Published by Authority.

From Saturday July 4, to Tuesday July 7, 1767.

At the Court at St. James's, the 26th Day of June, 1767,

P R E S E N T,

The KING's most Excellent Majesty in Council.

WHEREAS the Names of many of the Officers serving in the respective Regiments and Battalions of Militia within the several Counties in England and Wales, have been frequently returned by the Judges in the List of Persons proper to be appointed Sheriffs, notwithstanding such Officers are by Law exempted from serving the Office of Sheriff during the Time of their Service in the Militia: And whereas the Impropriety of such Returns has proceeded from the Want of Information being given to the Judges of the Names of the several Officers serving in the Militia, from whence many Inconveniencies have arisen: His Majesty, in order to prevent the like happening for the future, is pleased, with the Advice of His Privy Council, hereby to Require and Command, that the respective Lieutenants of the several Counties in England and Wales, where the Militia has been raised and embodied, do cause Lists to be made every Year of the Names and Places of Residence of the Officers serving in the Militia within the respective Counties, and cause the said Lists to be delivered into the Hands of the Clerk of Assize, in order to be laid before the Judges at the Time of holding the Summer Assize, that Care may be taken for the Time to come not to insert the Names of any such Officers on the Roll of Persons to be proposed to His Majesty as proper to serve the Office of Sheriff.

By His Majesty's Royal LETTERS PATENT, granted to the Patentees for the sole Making and Vending the same in Great Britain and the Colonies.

THE Virtues of this Medicine are manifest beyond Contradiction in all Disorders of the Stomach and Bowels; Gout, Gravel, Scurvy, Rheumatism, Agues, and all Intermittents. In Female Complaints it has never failed to relieve, and it is the greatest Restorative in the World for impaired and shattered Constitutions. Its high antiseptic Virtues render it specifically valuable as a Preservative against all Infectious Disempers; and as it is the most powerful Antiscorbutic, no Medicine extant deserves so much to be regarded for the Service of His Majesty's Navy. For a more ample Account of its Uses the Public is referred to a Pamphlet of Cases, to be had of the Venders of this Medicine, which (as well as the Marc or Residuum for external Use) is sold in Bottles at 3s. each by W. Nicoll, Bookseller, in St. Paul's Church-Yard, T. Becket in the Strand, T. Durham at Charing Cross, Richardson and Co. at the Royal Exchange, R. Davis in Piccadilly, and W. Flexney, Holborn.

Good Allowance to Country Dealers, Captains of Ships, and those disposed to give it away for charitable Uses. This Medicine may be had in all the Towns in England, Scotland, Ireland, and the Colonies.
