Published by Authority of Parliament,  
Willm Cooke.

N. B. It is found necessary to explain what is meant by the Average Price in the above Abstract, as many People will not consider there are Degrees of Quality in Corn, and that the Average Price is that which the several Qualities sell for, when collected together, the Quantities of each also considered; and many Persons will not confine their Ideas to the Winchester Bushel only. Besides, on perusing

that the Price published is not that of the present Week, but that of three Weeks ago, because the Returns throughout the Kingdom cannot be collected in less Time.
