

of the intended Works, to deviate from the lines, situation and levels thereof described on the Plans and Sections hereinafter mentioned, to the extent defined on the said Plans or to be specified in the Bill.

To authorize the Company to supply water for domestic, sanitary, trading, manufacturing, and other purposes within the limits of the said parish of Dunblane, and to supply water in bulk or otherwise for public, sanitary, trading, manufacturing, or other purposes within the said limits or within such other limits as may be prescribed in the Bill, and to require and compel the owners and occupiers of houses within the limits of supply to take a supply of water from the Company.

To authorize the Company to supply water beyond the limits of supply, to any persons or bodies agreeing to take such water either for domestic, sanitary, trading, manufacturing, or other purposes, for such charge or consideration, and on such terms and conditions, as may be agreed upon between the Company and such persons or bodies.

To authorize the Company to supply water by meter, and to manufacture, provide, lease, or sell meters to persons or bodies supplied with water, and to charge rates or rents for the use of meters, and for the supply of water by meter.

To provide or confer upon the Company powers for preventing the water stored or supplied by them from being polluted, wasted, or improperly taken or used, and for preventing any improper or unauthorized interference with their water or works, and to provide or to enable the Company to make and enforce regulations as to the construction of cisterns, pipes, taps, fittings, and other apparatus for the proper and economical use of water within any dwelling-houses or other buildings or places to which water may be supplied by them, and to discontinue the supply of water in cases in which such regulations may be contravened.

To empower the Company to take and acquire compulsorily or by agreement Lands, Houses, Springs, Streams, Waters, and other Property necessary for the purposes of the said intended Reservoir, Service Reservoir, Conduits, and other Works; also to acquire compulsorily or by agreement, grants of servitude, or easements, over or upon any such Lands, Houses, Springs, Streams, Waters, and other Property; and to vary or extinguish all rights and privileges connected with such Lands, Houses, Springs, Streams, Waters, and other Property which would interfere with or prevent the construction or use of the said intended Reservoir, Service Reservoir, Conduits, and other Works, or the carrying into effect of the objects and purposes of the Bill.

To authorize the Company, if they think fit, to acquire by compulsory purchase the said Lade by which water is at present conveyed from the Wharrie Burn westwards through the Estates of Kippenross and Kippendavie belonging to the said Patrick Stirling; and all existing Water-works in the Parish of Dunblane belonging to the said Patrick Stirling, including Reservoirs, Filters, Conduits, Main and Distributing Pipes, and all other Works connected therewith, and the Lands, Houses, and Property, powers, rights, and privileges, relating to or connected with the said Lade and Water-works, and also including the Lade conveying water from the Reiver's Burn through the outpasture of the lands of Linns and the lands of Sheriffmuir, part of

the said Estate of Kippendavie, and which conveys Water to the said Water-works, or to contract with the said Patrick Stirling for the purchase of the said Lades and Water-works, on such terms and conditions and on payment of such price or of such compensation in shares of the Company or otherwise as may be agreed on; to confirm any agreement which has been or may be made between the said Patrick Stirling and the Company or any person on their behalf, with respect to the purchase or acquisition of the said Lades and Water-works; and to provide that the said Lades and Water-works if and when so purchased or acquired shall form part of the undertaking of the Company.

To authorize the Company to take and divert the waters of the said Lades and of the said stream called the Wharrie Burn, and the feeders and tributaries thereof, and the springs, streams, and waters flowing into the said Lades and Wharrie Burn, and into or through the site of the Reservoirs and other Works to be authorized by the Bill, or which shall be found within the limits of deviation marked upon the plans to be deposited as hereinafter mentioned, and to impound, store, and convey the said waters in the said existing or intended Reservoirs, Service Reservoirs, and Conduits, and other Works, to be acquired or constructed by the Company, or some of them, and to use and distribute such Waters for the purposes of the Bill; which waters now flow in and along the said Lades and Wharrie Burn, and thence into the Allan Water, which flows into and unites with the River Forth, such river being, at or near the point of junction therewith of the said Allan Water, a navigable stream.

To authorize the Company to raise money by the issue of shares or by borrowing on bond or mortgage, for the purpose of defraying the expense of the said intended works, and of the purchase or acquisition of the said Lades and existing Water-works, and for the general purposes of their undertaking.

To authorize the Company to levy rates, rents, and charges for and in respect of the supply of water by them; to alter the existing rates, rents, and charges, leviable for the present supply; to confer, vary, or extinguish exemptions from payment of such respective rates, rents, and charges; to vary or extinguish all rights or privileges relating to or connected with the said existing Water-works and supply of water, and other rights or privileges which would interfere with or prevent the supply of water by the Company, or the execution of the several purposes of the Bill; to confer on the Company all the usual powers of an incorporated Company, and to confer all such other powers, rights, and privileges as may be necessary for carrying into effect the purposes of the Bill.

To make provisions for the transfer of all or some of the powers, rights, and privileges to be conferred upon the Company by the Bill to the Police Commissioners of Dunblane or to any Local Authority or Authorities within the limits which the Company are authorized to supply with water.

To empower the Company and any other company, body, or person to enter into and carry into effect agreements with each other for the supply of water, or the laying of mains, pipes, or other works within the limits of supply, and to confirm any such agreements already made or
