## TREASURY WARRANT.

WHEREAS by an Act of Parliament made and passed in the session of Parliament holden in the third and fourth years of the reign of Her Majesty, chapter ninety-six, for the regulation of the duties of postage, power is given to the Commissioners of Her Majesty's Treasury, from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage payable by law on the transmission by post of Foreign or Colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant; and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which might be payable were to be paid, and the power thereby given to alter and fix rates of postage was to extend to any increase or reduction or remission of postage.

And whereas further powers are given to the Commissioners of Her Majesty's Treasury, by another Act of Parliament passed in the session of Parliament holden in the tenth and eleventh years of the reign of Her Majesty, chapter eighty-five, for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post-office.

And whereas the Commissioners of Her Majesty's Treasury, since the passing of the said two hereinbefore recited Acts, and by virtue thereof, have from time to time, by divers Warrants under their hands, fixed, made, and established certain rates of British postage to be paid and payable on the transmission by the post of certain Colonial letters therein respectively mentioned; and it is expedient that certain of the said rates on certain of the said letters should be altered, and certain other rates made and fixed in lieu thereof, and that certain other regulations should be made, and for that purpose that certain of the said former rates, and also that one of the said Warrants should be wholly, and certain other of the said Warrants should be in part, repealed and annulled in the manner herein-after mentioned.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the power or authority in us for that purpose vested, in and by the said hereinbefore recited Acts of Parliament or either of them, and of all other powers enabling us in this behalf, do, by this Warrant, (under the hands of two of us, the said Commissioners, by the authority of the Statute in that case made and provided,) order, direct, and declare as follows:—

1. On every letter not exceeding one half of an ounce in weight, transmitted by the post from any place in the United Kingdom, to New South Wales, Queensland, Victoria, South Australia, Western Australia, Tasmania, or New Zealand, direct, or through any British Colony or Foreign Country, and conveyed by British packet-boat, there shall be charged and taken, in lieu of any rates of British postage now payable on such letters, an uniform rate of British postage of one shilling.

2. On every letter not exceeding one half of an ounce in weight, transmitted by the post from any of Her Majesty's Colonies or any Foreign Country through the United Kingdom, to New South Wales, Queensland, Victoria, South Australia, Western Australia, Tasmania, or New Zealand, whether through any British Colony or Foreign Country or

not, (the sea conveyance from the United Kingdom to New South Wales, Queensland, Victoria, South Australia, Western Australia, Tasmania, or New Zealand, being by British packet-boat,) there shall be charged and taken, in lieu of any rates of British postage now payable on such letters, a like rate of British postage of one shilling for the conveyance of every such letter from any port in the United Kingdom to New South Wales, Queensland, Victoria, South Australia, Western Australia, Tasmania, or New Zealand. And for the conveyance of every such letter from the British Colony or Foreign Country from which the same shall be forwarded to the port in the United Kingdom of the arrival of the packet-boat, or vessel (not being a packet-boat,) conveying the same, such a further or additional rate of postage as shall from time to time be charged and payable for British postage on letters not exceeding half an ounce in weight, posted in any such British Colony or Foreign Country, and transmitted direct from such Colony or Foreign Country to the port in the United Kingdom of the arrival of the packet-boat, or vessel (not being a packet-boat,) conveying the same: Provided that in all cases where such additional rate includes both inland and sea services, there shall be deducted therefrom the sum of one penny in respect of the inland conveyance under this clause of every such letter sent through the United Kingdom.

3. On every letter not exceeding one half of an ounce in weight, transmitted by the post from any place in the United Kingdom to New South Wales, Queensland, Victoria, South Australia, Western Australia, Tasmania, or New Zealand, and conveyed by a vessel, not being a packet-boat, there shall be charged and taken, in lieu of any rates of British postage now payable on such letters, an uniform British rate of postage of fourpence.

4. On every letter not exceeding one half of an ounce in weight, transmitted by the post from any of Her Majesty's Colonies or any Foreign Country through the United Kingdom to New South Wales, Queensland, Victoria, South Australia, Western Australia, Tasmania, or New Zealand, (the sea conveyance from the United Kingdom to New South Wales, Queensland, Victoria, South Australia, Western Australia, Tasmania, or New Zealand, being by a vessel not being a packet-boat,) there shall be charged and taken, in lieu of any rates of British postage now payable on such letters, a like rate of British postage of fourpence, for the conveyance of every such letter from any port in the United Kingdom to New South Wales, Queensland, Victoria, South Australia, Western Australia, Tasmania, or New Zealand; and for the conveyance of every such letter from the British Colony or Foreign Country from which the same shall be forwarded to the port in the United Kingdom of the arrival of the packet-boat, or vessel (not being a packet-boat,) conveying the same, such a further or additional rate of postage as shall from time to time be charged and payable for British postage on letters not exceeding half an ounce in weight, posted in any such British Colony or Foreign Country, and transmitted direct from such Colony or Foreign Country to the port in the United Kingdom of the arrival of the packet-boat, or vessel (not being a packet-boat,) conveying the same. Provided that in all cases where such additional rate includes both inland and sea services there shall be deducted therefrom the sum of one penny in respect of the inland conveyance under this clause of every such letter sent through the United Kingdom.

5. All such respective letters so transmitted as is mentioned in this Warrant, if exceeding one half of an ounce in weight, shall be subject to the several further and additional and progressive rates of postage hereinafter mentioned, that is to say :—

On every letter so transmitted, if exceeding one half of an ounce in weight, and not exceeding one ounce in weight, there shall be charged, taken, and paid, two rates of postage.

And on every letter so transmitted, if exceeding one ounce, and not exceeding one ounce and one half of another ounce in weight, three rates of postage.

And on every letter so transmitted, if exceeding one ounce and one half of another ounce and not exceeding two ounces in weight, four rates of postage.

And for every additional half of an ounce in weight of any letter so transmitted as aforesaid, above the weight of two ounces, there shall be charged, taken, and paid, an additional rate of postage, and every fractional part of such additional half of an ounce in weight shall be charged as an additional half of an ounce in weight. And each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such letter would be charged with under this Warrant, if not exceeding one half of an ounce in weight.

6. On every letter posted in the United Kingdom addressed to New South Wales, Queensland, Victoria, South Australia, Western Australia, and New Zealand, the postage thereof shall be paid at the time of the same being posted.

7. If any letter shall be posted in the United Kingdom addressed to New South Wales, Queensland, Victoria, South Australia, Western Australia, or New Zealand, having thereon or affixed thereto a postage stamp or stamps, the value of which shall be less in amount than the single rate of postage to which such letter, if not exceeding half an ounce in weight, would be liable under this Warrant, every such letter shall be detained and opened, and shall be either returned or given up to the sender thereof.

8. If any letter shall be posted in the United Kingdom addressed to New South Wales, Queensland, Victoria, South Australia, Western Australia, or New Zealand, having thereon or affixed thereto a postage stamp or stamps, the value of which shall be less in amount than the rate of postage to which the same would be liable under or by virtue of the provisions of this Warrant, but equal in amount to the single rate of postage chargeable on any such letter if not exceeding half an ounce in weight, every such letter shall be forwarded, charged with the amount of the difference between the value of such stamp or stamps so being thereon or affixed thereto, and the postage to which it would have been liable if the postage had been paid when posted, together with the further and additional rate of postage of one shilling when conveyed by British packet-boat, and with the further and additional rate of postage of fourpence, when conveyed by a vessel not being a packet-boat.

9. On every letter posted in the United Kingdom addressed to Tasmania the postage thereof shall be paid at the time of the same being posted.

10. If any letter shall be posted in the United Kingdom addressed to Tasmania, without any postage having been paid thereon, or having thereon or affixed thereto a postage stamp or stamps, the value of which shall be less in amount than the

rate of postage to which the same would be liable, under or by virtue of the provisions of this Warrant, every such letter shall be detained and opened, and shall be either returned or given up to the sender thereof.

11. In all cases in which any letter, in respect of which any rate of postage is chargeable under or by virtue of the provisions of this Warrant, shall be liable to any Colonial or Foreign postage, such Colonial or Foreign postage shall be charged and paid thereon in addition to the British postage.

12. Nothing in this Warrant contained shall in anywise annul, prejudice, or affect any of the exemptions or privileges granted by or under the said hereinbefore recited Acts, or either of them, or by or under any other Acts of Parliament relating to the Post-office, or any of the privileges which officers, seamen, and soldiers, employed in Her Majesty's service, are by law entitled to, of sending and receiving by the post letters subject to the regulations and restrictions in respect of the same.

13. Nothing in this Warrant contained shall be deemed or construed to extend to any letters posted in or addressed to France, or any Foreign Country through France, and transmitted between France or Foreign Countries through France and New South Wales, Queensland, Victoria, South Australia, Western Australia, Tasmania, or New Zealand, all which last-mentioned letters shall be charged and chargeable with the same rates of postage as if this Warrant had not been signed.

14. The several terms and expressions used in this Warrant shall be construed to have the like meaning, in all respects, as they would have had if inserted in the said Act passed in the fourth year of the reign of Her Majesty, for the regulation of the duties of postage.

## TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the Regulation of the duties of Postage," certain scales of weight and rates of postage were fixed and made chargeable and payable upon, for, or in respect of letters, newspapers, parliamentary proceedings, and printed papers, transmitted and forwarded by the post, and various regulations were made for facilitating the transmission of such letters and papers by the post.

And whereas by the said Act powers were given to the Commissioners of Her Majesty's Treasury, from time to time, and at any time thereafter, by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage payable by law on the transmission by the post of Foreign or Colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any of such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid; and the power thereby given to alter and fix rates of postage is extended to any increase, or reduction, or remission of postage.

And whereas further powers are given to the Commissioners of Her Majesty's Treasury by an Act of Parliament passed in the eleventh year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by Post, and for the regulating the duties of Postage thereon, and for other purposes relating to the Post-office."

And whereas it is expedient that packets consisting of books, publications, or works of literature or art, whether British, Colonial, or Foreign, should be transmitted by the post between Malta and Gibraltar and Egypt, by British packet-boat, and that certain rates should be fixed, and certain regulations made for that purpose, in the manner hereinafter mentioned.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers or authority in us for that purpose vested in and by the said hereinbefore recited Acts of Parliament, or either of them, and of all other powers enabling us in this behalf, do, by this Warrant, under the hands of two of us, the said Commissioners, (by the authority of the Statute in that case made and provided,) order, direct, and declare as follows:—

1. All packets consisting of books, publications, or works of literature or art, whether British, Colonial, or Foreign, posted in Malta or Gibraltar, addressed to Egypt, or posted in Egypt addressed to Malta or Gibraltar, may be transmitted by the post between Malta and Gibraltar and Egypt by British packet-boat, subject to the several rates of postage hereinafter mentioned, that is to say:—

On every such packet so transmitted, if not exceeding four ounces in weight, there shall be charged, taken, and paid, an uniform British rate of postage of threepence.

And on every such packet exceeding four ounces in weight, there shall be charged, taken, and paid, progressive and additional rates of postage as follows, that is to say;

On every such packet if exceeding four ounces, and not exceeding one half of a pound in weight, two rates of postage.

And on every such packet if exceeding one half of a pound and not exceeding one pound in weight, four rates of postage.

And on every such packet if exceeding one pound and not exceeding one pound and one half of another pound in weight, six rates of postage.

And on every such packet if exceeding one pound and one pound and one half of another pound, and not exceeding two pounds in weight, eight rates of postage.

And for every additional half of a pound in weight, of any such packet above the weight of two pounds, there shall be charged, taken, and paid, two additional rates of postage, and every fractional part of such additional half of a pound in weight shall be charged as an additional half of a pound in weight, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such packet would be charged with under this Warrant if not exceeding four ounces in weight.

2. Every packet transmitted by the post under the authority of this Warrant, shall be so transmitted in conformity with, and under, and subject to the several regulations, orders, directions, and conditions hereinafter contained, that is to say:—

No such packet which in length, or breadth, or width shall exceed the dimensions of two feet, shall be forwarded by the post under the provisions aforesaid.

The terms "books, publications, or works of literature, or art," in this Warrant used, shall, for the purposes of this Warrant, mean and comprise all such articles as in their general character are either literary, or consist of printed, written, engraved, or lithographed matter (although not strictly literary), including books (whether printed, written, or plain), publications or compilations (whether in print or in manuscript), almanacks, printed or lithographed letters, and such artistic productions as prints, maps (whether on paper, or canvas, or cloth, and whether printed or written), and photographs, when not on glass, or in frames containing glass, and any description of paper, parchment, or vellum (whether printed, lithographed, written upon, or plain, or any mixture of the four), together with any binding, mounting, or covering of, or upon, or belonging to any such article or production, or any portion thereof, or of or belonging to any paper, parchment, or vellum, and including also any cases, or rollers of prints, or maps, book-markers (whether of paper or otherwise), pencils, pens, or other thing usually appertaining to any such article or production, paper, parchment, or vellum, or necessary for its safe transmission, which shall be sent in the same packet with any such article or production to which they or it shall belong. And all letters, notices, and other communications (whether upon paper, parchment, or vellum), partly printed, or partly lithographed and partly written, which, if wholly written, would not be considered letters or communications in the nature of letters. Provided, nevertheless, that nothing herein contained shall extend to authorize the sending by the post, under the provisions of this Warrant, of any patterns, or books of patterns, or papers of patterns, of any article or thing whatsoever, nor of any letter,

notice, or other communication (whether upon paper, parchment, or vellum), partly printed, or partly lithographed and partly written, which, if wholly written, would be considered a letter, or a communication in the nature of a letter; nor of any packet consisting of or containing any photographs, drawings, prints, or other contents, which may be obviously of an obscene character, nor of any packet comprising prints or printed matter, unless such prints or printed matter shall consist only of prints or printed matter on paper, parchment, or vellum.

Every packet transmitted by the post under the authority of this Warrant shall be sent open at the ends or sides, and either without a cover, or in a cover or envelope open at the ends or sides, and there shall be no written letter, either closed or open, nor any written communication in the nature of a letter, either closed or open (whether such letter or communication be addressed to or intended for the person to whom the packet shall be directed, or any other person), nor any enclosure sealed or otherwise closed against inspection, nor any other enclosure not authorized by this Warrant, sent in or with any such packet, nor shall there be any written letter, or any written communication in the nature of a letter, in or upon any such packet, or on the cover or envelope thereof.

3. Upon every packet transmitted by the post, under the authority of this Warrant, the postage thereof shall be paid at the time of the same being posted, either in money, or by being duly stamped with the proper postage stamp or stamps affixed thereto; which stamp or stamps shall in every case be affixed or appear on the outside of every such packet, near the address or direction, and shall be of the value or amount of the postage-duty payable thereon, under or by virtue of this Warrant.

4. In order to prevent any obstacles to the due and regular transmission of letters by the post, any officer of the Post-office may delay the transmission of any packet posted or forwarded by the post under the provisions of this Warrant, either for the space of twenty-four hours after the time at which the same ought to be despatched in due course of the post, or (at his option) until the despatch of the mail next after that by which the same ought, in due course of the post, to be forwarded by him.

5. If any packet sent, or tendered, or delivered in order to be sent by the post, under the provisions of this Warrant, shall be sent otherwise than in conformity with the several regulations, orders, directions, and conditions hereinbefore, in the 2d clause of this Warrant contained, every such packet shall and may be detained and opened, and, at the option of the Postmaster-General, shall (except in the cases provided for by the clause next hereinafter contained,) be either returned or given up to the sender thereof, or be given up to the person to whom it shall be addressed, or be forwarded to the place of its destination, and every such packet on being so returned, given up, or forwarded, shall, at the option of the Postmaster-General, be either free of postage, or be charged with any rate of postage he may think fit, not exceeding the postage to which it would have been liable as a letter, and such postage shall be either paid by the sender or by the person to whom the packet shall be forwarded.

6. If any packet sent, or tendered, or delivered in order to be sent by the post under the provisions of this Warrant, shall contain any written letter, or

any written communication in the nature of a letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other enclosure not authorized by this Warrant, every such letter, or communication, or enclosure may be taken out by any officer of the Post-office, and either returned or given up to the sender thereof, or forwarded to the address on the packet, charged in either case not only with the full rates of postage as an unpaid letter, but also with a further and additional rate of postage, equal in amount to the single rate of postage chargeable under the provisions of this Warrant on a packet not exceeding four ounces in weight, and the remainder of the packet, if the postage be duly paid when posted, may be forwarded to the place of its address without any extra charge.

7. If any packet sent, or tendered, or delivered in order to be sent by the post under the provisions of this Warrant, shall be posted in Malta or Gibraltar without any postage having been paid thereon, or without having thereon or affixed thereto any postage stamp, or with a postage paid thereon, or postage stamp or stamps affixed thereto, which shall represent a less amount than the postage chargeable under this Warrant, every such packet shall and may be detained and opened, and shall be either returned or given up to the sender thereof.
