Published by Authority.

FRIDAY, OCTOBER 25, 1872.

[This Order is substituted for the Order that was published in the Gazette of the 22d of October instant.]

At the Court at Balmoral, the 15th day of October 1872.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS by the eleventh section of the Volunteer Act, one thousand eight hundred and sixty-three, it is amongst other things enacted that 'Her Majesty in Council may from time to time declare what is requisite to entitle a Volunteer to be deemed an Efficient Volunteer, by an Order in Council defining for that purpose the extent of attendance at drill to be given by the Volunteer, and the course of instruction to be gone through by him, and the degree of proficiency in drill and instruction to be attained by him and his Corps, such proficiency to be judged of by the Inspecting Officer at the Annual Inspection of the Corps, or otherwise, as by Order in Council is from time to time directed; and that the draft of any scheme to be from time to time submitted to Her Majesty in Council for approval under the present section, shall have been laid before both Houses of Parliament for one lunar month at least, either before or after, or partly before and partly after, the passing of this Act during the present, or for the like period during any subsequent session of Parliament, before such scheme receives the approval of Her Majesty in Council.'

And whereas by an Order in Council, bearing date the twenty-seventh day of July one thousand eight hundred and sixty-three, what was requisite to entitle a Volunteer to be deemed an Efficient Volunteer was declared, which Order it is deemed expedient to amend in manner hereafter mentioned.

And whereas a draft scheme of amendments

relative to the efficiency of Volunteers, as set forth in the said Order in Council, was on the eighteenth June last laid before both Houses of Parliament in the words and figures mentioned and set forth in the Schedule to this Order annexed; and one lunar month having elapsed since that time, the said scheme hath this day been submitted to Her Majesty in Council for Her approval thereof:

Now, therefore, Her Majesty, having this day taken the said scheme into consideration, doth, in pursuance and exercise of the power in Her Majesty by the said Act of Parliament in that behalf vested, and by and with the advice of Her Privy Council, hereby declare Her Royal approval of the said scheme:

And that the same shall come into operation on the first of November next, but so that the drills of November one thousand eight hundred and seventy-one and November one thousand eight hundred and seventy-two, shall be reckoned if need be to complete the number of drills needed for the efficiency of a Volunteer for the year ending thirty-first October one thousand eight hundred and seventy-two; but if the drills of November one thousand eight hundred and seventy-two be so reckoned, then they shall not be again reckoned for the year ending thirty-first October one thousand eight hundred and seventy-three.

EDMUND HARRISON.

SCHEME referred to in the foregoing Order in Council.

Scheme of Amendments relative to the Efficiency of Volunteers as set forth in Her Majesty's Order in Council, dated twenty-seventh July one thousand eight hundred and sixty-three, referred to in this Order.

1. The Certificates of Efficiency granted to enrolled members of the Volunteer Force here-

after, shall be dated the first November in each year. They shall be granted on the previous submission of the Adjutant, and be signed in case of difference of opinion between that Officer and the Commanding Officer of the Corps, by the Officer appointed by one of Her Majesty's Principal Secretaries of State to act on that behalf, in lieu of the Assistant Inspector of Volunteers as heretofore provided. If no Adjutant be appointed to, or acting for a Corps, the Certificate shall be granted and signed as the Secretary of State may direct.

2. In order that the efficiency of the Volunteers may be increased, the Certificates shall, in addition to, or in substitution for the requirements prescribed by the former Order in Council, state—

(1) As to all the Corps :

- (a) That the Volunteer does not belong to the Regular, Militia, Yeomanry, or Army Reserve (including Enrolled Pensioner) Forces ; and that he is not enrolled in any other Volunteer Corps.
- (b) That the Volunteer was a member of the Corps at the date of the Certificate.
- (c) That, if absent from Inspection with leave of the Commanding Officer, or through sickness duly certified, he has attended two extra drills.
- (d) That each drill is of not less than one hour's duration.

Attendance at a Brigade Drill may be counted as a drill towards efficiency, but attendance at a Review must not be so reckoned.

(2) As to Light Horse :

- (e) That the Volunteer is in all respects acquainted with his duties as a Light Horse Volunteer, and that he has attended such a number of drills as under the Regulations heretofore in force would entitle him to an Extra Certificate of Efficiency.

(3) As to Artillery Volunteer Corps :

- (f) That the Volunteer has been instructed in the use of guns, if the means of instruction have been available.

(4) As to Engineer Volunteer Corps :

- (g) That he has gone through the Course of Instruction prescribed for a Recruit in Regulations issued by one of Her Majesty's Principal Secretaries of State.
- (h) That he has attended 6 Engineering Drills and acquired a practical knowledge of one of the annual Courses of Instruction prescribed for Engineer Volunteers in Regulations issued by one of Her Majesty's Principal Secretaries of State.
- (i) That he was present (unless absent with the Commanding Officer's leave, or through sickness duly certified) at the last Annual Inspections (Drill and Engineering) of the Corps.

(5) As to a Mounted Rifle Volunteer :

- (j) That he fired 20 rounds of ball cartridge in the first period of Class Firing, in accordance with the Musketry Regulations for the Army.

Or,

That on the 18<sup>th</sup>, he completed the three periods of Class

Firing under the personal superintendence of the Adjutant or other Officer appointed under the Secretary of State's authority to act as such, and obtained the number of points to qualify him (so far as target practice is concerned) as a marksman under the Musketry Regulations for the Army ; and in either case that he has attended such a number of drills as under the Regulations heretofore in force would entitle him to an Extra Certificate of Efficiency.

(6) As to Rifle Volunteer Corps :

- (k) That he fired 60 rounds of ball cartridge in Class Firing during the year ; or fired 20 or 40 rounds, and passed into the 2d Class.

Or,

That on the 18<sup>th</sup>, he completed the three periods of Class Firing under the personal superintendence of the Adjutant or other Officer appointed by the Secretary of State to act as such, and obtained the number of points to qualify him (so far as target practice is concerned) as a marksman under the Musketry Regulations for the Army.

- (l) That he fired 5 rounds of blank ammunition in volley firing, and 5 rounds in independent firing during the year, in a squad of not less than 5 files.

- (m) That he attended 9 Company and Battalion Drills during the year, of which at least three shall have been Battalion Drills.

This is in substitution of the rule which required attendance, in the case of an Administrative Regiment, at 3 Battalion and 6 Company Drills, and, in that of a large Corps, at 6 Battalion and 3 Company Drills.

- (n) To constitute a Battalion Drill reckoning towards Efficiency, 100 at least of all ranks (exclusive of Permanent Staff and Band) must be present, of whom not less than 16 must be Officers and Sergeants.

To constitute a Company Drill reckoning towards Efficiency, 20 at least of all ranks (exclusive of Permanent Staff and Band) must be present, of whom not less than 3 must be Officers and Sergeants.

3. The Inspecting Officer at the Annual Inspection may direct the withholding of a Certificate for or in respect of any Volunteer whose sword, carbine, or rifle may, in the opinion of such Officer, be in bad order and condition ; and all Certificates shall be withheld by order of the Secretary of State from all Efficient belonging to a Volunteer Corps not inspected during the year by reason of its own default.

4. If any Regiment or Corps shall have in any year attended for not less than four clear days at a Camp of Instruction, not including the days of assembly and return, one of Her Majesty's Principal Secretaries of State may make such modifications in respect to the qualification for efficiency of the members of such Regiment or Corps as

may appear to him to be desirable to meet the circumstances of the case.

5. If in any one year a Volunteer is resident during the drill season of his Corps at a greater distance than ten miles from its Head-Quarters, he may (with the written consent of both Commanding Officers) be attached for drill purposes to another Corps. In such case, all his drills for efficiency (including attendance at Inspection) must be performed with that Corps, but he must wear the uniform of his own Corps.

6. The term 'Recruit' used upon the Forms of Certificate means a Volunteer who has not served for at least six months in Her Majesty's Regular Forces, or served and attended training

in a Regiment of Militia, or who has never been returned as Efficient in an Annual Return of a Volunteer Corps.
