Preamble.

Whereas by said deed, John Wood of Orkie bequeathed certain funds and estates for educational purposes which fall within the provisions of the Educational Endowments (Scotland) Act, 1882; and whereas it appears to the Commissioners under the said Act, after due examination and inquiry, that in order to extend the usefulness of the said Endowment the administration thereof should be amended and in some respects altered; therefore the said Endowments shall, from and after the date of this Scheme (being the day on which Her Majesty, by Order in Council, declares her approbation thereof), be held and administered for the purposes, with the powers, and under the conditions and provisions hereinafter set forth.

1. 2. Future Administration; Transference of Property.

3. Constitution and Election of Governing Body.—The governing body, hereinafter called the governors, shall consist of five persons, of whom

Two shall be appointed by the Minister and Kirk-Session of Newburn;

One shall be appointed by the School Board of Newburn;

One shall be appointed by the Lord Lieutenant of the County of Fife; and

One shall be elected by the Senatus of the University of St. Andrews.

The governors may be elected by the several electing bodies either out of their own number or otherwise. The governors elected by the Minister and Kirk-Session of Newburn and the Senatus of the University of St. Andrews shall, in the case of the

first election, hold office for a period of five years, and thereafter until the first day of August after the expiry of that period. The governors elected by the School Board of Newburn and appointed by the Lord Lieutenant of Fife shall, in the case of the first election, hold office for a period of three years, and thereafter until the first day of August after the expiry of that period. The governors shall, in the case of all elections or appointments subsequent to the first, hold office for a period of five years from and after the expiry of the term of office of their predecessors, except as hereinafter provided. Each election shall be made at a meeting convened and conducted according to the ordinary rules and practice of the electing body. Any governor may be re-elected or re-appointed. The first governors shall be elected or appointed as soon as conveniently may be after the date of this Scheme. The clerk or other officer of the governors shall, at least one month before the expiry of the term of office of any governor, give notice to the proper electing body or to the Lord Lieutenant as the case may be, and the electing body or the Lord Lieutenant shall, as soon as conveniently may be after such notice, appoint or elect a governor to hold office from the expiry of said term. Any election or appointment not made as aforesaid within three months from the date of this Scheme, or from the date of the notice of expiry of a term of office, or from the date of the notice of a vacancy, as hereinafter prescribed, shall in that case be made by the then existing governors.

Application of Income.

23. Application of Income.—The governors, after paying the necessary expenses of management, and the burdens and taxes affecting the Endowment, shall apply the free income of the Endowment in the manner hereinafter provided.

24. Payment to present Schoolmaster and Scholars.—The governors shall pay to the present schoolmaster of Newburn, Frederick Roome Lumsden, the annual sum of £80 so long as he remains in office; and they shall further pay to him the annual sum of £40 for each scholar boarded with him under the terms and conditions made with him by the present governing body so long as they shall remain under his charge. In addition to the said annual sum of £80 the governors shall pay to the said Frederick Roome Lumsden the annual sum of £10 so long as he shall remain in office, for each year after the departure of each of the last four scholars remaining under his charge. The scholars appointed before the date of this Scheme shall be entitled to remain with the said Frederick Roome Lumsden, and receive the same advantages they would have enjoyed had this Scheme not been passed, until

the end of the School Session in which they attain the age of fifteen years complete. The governors shall expend the sum of £20 for the benefit of each of the said scholars on his leaving school, either for his further education or maintenance. No scholar shall be appointed after the date of this Scheme.

25. Grant to School Board for promoting Higher Instruction.—From and after the said Frederick Roome Lumsden ceasing to hold office the governors shall pay the annual sum of £80 to the School Board of Newburn, to be applied by them for the promotion of higher instruction by increasing the efficiency of the staff for the higher classes in the school of Newburn, either by adding to their number or otherwise as may be determined. The governors shall satisfy themselves from time to time that the funds are being efficiently applied for higher instruction in the manner prescribed, and not in relief of any expenditure which the School Board might reasonably be expected to incur out of the school fund; and if it appear to the governors that the funds are not being applied in manner foresaid, they shall cease to make such annual payment to the School Board, and shall apply the said sum to the purposes of the twenty-eighth section hereof, provided always that the School Board shall have the right to appeal to the Scotch Education Department against any such decision of the governors, and provided further that the Scotch Education Department, either on the application of any governor or member of the School Board, or on such information and after such inquiry as they themselves may deem necessary, shall have the power to intimate to the governors that the said payment is not being efficiently applied in manner foresaid, and the governors shall thereupon cease to make such payment, and shall apply the sum to the purposes of the twenty-eighth section hereof, until the School Board have satisfied the Department that they are prepared to comply with the conditions of said payment. In the event of the annual payment to the School Board being renewed under the provisions of the immediately preceding section, the governors shall, in the first place, make payment of any bursaries awarded under this section.

26. Free Scholarships at Public Schools.—The governing body shall expend a sum not exceeding £15 yearly in paying the fees of poor and deserving children, with books and stationery, at public or State-aided schools in the parish of Newburn, who have passed in the third or higher standards of the Scotch Code, and whose parents or guardians, not being in receipt of parochial relief, are in such circumstances as to require aid in providing elementary education, and are persons who, in the opinion of the governors, should not be required to apply to the Parochial Board for aid in paying school fees. These free scholarships shall be awarded on the result of a competitive examination, or as a reward for regularity of attendance, industry, general merit, and good conduct, all to be ascertained by the report of the teachers, and otherwise as the governors may determine. Any payment under this clause shall be withdrawn in the case of children who fail to give regular attendance or make satisfactory progress at school.

27. School Bursaries.—The governors shall apply the annual sum of £30 in estab-

lishing school bursaries, to be called the Wood School Bursaries, each of the yearly value of not less than £5 nor more than £10. These bursaries shall be awarded by competitive examination among pupils attending public or State-aided schools in the parish of Newburn, who have passed the fifth standard of the present Scotch Code, or such standard as may from time to time be fixed by the Scotch Education Department, pursuant to the Education (Scotland) Acts, as that entitling children to total exemption from the obligation to attend school, and whose parents or guardians are in such circumstances as to require aid for giving them higher education; these bursaries shall be tenable for two years at public or State-aided schools in which efficient instruction is given in the higher branches.

28. Bursaries for Higher or Technical Education.—The governors shall apply the remainder of the free annual income in establishing bursaries for higher education, to be called the Wood Bursaries, each of the yearly value of not less than £15 nor more than £20. These bursaries shall be awarded by competitive examination among pupils attending public or State-aided schools in the parishes of Newburn, Scoonie, Largo, Kennoway, Elie, and Largowood, whose parents or guardians require aid in giving them higher education, under such regulations and conditions as to age or otherwise as the governors may determine; they shall be tenable for such period not exceeding three years as the governors may determine, at such schools for higher education or technical instruction as they may approve.

29. Forfeiture of Bursaries.—If, in the judgment of the governors, the holder of any bursary shall be guilty of serious misconduct, or fail to make reasonable progress, they may withdraw such bursary, and their determination in such case shall be final.

30. Annual Distribution of Bursaries.—The governors shall establish the bursaries herein provided for in such manner as to secure that they shall be awarded in as nearly as possible equal numbers in each year.

31. Sum for Repairs or Improvements.—The governors shall have power to set aside such annual sum not exceeding £20 to meet the cost of such repairs or improvements as may not fall naturally or conveniently within the annual expenditure of each year.

32–36. Future Administration; Power to apply to Court of Session for Alteration; Power to make Bye-Laws and receive Additional Donations. Scheme to be Printed.
