**PIKE's Grand Antidote for the Itch**

and all Scorbutic Humours. The Proprietor has appointed Chas. Dacey and Co. at Dr. Bateman's Warehouse, in Bow-Church-Yard, London, the only Venders of this Ointment, to whom all Persons are desired to apply; Merchants, Captains of Ships, and Country Dealers, will have good Allowance to sell again.

The Ointment is put up in Tin Boxes, Price 1s. 6d. each; and is a sovereign and efficacious Remedy (never known to fail) for all Eruptions and cutaneous Disorders, of ever so long standing, without Confinement, Daubing, or the least offensive Smell. It entirely exterminates, Root and Branch, all the redundant and peccant Humours, by insensible Perspiration; and is the most infallible Remedy ever yet offered to the Public. The Virtues are many, the Application easy, gentle, and uncommon.

There never was any Person that used this Remedy for the Itch (if they followed the Directions) who could come a Month after and say it had not taken the desired Effect. One Qualification it has to boast of above all others is, that it gives the Patient an Opportunity of doing his daily Business as usual, being always clean; whereas mostly, in the Cure of this Disorder, an Ointment for the whole Body is applied, which, justly may be said, is making the Remedy worse than the Disease.
