By the Lords Justices General and General
Governors of Ireland,

A P R O C L A M A T I O N.

Shannon. Jn. Ponsonby.

WHEREAS We have received His Majesty's Commands to give the necessary Orders for carrying into Execution in the Kingdom of Ireland, His Majesty's Commands, signified by an Order, made by His Majesty in Council, bearing Date the 17th Day of August, One thousand seven hundred and sixty-four, which is in the Words following, viz.

“ AT the Court at *St. James's*, the 17th Day of August, 1764.

“ P R E S E N T,

“ The KING's most Excellent Majesty in Council.

“ **W**HEREAS the Lords Commissioners of His Majesty's Treasury have represented to His Majesty at this Board, That the Endeavours they have used for improving His Majesty's Revenues of Customs, and for preventing the many Frauds committed, especially in the Out-Ports of this Kingdom, are greatly obstructed by the present State of the Isle of Man, from whence a pernicious and illicit Trade is carried on to the neighbouring Coasts of Great Britain and Ireland, in Violation of the Laws of this County, and to the great Detriment and Diminution of the Public Revenue; That this Evil, which has long been complained of, is of late Years very much increased, notwithstanding the Acts made in the 7th and 12th Years of the Reign of King George the First for putting a Stop to such illegal and destructive Practices—His Majesty having taken the same into Consideration, is hereby pleased, with the Advice of His Privy Council, strictly to Order, Require and Command all His Officers and Ministers, and all others his loving Subjects, whom it may concern, that they be watchful and diligent in seeing the several Laws and Statutes for putting a Stop to such illegal and destructive Practices, duly observed and put in Execution:—And His Majesty doth hereby declare and advertise all Persons whatsoever, who shall be found offending or carrying on any illicit Trade and Practices, contrary to the several Laws and Statutes, aforementioned, that his Majesty will cause them to be proceeded against with the utmost Rigour of the Law.—And the Lords Commissioners of His Majesty's Treasury are to give strict Orders

“ to all Officers under their Department, that they use their utmost Endeavours to carry His Majesty's Commands, with respect to the Laws and Statutes aforementioned, into Execution; And the Lords Commissioners of the Admiralty are to station a sufficient Number of Ships and Cutters, under the Command of discreet Officers, in the Harbours and on the Coasts of the Isle of Man, and to give strict Orders to the said Officers, as well as to all others within their Department, that they use their utmost Endeavours to carry His Majesty's Commands hereby signified into Execution—And the Lord Lieutenant of his Majesty's Kingdom of Ireland, or in his Absence the Lords Justices of that Kingdom, are to give such Directions for carrying His Majesty's Commands hereby signified into Execution, as to them may respectively appertain.”

Now We the Lords Justices General and General Governors of Ireland, in Obedience to His Majesty's Commands, do strictly Charge and Command all His Majesty's Officers and Ministers, and all others His Majesty's loving Subjects, whom it may concern, that they be watchful and diligent in seeing the several Laws and Statutes, made for putting a Stop to the illegal and destructive Practices abovementioned, duly observed and put in Execution. And We do hereby declare and advertise all Persons whatsoever, who shall be found offending or carrying on any illicit Trade and Practices, contrary to the several Laws and Statutes aforementioned, that We have received His Majesty's Commands to cause them to be proceeded against with the utmost Rigour of the Law.

Given at His Majesty's Castle of Dublin, the 4th Day of September, 1764.

By their Excellencies' Command,

Tho. Waite.

GOD Save the KING.

Case of Lawrence Curtis, who was cured of a violent FEVER by taking Dr. JAMES'S POWDERS.

S I R,

I Was led providentially with a Friend the 16th Instant, to Comb-hill, in the Parish of Leigh, about Seven Miles from Gloucester, where I called upon one Lawrence Curtis, an Innholder of that Place, who had been seized several Days before with a violent Fever. He was quite delirious, and was afflicted with such a violent Pain in his Bowels, that a Mortification must have been the Consequence in a short Time. As he had taken many Medicines from an Apothecary without Relief, I offered to give him Dr. James's Powders, which he readily accepted, and accordingly the next Day he took half a Paper, but that not having the desired Effect, he took another half Paper, which in an Hour's Time gave him three or four gentle Stools, and afterwards threw him into a strong Perspiration, particularly about his Bowels, where his Complaint chiefly lay; on the same Night he had a most refreshing Sleep for several Hours, which he had not before experienced for nine Days and Nights. On the 19th he took another half Paper, which brought on a profuse Perspiration, and he slept finely all Night. On the 21st I went to enquire how he was, when I was most agreeably surprized to hear that he was so strong and well as to ride to Tewkesbury (about four Miles from his own House) in order to buy some fresh Meat to eat, to which he had not the least Inclination a Fortnight before; and on the 28th Instant, I called on the poor Man, and found him so well as to be able to go to Work.

I must, therefore, beg the Favour of you to publish the above Account, for the Benefit of Mankind; and I am, Sir,

Your most humble Servant,
HENRY WINDOWE,
Vicar of Staverton and Bodington.

Staverton, Aug. 31.
