1764,

P R E S E N T,

The KING's most Excellent Majesty in Council.

WHEREAS the Lords Commissioners of His Majesty's Treasury have represented to His Majesty at this Board, That the Endeavours they have used for improving His Majesty's Revenues of Customs, and for preventing the many Frauds committed, especially in the Out-Ports of this Kingdom, are greatly obstructed by the present State of the Isle of Man, from whence a pernicious and illicit Trade is carried on to the neighbouring Coasts of Great Britain and Ireland, in Violation of the Laws of this Country, and to the great Detriment and Diminution of the Public Revenue; That this Evil, which has long been complained of, is of late Years very much increased, notwithstanding the Acts made in the 7th and 12th Years of the Reign of King George the First, for putting a Stop to such illegal and destructive Practices—His Majesty having taken the same into Consideration, is hereby pleased, with the Advice of His Privy Council, strictly to Order, Require and Command all His Officers and Ministers, and all others his loving Subjects, whom it may concern, that they be watchful and diligent in seeing the several Laws and Statutes for putting a Stop to such illegal and destructive Practices, duly observed and put in Execution;—And His Majesty doth hereby declare and advertize all Persons whatsoever, who shall be found offending or carrying on any illicit Trade and Practices, contrary to the several Laws and Statutes aforementioned, that his Majesty will cause them to be proceeded against with the utmost Rigour of the Law.—And the Lords Commissioners of his Majesty's Treasury are to give strict Orders to all Officers under their Department, that they use their utmost Endeavours to carry His Majesty's Commands, with respect to the Laws and Statutes aforementioned into Execution; And the Lords Commissioners of the Admiralty are to station a sufficient Number of Ships and Cutters, under the Command of discreet Officers, in the Harbours and on the Coasts of the Isle of Man, and to give strict Orders to the said Officers, as well as to all others within their Department, that they use their utmost Endeavours to carry His Majesty's Commands hereby signified into Execution—And the Lord Lieutenant of his Majesty's Kingdom of Ireland, or in his Absence the Lords Justices of that Kingdom, are to give such Directions for car-

Dr. ANDERSON'S, or The Famous SCOTS PILLS;

ARE faithfully prepared only by JAMES INGLISH, Son of DAVID INGLISH, deceased, at the Unicorn, over-against the New Church in the Strand, London; and to prevent Counterfeits from Scotland, as well as in and about London, you are desired to take Notice, That the true Pills have their Boxes sealed on the Top (in Black Wax) with a Lyon Rampant, and Three Mulletts Argent, Dr. Anderson's Head betwixt I. I. with his Name round it, and Isabella Inghish underneath the Shield in a Scroll. They are of excellent Use in all Cases where Purging is necessary, and may be taken with Epom, Tunbridge, or other Medicinal Waters.

DR. JAMES'S Powder for FEVERS, the Small Pox, Measles, Pleurishes, Quinsies, acute Rheumatisms, Colds, and all inflammatory Disorders, as well as for those which are called Nervous, Hypochondriac, and Hysteric, Price 2s. 6d. the Paper; with good Allowance to those who buy it for charitable Uses, or to sell again.

Experience having taught, that this Medicine, which is a safe and certain Cure for the above Disorders, is better prepared for Sea Service (and more convenient) in Bottles, than made up as usual in Marble Paper, the Commissioners, who have the Direction of the Medicines employed in the Navy, have ordered this Powder to be so preferred for the Use of all His Majesty's Ships of War; and a large Quantity is also made up in the same Manner for Merchants and Captains of Trading Ships, as well as for those who are any way concerned in Voyages, or the Sea Service.

This Medicine is sold only by J. Newbery, at the Bible and Sun in St. Paul's Church Yard, and by those who are empowered by him to sell it in the several Towns of Great Britain, Ireland, and the Colonies.

Of whom may be had,

Dr. James's Mild Powder for the Disorders above-mentioned, which is prepared from the same Materials as the other Powder, but so contrived as to have little or no sensible Operation, and upon that Account is the more proper for Women under certain Circumstances, Infants, and those whose Constitutions are extremely delicate. And it is more than probable that this Powder, by taking off the Acrimony, will prevent Pitting in the Small Pox, Price 2s. 6d.
