I. R. Maritime Port and Health Office.

NOTICE TO MARINERS.

His Excellency Baron Alemann, the I. R. Military Governor of Venice, has directed that at the first appearance in these waters of enemies' ships of war the barricades of the port be closed, not to be again opened till the circumstances of the war permit.

When that will be is not known ; but, as by the preceding order, rendered necessary by a regard to fortification, the ingress and egress of the port will be interdicted, mariners are informed thereof in order that they may take in time those measures which they may deem expedient for their interest.
