God Save the King.

Lisbon, June 11. The 6th Instant, being his most Faithful Majesty's Birth-Day, who then completed the 54th Year of his Age, was celebrated with all Demonstrations of Joy. The Court was very numerous and brilliant at the Palace of Ajuda on that Occasion; and Don Lewis da Cunha, Secretary of State, gave a very splendid Entertainment to many of the Nobility, and to the Ministers of the Foreign Princes residing here.

On the 9th, near Half an Hour past Two o'Clock in the Afternoon, a very smart Shock of an Earthquake was felt in this City, which created such an Alarm, that many People ran out of their Houses into the Streets; but it has done no Damage.

Whitehall, June 28, 1768.

Whereas it has been humbly represented to the King, That the Chambers of Mr. Thomas Magson, N^o. 16. Mitre-Court Buildings, Inner Temple, were, during his Absence, and, as it is apprehended, with a false Key, opened, between the Hours of Two and Three o'Clock in the Afternoon of Monday the 20th Instant; and the said Mr. Magson was then robbed of Bank Notes to the Amount of 2252 l. 7 s. 0 d. as also of about Ten Guineas in Gold, in a Canvas Bag; and a Red Morocco Letter-Case, in which were several Papers and Memorandums. And it being, from several Circumstances, suspected, that more than one Person was concerned in the above Robbery; His Majesty, for the better discovering and bringing to Justice the Person or Persons concerned in the said Robbery, does hereby promise His most gracious Pardon to any one of them, who shall discover his, her, or their Accomplice or Accomplices therein, so that he, she, or they may be apprehended and convicted thereof.

S H E L B U R N E.

And, as a further Encouragement, the said Thomas Magson does hereby promise a Reward of Two Hundred Pounds to the Person making such Discovery; to be paid on the Conviction of any one or more of the said Offenders.

Tho. Magson.

East-India House, June 24, 1768.

The Court of Directors of the United Company of Merchants of England trading to the East Indies, having since their Advertisement dated the 22d Instant, (in which they gave Notice of a General Court to be held the 6th of July next, pursuant to the Adjournment of the last General Court) received a Letter from Nine Proprietors, desiring a General Court to be held on the Subject of the Restitution due by the Treaty with Meer Jaffer Aly Khan, made in 1763; and the Charter prescribing that a General Court shall be held within Ten Days after Demand made by Nine Members duly qualified;

The said Court of Directors do hereby give Notice, that a General Court of the said Company will be held at their House in Leadenhall-Street, on Friday the 1st of July next, at Eleven o'Clock in the Forenoon, to consider of some Alterations of the By-Laws; and on other special Affairs.

Navy-Office, April 19, 1768.

The Principal Officers and Commissioners of His Majesty's Navy give Notice, that on Tuesday the 11th of October next, they will be ready to treat with such Persons as shall be willing to sell and import American White Pine Masts, to be delivered at His Majesty's Yards in England.

General

General Post Office, June 25, 1768.

His Majesty's Postmaster General, for the further Improvement of Correspondence, intending to establish a Post Six Times a Week, instead of Three as at present, between England and Ireland, both by the Way of Holyhead and Port Patrick, the several Regulations for that Purpose will commence on Wednesday the 6th of July next.

From that Time also the Letters between several Parts of England and Ireland, which have hitherto been sent through London, will be circulated directly through the Bye and Cross Roads; by which Means the Correspondence between many Commercial Parts in both Kingdoms will be greatly accelerated.

Notwithstanding the frequent Regulations and Improvements made by the Postmaster General for the Benefit of Correspondence in divers Parts of Great-Britain and Ireland, it still appears, that vast Numbers of Letters are privately collected and delivered contrary to Law, to the great Prejudice of the Revenue: Public Notice is therefore hereby given, That all Carriers, Coachmen, Watermen, Dispersers of Country News-Papers, Higlers, and all others whatsoever, hereafter detected in the illegal collecting, conveying, or delivering of Letters or Packets, will be prosecuted with the utmost Severity.

The Penalty is Five Pounds for every several Offence, and One Hundred Pounds every Week such Practice is continued: One Moiety to the King, and the other Moiety to such Person or Persons who shall inform against the Offender or Offenders.

By Command of the Postmaster General,
Anth. Todd, Secretary.
