P R E S E N T,

The KING's most Excellent Majesty in Council.

WHEREAS His Majesty was pleased by His Order in Council of the 2d of April last, to direct, That the Bounties of Six Pounds for every able Seaman, and of Three Pounds for every ordinary Seaman, should continue to be paid to every such able and ordinary Seaman, not above the Age of Fifty, nor under the Age of Eighteen Years, who should, on or before the 31st Day of this Instant, voluntarily enter themselves to serve in His Majesty's Navy, either with the Captains or Lieutenants of His Majesty's Ships, or the Chief Officers on Board such Tenders as should be employed for raising Men for the Service of His Majesty's Royal Navy: And also that the Bounty of Thirty Shillings should be continued to be paid to every able bodied Landman not above the Age of Thirty Five, nor under the Age of Eighteen Years, who should, on or before the said 31st Day of this Instant, voluntarily enter themselves in like Manner to serve in His Majesty's Royal Navy; and that a Reward of Five Pounds for every able, and of Two Pounds Ten Shillings for every ordinary Seaman, should continue to be paid to any Person who should discover any Seaman or Seamen who may secret themselves, so that such Seaman or Seamen should be taken for His Majesty's said Service, on or before the said Thirty-first Day of this Instant. — And whereas the Time limited for paying the said Bounties and Rewards is near expiring; And it being judged expedient for His Majesty's Service, that the same should be continued for some Time longer; His Majesty, with the Advice of His Privy Council, doth therefore order, and it is hereby accordingly ordered, that the Time limited for Payment of the said Bounties and Rewards, be prolonged and extended from the said 31st Day of this Instant May, to the 31st Day of July next. Lisbon, June 26.

Advices which have been received from the Provinces, from the 5th Instant to this Day.

B E I R A.

Almeida, June 12. By a Letter of this Date, we are informed, that the Enemy, to the Number of Eight Thousand Men, has entered the Frontier, and is encamped between Val dela Mulla and Val de Coelho, a League from Almeida: That several Parties had fallen forth from the Camp, and had pillaged the Villages upon that Frontier, and had not even spared the Churches; but that these Parties had been driven back by the Portuguese Militia, who had killed and taken Prisoners upwards of

Two Hundred Spaniards; and that there was great and frequent Desertion from this Corps.

From the same Place we have Advices, of the 18th of this Month, that the Spaniards then remained in the same Camp, without any other News, than that they continued to send out Parties to guard the Cattle, which they could find dispersed about the Fields.

Amarante, June 20. The Advices received from the Province of *Tras-os-Montes* are, That the Spanish Army in this Province is divided into three Corps: The principal Body is encamped at *Duas Igrejas*, near *Miranda*; another of Five Thousand Men at *Torre de Moncorvo*; and a Third of the same Number of Troops near *Chaves*.

Those who retired from *Villa Real* and *Mirandela* towards *Miranda*, were attacked upon their March by the Militia, which were posted at the *Villa pouca de Aguiar*, who killed some of the Spaniards, and took Twenty odd Prisoners, which were sent to the Head Quarters.

We have Advice of the 22d, that a Convoy of Sixty Mules, laden with Provisions, had been taken from the Enemy about two Leagues from *Chaves*.

The same Advices add, That the Spaniards are preparing to invade this Province in different Places.

A L E N T E J O.

From the Frontier of this Province we have received no Advices worthy of Notice.

A L G A R V E.

Tavira, June 12, and 17. Some Boxes of Papers have been thrown upon the Shore near *Faro* and *Alv6r*; by which it appears, that they came out of a Spanish Frigate called the *Hermione*, which had sailed from *Calh6o de Lima*, in the Month of January of this present Year, with Two Millions Six Hundred Thousand Hard Dollars, registered for the Court of *Madrid*; and although hitherto no Letters have been received from *Gibraltar*, by which we can be determined, it is here looked upon as probable, that this Register Frigate has been taken by two English ones, which were cruising upon that Coast.
