AT the Court at *St. James's*, the 22d Day of August, 1764.

P R E S E N T;

The KING's most Excellent Majesty in Council.

HIS Majesty having been pleased to appoint the Right Honourable Robert Earl of Northington to be Lord Lieutenant of the County of Southampton, and of the Town of Southampton, and County of the same, his Lordship this Day took the Oaths appointed to be taken thereupon, instead of the Oaths of Allegiance and Supremacy.

AT the Court at *St. James's*, the 17th of August, 1764.

P R E S E N T,

The KING's most Excellent Majesty in Council.

WH E R E A S the Lords Commissioners of His Majesty's Treasury have represented to His Majesty at this Board, That the Endeavours they have used for improving His Majesty's Revenues of Customs, and for preventing the many Frauds committed, especially in the Out-Ports of this Kingdom, are greatly obstructed by the present State of the Isle of Man, from whence a pernicious and illicit Trade is carried on to the neighbouring Coasts of Great Britain and Ireland, in Violation of the Laws of this Country, and to the great Detriment and Diminution of the Public Revenue; That this Evil, which has long been complained of, is of late Years very much increased, notwithstanding the Acts made in the 7th and 12th Years of the Reign of King George the First, for putting a Stop to such illegal and destructive Practices—His Majesty having taken the same into Consideration, is hereby pleased, with the Advice of His Privy Council, strictly to Order, Require and Command all His Officers and Ministers, and all others his loving Subjects, whom it may concern, that they be watchful and diligent in seeing the several Laws and Statutes for putting a Stop to such illegal and destructive Practices, duly observed and put in Execution;—And His Majesty doth hereby declare and advertize all Persons whatsoever, who shall be found offending or carrying on any illicit Trade and Practices, contrary to the several Laws and Statutes aforementioned, that his Majesty will cause them to be proceeded against with the utmost Rigour of the Law.—And the Lords Commissioners of his Majesty's Treasury are to give strict Orders to all Officers under their Department, that they use their utmost Endeavours to carry His Majesty's Commands, with respect to the Laws and Statutes aforementioned into Execution; And the Lords Commissioners of the Admiralty are to station a sufficient Number of Ships and Cutters, under the Command of discreet Officers, in the Harbours and on the Coasts of the Isle of Man, and to give strict Orders to the said Officers, as well as to all others within their Department, that

they use their utmost Endeavours to carry His Majesty's Commands hereby signified into Execution—And the Lord Lieutenant of his Majesty's Kingdom of Ireland, or in his Absence the Lords Justices of that Kingdom, are to give such Directions for carrying His Majesty's Commands hereby signified into Execution, as to them may respectively appertain.
