TREASURY WARRANT.

WHEREAS, by an Act passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," power is given to the Commissioners of Her Majesty's Treasury, from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant; and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid. And it is provided that the power thereby given should extend to any increase or reduction or remission of postage.

And whereas the Commissioners of Her Majesty's Treasury, by a certain Warrant in writing under their hands, bearing date the 10th day of December 1850, did direct (amongst other things) that certain rates of British postage therein mentioned should be charged and paid upon the transmission by the post of letters between any part of the United Kingdom and Sweden direct, and between Sweden and any of Her Majesty's colonies or any foreign country, through the United Kingdom, conveyed between the United Kingdom and Sweden direct.

And whereas it is expedient to reduce the rates of British postage now payable under the said recited Warrant upon letters conveyed between the United Kingdom and Sweden direct by Swedish mail packet-boat, and for that purpose to repeal so much of the said recited Warrant as relates to or affects such letters.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the power or authority in us for such purpose vested in and by the said recited Act, and of all other powers enabling us in this behalf, do by this Warrant (under the hands of two of us, the said Commissioners, by the authority of the Statute in that case made and provided,) order, direct, and declare as follows :—

1. On every letter not exceeding one half of an ounce in weight, transmitted by the post between any part of the United Kingdom and Sweden, direct by Swedish mail packet-boat, there shall be charged and taken, in lieu of any rates of British postage now payable by law on such letters, an uniform rate of British postage of fourpence.

2. On every letter not exceeding one half of an ounce in weight, posted in or addressed to any part of Sweden, transmitted by the post between Sweden and any of Her Majesty's colonies or any foreign country through the United Kingdom, conveyed between Sweden and the United Kingdom direct by Swedish mail packet-boat, there shall be charged and taken, in lieu of any rates of British postage now payable by law on such letters, a like rate of British postage of fourpence for the conveyance of every such letter between Sweden and any part of the United Kingdom ; and for the conveyance of every such letter between the port in the United Kingdom of the departure or arrival of the packet-boat or vessel (not being a packet-boat) conveying the same, and the British colony or foreign country to or from which the same shall be forwarded, such a further or additional rate of postage as shall from time to time be chargeable and payable for British postage on letters not exceeding half an ounce in weight, posted or delivered at the port in the United Kingdom of the departure or arrival of the packet-boat or vessel (not being a packet-boat) conveying the same, and transmitted between such port and any such colony or foreign country, provided that in all cases where such additional rate includes both inland and sea services there shall be deducted therefrom the sum of one penny, in respect of the inland conveyance under this clause of every such letter sent through the United Kingdom.

3. On every letter transmitted as is hereinbefore in this Warrant mentioned, exceeding one-half of an ounce in weight, there shall be charged, taken, and paid progressive and additional rates of postage according to the scale of weight and number of rates following (that is to say) :—

On every letter so transmitted, exceeding one-half of an ounce in weight, and not exceeding one ounce in weight, two rates of postage.

On every letter so transmitted, exceeding one ounce and not exceeding two ounces in weight, four rates of postage.
