## TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of Postage," power is given to the Commissioners of Her Majesty's Treasury, from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage payable by law on the transmission by the post of Foreign or Colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid.

And whereas further powers are given to the Commissioners of Her Majesty's Treasury by another Act of Parliament passed in the eleventh year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post-office."

And whereas it is expedient to alter the rates of British postage now payable upon certain letters in the manner hereinafter mentioned.

Now, we, the Commissioners of Her Majesty's Treasury, in exercise of the powers vested in us in and by the said recited Acts, and each of them, and of all other powers enabling us in this behalf, do, by this Warrant, under the hands of two of us, the said Commissioners, by the authority of the Statute in that case made and provided, order, direct, and declare as follows:—

1. On every letter not exceeding one half of an ounce in weight, transmitted between the ports of Trieste and Alexandria by Austrian packet-boat, and further transmitted between Suez and any port in the East Indies, China, Australia, or New Zealand, by British packet-boat, and on every letter not exceeding one half of an ounce in weight, posted at the Austrian Post-office in Alexandria, addressed to any place in the East Indies, China, Australia, or New Zealand, or posted in any place in the East Indies, China, Australia, or New Zealand, and forwarded from thence in a mail addressed to Trieste or the Austrian Post-office in Alexandria, and transmitted by British packet-boat between Suez and any port in the East Indies, China, Australia, or New Zealand, without in any of such cases passing through the United Kingdom, there shall be charged, taken, and paid for such transmission thereof respectively between Suez and any port in the East Indies, China, Australia, or New Zealand, a uniform rate of British postage of sixpence.

2. On every letter so transmitted as hereinbefore mentioned, exceeding one-half of an ounce in weight, there shall be charged, taken, and paid the several further and additional and progressive rates of British postage, according to the scale of weight and number of rates hereinafter mentioned; that is to say:—

On every such letter exceeding one-half of an ounce in weight, and not exceeding one ounce in weight, there shall be charged, taken, and paid two rates of postage;

And on every such letter, if exceeding one ounce, and not exceeding one ounce and the half of another ounce in weight, three rates of postage;

And on every such letter, if exceeding one ounce and the half of another ounce, and not exceeding two ounces in weight, four rates of postage;

And on every additional half of an ounce in weight of any such letter above the weight of two ounces, there shall be charged, taken, and paid one additional rate of postage; and every fractional part of such additional half of an ounce in weight shall be charged as an additional half of an ounce in weight; and each progressive and additional rate chargeable under this Warrant shall be estimated and charged at the sum which any such letter would be charged with under this Warrant, if not exceeding one half of an ounce in weight.

3. Nothing herein contained shall be construed in anywise to annul, prejudice, or affect any of the exemptions or privileges granted by the said first hereinbefore recited Act, or to annul, prejudice, or affect any of the privileges which seamen and soldiers employed in Her Majesty's Service are now by law entitled to of sending and receiving by the post, letters not exceeding one-half of an ounce in weight, subject to the regulations and restrictions made and in force for the time being in respect of the same.

4. The term "East Indies," used in this Warrant, shall be construed to mean every port or place in Her Majesty's dominions in Asia (except Australia and New Zealand), and the several other terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said first hereinbefore recited Act.

5. The rates of British postage fixed by this present Warrant, on the letters transmitted as herein mentioned, shall be in lieu of those now chargeable thereon, under or by virtue of a certain Warrant of the Commissioners of Her Majesty's Treasury bearing date the 22d day of December 1865, which last-mentioned rates shall be and the same are hereby revoked and repealed.

6. The Commissioners for the time being of Her Majesty's Treasury may, by Warrant under their hands, duly made at any time hereafter, alter, repeal, or revoke any of the rates of postage hereby altered or the regulations hereby made, and may make and establish any new or other rates or regulations in lieu thereof, and from time to time appoint at what time the rates which may be payable are to be paid.

7. This Warrant shall come into operation on the first day of January one thousand eight hundred and sixty-eight.
