She is quite new, and would make a good sloop of war.

I am, &c. GARDNER.

MY LORD, Dryad, Cork Harbour, 8th of March 1801.

I HAVE the honour to inform your Lordship, on the 5th March, after a chase of three hours, in latitude 50. six min. north, longitude 12. deg. west, I fell in with and captured the French privateer ship Le Premier Consul, mounting fourteen nine-pounders, but pierced for twenty-four, one hundred and fifty men, from St Maloes, out twenty-one days. She is quite new, and on her first cruize; had captured a Portuguese schooner, from Lisbon bound to Ireland, a few days before.

THOMAS ROGERS.

SIR, Mercury, off Minorca, Jan. 15, 1801. I HAVE the pleasure to acquaint you, that on the 6th instant; cruizing agreeably to your orders, I fell in with a convoy of about twenty sail of the enemy, from Cette bound to Marseilles; and from the activity and exertions of the officers and men employed in the boats, the weather being nearly calm, I had the good fortune to capture and secure fifteen of them, as per margin*, without any loss of men, very little resistance being made by the vessels their escort, consisting of gun-boats, having fled upon the Mercury's approach.

The prizes are all deeply laden with brandy, sugar, corn, wine, oil, and other merchandize; and I have the satisfaction to add they are safe arrived at Port Mahon.

I am, Sir, &c.

THOMAS ROGERS

To Manley Dixon, Esq. Captain of his Majesty's ship Genereux, &c.

SIR,

IN the absence of the Commander in Chief I beg leave to enclose to you, for their Lordships information, a copy of letter, of this date, to Captain Dixon, of his Majesty's ship Genereux, (whose orders I am under, and who is also absent,) stating the capture of La Sans Pareille French National corvette, by his Majesty's ship under my command.

Mercury, off Port Mahon, 22d of January 1801.

SIR,

I PUT to sea agreeably to my intention, signified to you, in my letter of the 17th inst. the moment our prizes were moored in safety, which was on the morning of the 19th; the day following I fell in with a ship (the island of Sardinia bearing E. S. E. forty leagues) which I soon discovered to be an enemy; and after a chase of nine hours, blowing very fresh, I had the satisfaction to come up with and capture; she is called La Sans Pareille, French national corvette, commanded by Citoyen Gabriel Renault, Lieutenant de Vaisseau, mounting eighteen long brass nine-pounders and two howitzers, and having on board a complement of fifteen men; she sailed from Toulon the day before her capture, and was bound to Alexandria, in Egypt, quite laden with shot, arms, medicines, and supplies of every kind for the French army, and is as complete a vessel in every respect as I have seen, being quite new, and well found with stores of every description.

I am, &c.

THO. ROGERS.

Captain Dixon, Genereux.

Copy of a Letter from Lieutenant JAMES MEIN, commanding his Majesty's schooner Netley, to EVAN NEPEAN, Esq. dated River Tagus, 26th of February 1801.

SIR,

I BEG leave to enclose, for the information of my Lords Commissioners of the Admiralty, the copies of two letters addressed to Admiral Lord Keith.

I am &c.

JAMES MEIN.

Netley, River Tagus, 26th of February 1801.

MY LORD,

I BEG leave to inform your Lordship of his Majesty's schooner under my command having, on the 9th inst. ten leagues S. W. of Oporto, captured the Spanish lugger privateer St Francisco la Paula, armed with two carriage guns, four swivels, and manned with thirty-one men.

I am, &c.

JAMES MEIN.

Right Hon. Lord Keith, K. B. &c.

Netley, River Tagus, 26th of February 1801.

MY LORD,
I HAVE the honour to inform your Lordship of his Majesty's schooner Netley, under my command, having on the 11th instant, eight leagues S. W. of Oporto, captured the Spanish privateer schooner St Josef, alias el Beloz, Don Juan Antonio de Amaza, commander; a new vessel, pierced for fourteen guns, but had when taken only four long twelve pounders mounted, six swivels, and manned with forty-four men.

Having received information from some English prisoners on board her, that several ships of the convoy from England had been taken the preceding day, I manned the prize schooner, and ordered Mr Buchan, master of the Netley, to proceed on board and go in chace of two strange sail bearing west, whilst the Netley went in pursuit of three others to the northward; the first vessel we came up with proved to be a brig from Southampton, taken the day before by a Spanish privateer; the next also proved a captured brig from London, on board of which I sent a boat with a midshipman and six men, and gave chace to the third vessel (a lugger) who we drove on shore six leagues to the southward of Oporto.

I have every hope of her being destroyed, as there was much surf on the beach at the time.

I am, my Lord, &c.

JAMES MEIN.

Right Hon. Lord Keith, K. B. &c.
