At the Court at St. James's, the 22d Day of December, 1769,

P R E S E N T,

The KING's most Excellent Majesty in Council.

WHEREAS there was this Day read at the Board a Letter from the Commissioners of Customs in Scotland to the Secretary of the Treasury, dated the 12th of this Instant, setting forth, That the Lord Provost of Edinburgh, as Prefes of the Concession of the Royal Boroughs in Scotland, had informed them, that Mr. John Stuart, Deputy Conservator of the Scots Privileges at Campveer, had transmitted to his Lordship a Copy of a Placart published by the States of Zealand, prohibiting, under certain Restrictions, the Importation of Hay and Straw into the said Province, as apprehending the Infection raging in other Parts among the Horned Cattle had been spread by the Introduction of those Commodities; and informing his Lordship, that a Ship called the Peggy of Dysert, John Spittle Master, had taken on Board a Parcel of Hay at Mid-
 borough, in order to be landed at Dysert in Scotland; and his Lordship having desired that Orders might be given to the Officers of the Customs for stopping the Landing of the said Hay, the said Commissioners of the Customs, in regard to the Difficulty and Importance of the Matter, and to the Alarm and Apprehensions which such Importation under those Circumstances might occasion, had consulted His Majesty's Advocate, and agreeable to his Opinion they complied with the Request of the Lord Provost, and desired Directions from the Lords Commissioners of the Treasury upon this Occasion. And whereas it appears by a Letter from the Secretary of the Treasury to the Clerk of the Council in Waiting, that the Lords Commissioners of the Treasury, upon receiving the foregoing Information, had sent Directions to the Commissioners of the Customs at Edinburgh, to prevent the Importation of Hay and Straw from Foreign Parts into Scotland, until they should receive further Orders; His Majesty, taking the same into His Royal Consideration, and approving of the Directions given by the Lords Commissioners of the Treasury to the Commissioners of the Customs in Scotland thereupon, is hereby pleased, with the Advice of His Privy Council, to prohibit the Importation of Hay and Straw from Foreign Parts into any of the Ports of this Kingdom: And also to order and direct that the utmost Care be taken not to permit any Entry to be made for Hay or Straw, which is already or may hereafter be brought from Foreign Parts into any of the Ports of this Kingdom, until His Majesty's Pleasure shall be further signified. And the Right Honourable the Lords Commissioners of His Majesty's Treasury are to give the necessary Directions herein accordingly.
