

DR. JAMES'S Powder for FEVERS,
the Small Pox, Measles, Pleurifies, Quinsies, acute Rheumatisms, Colds, and all inflammatory Disorders, as well as for those which are called Nervous, Hypochondriac, and Hysteric, Price 2s. 6d. the Paper; with good Allowance to those who buy it for charitable Uses, or to sell again.

* * Experience having taught, that this Medicine, which is a safe and certain Cure for the above Disorders, is better prepared for Sea Service (and more convenient) in Bottles, than made up as usual in Marble Paper, the Commissioners, who have the Direction of the Medicines employed in the Navy, have ordered this Powder to be so preserved for the Use of all His Majesty's Ships of War; and a large Quantity is also made up in the same Manner for Merchants and Captains of Trading Ships, as well as for those who are any way concerned in Voyages, or the Sea Service.

This Medicine is sold only by J. Newbery, at the Bible and Sun in St. Paul's Church Yard, and by those who are empowered by him to sell it in the several Towns of Great Britain, Ireland, and the Colonies.

Of whom may be had,

Dr. James's Mild Powder for the Disorders above-mentioned, which is prepared from the same Materials as the other Powder, but so contrived as to have little or no sensible Operation, and upon that Account is the more proper for Women under certain Circumstances, Infants, and those whose Constitutions are extremely delicate. And it is more than probable that this Powder, by taking off the Acrimony, will prevent Pitting in the Small-Pox, Price 2s. 6d.
