ADMIRALTY-OFFICE—March 14.

Copy of a Letter from the Hon. Capt. CHARLES HERBERT, Commander of his Majesty's ship *Amelia*, to the Earl of St VINCENT, K. B. Admiral of the White, &c. dated at Sea, the 5th of Feb. 1801.

MY LORD,

I HAVE the honour to inform your Lordship, that two hours ago, I captured the French brig privateer *La Juste*, of St Maloes, last from L'Orient, armed with 14 guns and 78 men, commanded by Jean Pierre Charlet, had been out thirty days, and captured nothing. The night being very dark, and the weather being very thick, we did not see her till she was close to us, and she did not discover us till she was on board of us, by which she carried away her foremast and bowsprit.

I have the honour to be, &c.

C. HERBERT.
