execution of his duty, have removed from that place to any place beyond the seas, which last-mentioned letter shall be chargeable with the same rates of postage to which it would be liable, anything in the said last preceding clause contained notwithstanding.

5. The several terms and expressions used in this Warrant shall be construed to have the like meaning, in all respects, as they would have had if inserted in the Act passed in the fourth year of the reign of Her Majesty, chapter ninety-six, for the regulation of the duties of postage.

6. The Commissioners for the time being of Her Majesty's Treasury, may, by Warrant under their hands duly made, at any time hereafter alter, repeal, or revoke any of the orders or directions hereby made, and may make and establish other orders or directions in lieu thereof.

7. This Warrant shall come into operation on the first day of November next.
