

By His Majesty's Letters Patent granted to R. Rock, M. L. of Forty Five Years Practice in Surgery and Chemistry, for his Invention of his

Antivenereal Electuary, which cures all Symptoms of that Disorder; also Weaknesses, Scorbutic, Leprous, and other Disorders arising from a vitiated or corrupt State of the Blood and Juices. See his Book given with each Pot or Box of the Electuary, for several remarkable Cures performed by it, or the Essence of it under different Forms, as Drop or Pill, or otherwise to suit the Palate or Cafe of the Patient. Sold by him at his Chemist Shop on Ludgate Hill, London.

DR. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many Thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms; But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleuritis, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; it is extremely effectual in the Small-Pox, Measles, and St. Anthony's Fire; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church Yard, London; and by J. Hoey, jun, in Skinner Row, Dublin; at 2s. 6d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again.

See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Places above-mentioned. Price 6d.
