

wholesome Water to be supplied in its stead, so far as the case requires, to the inmates of the Houses situated within the limits of their jurisdiction, and to prevent the use, as a beverage or for dietetic purposes, of the unwholesome Water, by shutting up any Well or Wells from which it is drawn, or otherwise as the circumstances may require. If the Medical Officer shall have reason to believe that the water used as above stated is unwholesome, the Local Authority shall at once prevent its use until it has been analysed.

VI. In order to enable Local Authorities, within whose jurisdiction any harbour, port, or anchorage ground is wholly or partly situated, to carry out promptly and suitably the 13th Article of the Order of Council, dated the 12th July 1883, with relation to Ships and Vessels, measures shall at once be taken by such Local Authorities, if Hospital accommodation is not already available to them, to secure and prepare a suitable Room or House to which persons suffering from cholera, if such cases should occur, can immediately be removed for care and treatment, and in which they will have suitable accommodation, and sickbed as well as medical attendance provided by the Local Authority.
