WHEREAS, by an Act passed in the Twenty-first and Twenty-second Years of the Reign of Her present Majesty, Chapter Eighty-three, intituled, 'An Act to make Provision for the better Government and Discipline of the Universities of Scotland, and improving and regulating the Course of Study therein; and for the Union of the Two Universities and Colleges of Aberdeen,' the Commissioners under the said Act are empowered to make Rules for the Management and Ordering of the several Universities of Scotland, and also to make such Provision by Ordinance, as they shall see fit, for the due Preservation, Administration, and Disposal of the whole Property, Funds, Rents, Revenues, and Endowments, of or connected with the said Universities: The Commissioners statute and ordain, with reference to the University of Aberdeen, as follows:—

I. There shall be a Common Bursary Fund for the University of Aberdeen; and there shall be paid into the said Common Bursary Fund the Surplus Income of each Foundation, which, by Ordinance of the Commissioners affecting such Foundation, is directed so to be paid, and also the net unappropriated Income, for each Year, (including therein the unappropriated Income arising from Vacancies in any Bursaries) of each of the Bursary Foundations in the Administration of the Senatus Academicus; and the Fund, heretofore called the Burse Fund in *Marischal College*, shall for this Purpose be held to be a Bursary Foundation, and the net unappropriated Income, for each Year, of the said Burse Fund shall in like Manner be paid into the said Common Bursary Fund.

II. The said Common Bursary Fund shall be applicable, in the first Place, to provide the Fees payable to Professors and others for conducting the Examinations for Scholarships, and to defray incidental Expenses attending the Examinations for Scholarships and Bursaries; and the Remainder of the Moneys belonging to the said Fund shall from Time to Time be invested by the Senatus Academicus upon good Security, and the Interest and annual Proceeds to arise from such Investments shall from Time to Time be accumulated with the Capital.

III. Each Foundation shall have a Claim upon the Common Bursary Fund for Augmentations of the Bursaries, Scholarships, or Prizes on the Foundation, and for any necessary Purposes, corresponding, or as near as may be corresponding, to the Amount of the Contributions which such Foundation shall from Time to Time have made to the said Fund; and any such Augmentations to be made as aforesaid shall be made as the Senatus Academicus shall in their Discretion think expedient: Provided always, that no Augmentation of any Bursary, Scholarship, or Prize, shall be made from the said Fund before the Expiration of Twenty Years from the Date of this Ordinance; nor shall there be a shorter Interval than Twenty Years between any Two of such Augmentations of the same Bursary, Scholarship, or Prize.

IV. It shall not be competent for any Person to hold Two Competition Bursaries at the same Time, or to hold a Competition Bursary along with a Presentation Bursary.

V. It shall not be competent for any Person to hold a Scholarship of the University of Aberdeen along with any other Scholarship or Bursary, either of the said University or of any other Scottish University.

VI. It shall not be competent for any Person to continue to hold a Bursary which is attached to a particular Faculty, who is not in Attendance on a Class or Classes in such Faculty.

VII. No Student, obtaining a Competition Bursary in the Faculty of Arts in the Appointment of the Senatus Academicus, shall be required, as a Condition of his Tenure thereof, to enter the First or Junior Classes of Latin, Greek, and Mathematics, or any of them, unless otherwise he would have been required to attend such Classes, or any of them, in proceeding to the Degree of Master of Arts; nor shall any such Student be required to attend any Class or Classes, in Addition to those required from other Students, in proceeding to the said Degree.

VIII. No Bursar shall be exempted from Payment of any Fees payable by other Students in the University.

IX. It shall be lawful for the Senatus Academicus, with the Approval of the University Court, to suspend any Bursar or Scholar from, or to deprive him of, his Bursary or Scholarship, on Account of gross Misconduct.

X. It shall be the Duty of the Senatus Academicus, at some Period between the First Day of May and the First Day of July in each Year, to intimate to the respective Patrons all Vacancies in Presentation Bursaries, which, to the Knowledge of the Senatus, will fall to be filled up before or at the Commencement of the next ensuing Winter Session of the University; and it shall also be the Duty of the Senatus Academicus, on the Occurrence of any unexpected Vacancy in a Presentation Bursary, forthwith to intimate the same to the Patron or Patrons; and it shall be incumbent on the Patrons to present to all such Bursaries without undue Delay; and, in the Event of the Patron or Patrons of any of the Bursaries, established more than Fifty Years before the Date of the said recited Act, and specified in the Schedule hereunto annexed, allowing, after such Intimation as aforesaid, an entire Winter Session of the University to elapse without so presenting, the Right to present to such Bursary shall for that Time be transferred to, and devolve upon, the Senatus Academicus, who shall have the Power of appointing thereto any duly qualified Person at the Commencement of the immediately following Winter Session; and the Bursar then appointed shall be entitled to hold the Bursary for the like Period, and subject to the same Conditions, as if he had been presented by the Patron or Patrons: Provided always, that nothing contained in this Ordinance, or in the Schedule hereunto annexed, shall be held to relieve any Patron or Patrons of any Obligation or Condition as to the Time of presenting to a Bursary imposed by the Deed of Foundation, or by any Ordinance of the Commissioners specially applicable thereto.

WHEREAS, by an Act passed in the Twenty-first and Twenty-second Years of the Reign of Her present Majesty, Chapter Eighty-three, intituled, 'An Act to make Provision for the better Government and Discipline of the Universities of Scotland, and improving and regulating the Course of Study therein; and for the Union of the Two Universities and Colleges of Aberdeen,' the Commissioners under the said Act are empowered to revise the respective Foundations, Mortifications, Bursaries, and Donations, bestowed on any of the Universities or Colleges mentioned in the said Act, or for the Benefit of any Professors, Students, or others therein; and further, if, in the Case of any such Gift or Endowment which has taken Effect for more than Fifty Years, and has been held by any of the said Universities or Colleges, or by any other Person in Trust for or on behalf of the same, or of any Person therein, it shall appear to the Commissioners that the Interests of Religion and Learning, and the main Design of the Donor, so far as consistent with the Promotion of such Interests, may be better advanced by an Alteration of the Conditions or Directions affecting such Gift or Endowment, to alter or modify such Conditions or Directions, and to frame a new Statute or Ordinance for the Application of such Gift or Endowment, in such Manner as may better advance the Purposes thereof: And whereas, under the Charter of Bishop *Elphinston*, of Date the Eighteenth Day of December Fifteen hundred and Twenty-nine, there have heretofore been Twelve Foundation Bursaries in Arts in *King's College of Aberdeen*: And whereas the Value of each of the said Twelve Bursaries is now very small, and it appears to the Commissioners that the Interests of Religion and Learning, and the main Design of the Founder, would be better advanced by diminishing the Number and increasing the Value of the said Foundation Bursaries, in Manner hereinafter provided: And whereas *King's College* and *Marischal College of Aberdeen* are now united and incorporated into One University and College under the Style and Title of the University of *Aberdeen*: The Commissioners statute and ordain, with reference to the said Foundation, as follows:—

I. There shall hereafter be Six Bursaries, and no more, on the said Foundation in the University of *Aberdeen*; and the Holder of each of such Six Bursaries shall annually, during his Tenure thereof, receive Ten Pounds from the Income applicable to the Purposes of the Foundation.

II. With a View to reducing the Number of Bursaries on the said Foundation to Six, no Appointment of a Bursar shall be made until Two of the present Bursaries are vacant, when an Appointment may be made of One Bursar; and, in like Manner, as others of the present Bursaries fall vacant, an Appointment may be made of One Bursar for every Two of the present Bursaries that fall vacant, and so on, until Appointments have been made of the whole Six Bursars: Provided always, that it shall be in the Power of the *Senatus Academicus*, if they shall think it expedient, to delay the filling up of any One or more of such Six Bursaries, so as to distribute among Students of different Years the Benefits of Bursaries in the Appointment of the *Senatus Academicus*.

III. The Surplus, in each Year, of the Income applicable to the Purposes of the said Foundation, including therein any unappropriated Income arising from Vacancies in any of the Bursaries, shall be paid into, and form Part of, the Common Bursary Fund of the University.

VI. After setting aside such a Sum as may be necessary to provide for the Payment of the Bursars on the Foundation for the Time, and of

all other Burdens affecting the Property and Funds of the Foundation, the Surplus of the yearly Income shall be paid into, and form Part of, the General University Fund, provided for by Ordinance, No. 12, *Aberdeen*, No. 4, of the Second Day of July Eighteen hundred and Sixty, and shall be applicable to the Purposes of that Fund : Provided always, that, so long as there shall be a Debt on the Manses belonging to the University or any of them, One Half of the said Surplus shall in each Year be placed to the Account of a Sinking Fund for the Extinction of the said Debt, and, as soon as the said Debt is extinguished, the whole of the said Surplus shall be applied to the Purposes of the said General University Fund ; but nothing herein contained shall be held to relieve the Occupants of any of the Manses from Payment of any Portion of the Rent presently payable for the same, until the Debt on the Manses is entirely extinguished.

WHEREAS, by an Act passed in the Twenty-first and Twenty-second Years of the Reign of Her present Majesty, Chapter Eighty-three, intituled, 'An Act to make Provision for the better Government and Discipline of the Universities of *Scotland*, and improving and regulating the Course of Study therein; and for the Union of the Two Universities and Colleges of *Aberdeen*,' the Commissioners under the said Act are empowered to revise the respective Foundations, Mortifications, Bursaries, and Donations, bestowed on any of the Universities or Colleges mentioned in the said Act, or for the Benefit of any Professors, Students, or others therein; and further, if, in the Case of any such Gift or Endowment which has taken Effect for more than Fifty Years, and has been held by any of the said Universities or Colleges, or by any other Person in Trust for or on behalf of the same, or of any Person therein, it shall appear to the Commissioners that the Interests of Religion and Learning, and the main Design of the Donor, so far as consistent with the Promotion of such Interests, may be better advanced by an Alteration of the Conditions or Directions affecting such Gift or Endowment, to alter or modify such Conditions or Directions, and to frame a new Statute or Ordinance for the Application of such Gift or Endowment, in such Manner as may better advance the Purposes thereof: And whereas, by his Will, dated the Tenth Day of September, Seventeen hundred and Thirty, *James Fraser*, Doctor of Laws, Secretary of the Royal Hospital at *Chelsea*, bequeathed to the *King's College of Aberdeen* the Sum of Two hundred and Twenty Pounds in South Sea Stock, to be laid out in a good Fund and Security, for the Maintenance of Two Bursars in the said College perpetually, whereof One was to be a Bursar in Theology and the Library Keeper during Four Years, after he was made Master of Arts, and the other to be a Bursar in Philosophy during Four Years, after the Expiration of which he was to succeed in the Place of the Bursar in Theology and Library Keeper for the like Number of Years, in the Manner and subject to the Conditions in the said Will more particularly set forth; and he further desired the Magistrates and Ministers of *Inverness* to provide out of their School young Lads fitly qualified to fill the Places designed for them, as often as a Vacancy should happen, according to his said Settlement, with the Concurrence of the Presbytery of *Inverness*: And whereas, since the Date of the said Will, the Value of the Property included in the said Mortification has increased, and it appears to the Commissioners that the Interests of

Religion and Learning, and the main Design of the Donor, would be better advanced by an Alteration of the Conditions and Directions affecting the said Mortification, in Manner hereinafter provided: And whereas *King's College* and *Marischal College of Aberdeen* are now united and incorporated into One University and College under the Style and Title of the University of *Aberdeen*; The Commissioners statute and ordain, with reference to the said Mortification, as follows:—

I. There shall hereafter, as prescribed by the said Will, be Two Bursaries on the said Foundation in the University of *Aberdeen*, of which One shall be a Bursary in Philosophy, and the other a Bursary in Theology.

II. On the first Occasion of a Vacancy in the Bursary in Philosophy, and as often thereafter as a Vacancy shall occur at the Expiration of the Four Years, for which the same is tenable as hereinafter provided, it shall be lawful to present thereto any Person educated at the Royal Academy of *Inverness*, without Restriction as to Name or Birth-place; and the Right of Presentation shall be exercised by the following Persons, viz., the Provost and Four Bailies of *Inverness*, the Three Ministers of *Inverness*, and Three Delegates from the Presbytery of *Inverness*, of whom the Moderator of the Presbytery shall be One, unless he be One of the Ministers of *Inverness*; and, in the Event of an Equality of Votes for Two Candidates, the Moderator of the Presbytery shall have a casting Vote.

III. The said Right of Presentation may be exercised at any Time after the First Day of August, in the Year in which such Vacancy as aforesaid shall occur; and, in the Event of the said Patrons allowing One Month of the Winter Session of the University next after such First Day of August to expire, without exercising their Right of Presentation, it shall be lawful for the *Senatus Academicus* forthwith to present to the vacant Bursary.

IV. The Bursar in Philosophy shall be entitled to hold the Bursary for Four Years as a Student in Arts, and no longer, subject to the Condition that he shall pass such Entrance Examination, as may for the Time be required by the University of Presentation Bursars, and shall proceed through the Curriculum in Arts in the said University, and shall pass the Examinations required by the University of Students proceeding to the Degree of Master of Arts; and, on the Expiration of such Four Years, he shall further be entitled, provided he shall have obtained the Degree of Master of Arts, to succeed to the said Bursary in Theology on the said Foundation, and to hold the same for the farther Period of Four Years, subject to the Condition that he shall during that Period give regular Attendance as a Student in Theology in the said University.

V. In the Event of a Vacancy occurring in the Bursary in Philosophy during the Currency of any Period of Four Years, for which the same is tenable as aforesaid, an Appointment shall be made by the *Senatus Academicus*, without Restriction as to Name or Birth-place, of another Student, as Bursar for the Remainder of the said Period then unexpired, from among the Students of the same Standing in the Curriculum in Arts, as the Bursar was, in whose Room the Appointment is made; and the Bursar then appointed shall be entitled to hold the Bursary in Philosophy for the Remainder of the said Period of Four Years unexpired, and no longer, and, on the Expiration thereof, and subject to the same Conditions as aforesaid, to succeed to the said Bursary in Theology, and to hold the same for the like Period of Four Years: Provided always, that, in the

Event of there being at the Time of such Vacancy any Student of such Standing as aforesaid, who has been educated at the Royal Academy of *Inverness*, he shall have a preferable Claim to the Appointment; and, in the Event of there being Two or more such Students so educated, the Appointment shall be given to that One of them, who shall appear to the *Senatus*, either after Competition or otherwise as they may think most expedient, to be the most deserving; and, in the Event of there being no such Student so educated, the Appointment shall be given to another Student of the said Standing, and that either after Competition or otherwise, as the *Senatus* may think most expedient.

VI. In the Event of a Vacancy occurring in the said Bursary in Theology during the Currency of any period of Four Years for which the same is tenable, an Appointment shall be made by the *Senatus Academicus*, without Restriction as to Name or Birth-place, of another Student in Theology, as Bursar for the Remainder of the said Period then unexpired, and the Bursar then appointed shall be entitled to hold the said Bursary for the Remainder of such Period, and no longer: Provided always, that the Appointment shall be made subject to the same Conditions, as to a Preference in Favour of Students educated at the Royal Academy of *Inverness*, as are above provided in the Case of a Vacancy occurring in the Bursary in Philosophy during the Currency of the Four Years.

VII. In the Event of the Bursar in Philosophy failing before the Period of Expiration of his Bursary to obtain the Degree of Master of Arts, and also in the Event of the Bursar in Philosophy, although otherwise qualified, not becoming a Student in Theology in the said University, an Appointment shall be made by the *Senatus Academicus*, without Restriction as to Name or Birth-place, of a Graduate in Arts to the said Bursary in Theology; and the Bursar then appointed shall be entitled to hold the Bursary for the like Period of Four Years, and subject to the same Conditions, as if he had succeeded thereto in Manner hereinbefore provided: Provided always, that the Appointment shall be made subject to the same Conditions, as to a Preference in Favour of Students educated at the Royal Academy of *Inverness*, as are above provided in the Case of a Vacancy occurring in the Bursary in Philosophy during the Currency of the Four Years.

VIII. In addition to the said Two Bursaries provided in Terms of the said Will, there shall also be a Second or additional Bursary in Theology on the said Foundation; and such Second Bursary in Theology shall, on every Occurrence of a Vacancy, be open for Competition to all Masters of Arts of any of the Universities of *Scotland*, entering on their First or Second Session of Attendance in the Faculty of Divinity in the said University, without Restriction or Preference as to Name, or Place of Birth or Education; and the successful Candidate for the said Bursary shall be entitled to hold the same for Three Years, and no longer, subject to the Condition that he shall, during that Period, give regular Attendance as a Student in Theology in the said University: Provided always, that no Person shall be entitled to be the Holder of both the said Bursaries in Theology at the same Time.

IX. If the Bursar in Philosophy shall fail to pass any of the Examinations required as aforesaid of Presentation Bursars, or of Students proceeding to the Degree of Master of Arts, or shall discontinue

his Attendance at the University as a Student in Arts, he shall forfeit his Bursary and all Rights in respect thereof; and, if the Holder of either of the said Bursaries in Theology shall discontinue his Attendance as a Student in Theology, he shall forfeit his Bursary.

X. In Case of any gross Misconduct on the Part of the Holder of any of the said Bursaries, it shall be in the Power of the *Senatus Academicus*, with the Approval of the University Court, to suspend him from, or to deprive him of, his Bursary.

XI. In any Competition for any of the said Bursaries, the Examination of Candidates shall embrace such Branches of Study as may from Time to Time be appointed by the *Senatus Academicus*.

XII. Neither of the Bursars in Theology shall be required, as a Condition of Tenure of his Bursary, to perform any Duties in connection with the Library of the University.

XIII. The annual Payments to be made from the Income of the Foundation to the Holders of the said Bursaries respectively shall be, to the Holder of the Bursary in Philosophy Twenty-five Pounds, to the Holder of the first-mentioned Bursary in Theology Thirty Pounds, and to the Holder of the Second or additional Bursary in Theology Thirty Pounds.

XIV. After providing for the annual Payments to the said Three Bursars, and for all other Burdens affecting the Property and Funds of the Foundation, the Sum of Fifty Pounds shall, in each Year, be applied towards defraying the Salary of the Librarian or Librarians of the University, or otherwise to the Purposes of the Library.

XV. No Appointment shall be made to the Bursary in Philosophy on the said Foundation, until the present Bursar in Arts, now on the said Foundation at the University, shall have ceased to hold his Bursary in Arts.

XVI. No Appointment to the said first-mentioned Bursary in Theology on the said Foundation in Terms of this Ordinance shall be made, until the Expiration of Four Years from the First Appointment of the Bursar in Philosophy under this Ordinance.

XVII. The First Appointment to the said Second Bursary in Theology shall be made as soon as either of the present Holders of the Theological Bursaries, now on the said Foundation at the University, shall have ceased to hold his Bursary.

XVIII. The Surplus, in each Year, of the Income of the said Foundation, including therein any unappropriated Income arising from Vacancies in any of the Bursaries, shall be paid into, and form Part of, the Common Bursary Fund of the University.

XIX. Nothing herein contained shall extend to, or affect, the Interests of any Bursars now on the said Foundation at the University.

XI. Each Scholarship shall be awarded after a special competitive Examination; and all Persons who shall have obtained the Degree of Master of Arts in the University in the Year in which the Competition takes Place, and also all Persons who shall have obtained the said Degree in the preceding Year, shall be admissible to the Competition.

XII. Of the said Eight Scholarships, Four shall be awarded for Distinction in Classical Literature, including English, Latin, and Greek Literature, and in Mental Philosophy, including Logic, Metaphysics, and Moral Philosophy; and Four shall be awarded for Distinction in Mathematics, including pure Mathematics and Natural Philosophy.

XV. In the Event of a Vacancy occurring in any Scholarship during the Currency of the Four Years for which the same is tenable, it shall be kept vacant for the Remainder of such Four Years then unexpired, and the Income thereof during the Vacancy, and also the Residue of the Surplus Income after providing for the Stipends of the Scholars on the Foundation for the Time, shall be paid into, and form Part of, the Common Bursary Fund of the University.

NOTICE TO MARINERS.

(No. 6—ATLANTIC—UNITED STATES.)

Alteration of Lights at Navesink.

THE United States' Lighthouse Board has given notice, that on and after the 1st day of May 1862, lights will be shown from the two new light-towers which are being erected at Navesink, coast of New Jersey, a few feet in the rear of the two existing light-towers, from which one fixed and one revolving light have hitherto been exhibited.

The lights will be *fixed* white lights. Both lights will be placed 258 feet above the mean level of the sea, and should be seen in clear weather for a distance of about 25 miles.

The illuminating apparatus of each light will be dioptric, or by lenses of the first order.

The light-towers, built of reddish gray granite, are each 53½ feet high, from base to lantern deck. They stand 228 feet apart, and preserve the bearings of the old towers from each other. The old towers will be removed.

The mariner should bear in mind that in approaching the entrance of the Bay of New York from the southward, he may see (if within their range) the *fixed* light at Absecorn, or the *flashing* light, visible every *ten seconds*, at Barnegat, on the New Jersey coast, and then the two *fixed* lights at Navesink. Or, if approaching from the eastward, after passing the *fixed* light, varied by a *flash* every *two minutes*, on Montauk Point, the east extreme of Long Island, he may see the *fixed* light on the north side of Shinnecock Bay, or the *revolving* light, every *minute*, at Fire Island.

The Navesink lights are 38½ miles northward of Barnegat light, and 38 miles westward of Fire Island light. The Barnegat and Navesink lights will be seen at the same time in clear weather, in 16 fathoms water, and at 13 miles from the New

Jersey beach. The Fire Island and Navesink lights will be seen at the same time in clear weather, in 16 fathoms water, and at 17 miles from Long Island beach.

By Command of their Lordships,

JOHN WASHINGTON, Hydrographer.
