AT the Court at St. James's, the 8th Day of
July, 1772,

P R E S E N T,

The KING's most Excellent Majesty in Council.

WHEREAS by an Act of Parliament passed in the Twenty-sixth Year of His late Majesty's Reign, intituled, "An Act to oblige Ships more effectually to perform their Quarantine; and for the better Preventing the Plague being brought from Foreign Parts into Great Britain or Ireland, or the Isles of Guernsey, Jersey, Alderney, Sark, or Man," It is among many other Things Enacted, That all Ships and Vessels arriving, and all Persons, Goods, and Merchandizes whatsoever, coming or imported into any Port or Place within Great Britain or Ireland, or any of the Isles aforementioned, from any Place from whence His Majesty, His Heirs, or Successors, by and with the Advice of His or Their Privy-Council, shall judge it probable that the Infection may be brought, shall be obliged to make their Quarantine in such Place and Places, for such Time, and in such Manner, as has been, or shall, from Time to Time, be directed by His Majesty, His Heirs, or Successors, by His or Their Order or Orders made in His or Their Privy-Council, and notified by Proclamation, or published in the London Gazette; and that until such Ships, Vessels, Persons, Goods, and Merchandizes, shall have respectively performed, and be discharged from, such Quarantine, no such Person, Goods, or Merchandizes, or any of them, shall come or be brought on Shore, or go or be put on Board any other Ship or Vessel, in any Place within His Majesty's Dominions, unless in such Manner, and in such Cases, and by such Licence as shall be directed or permitted by such Order or Orders made by His Majesty, His Heirs, or Successors, in Council as aforesaid; and that all such Ships and Vessels, and the Persons or Goods coming or imported in, or going or being put on Board the same, and all Ships, Vessels, Boats, and Persons, receiving any Goods or Persons out of the same, shall be subject to such Orders, Rules, and Directions concerning Quarantine, and the Prevention of Infection, as have been or shall be made by His Majesty, His Heirs, and Successors, in Council, and notified by Proclamation, or published in the London Gazette as aforementioned, under such Pains and Penalties as are inflicted by the said Act.

And whereas upon Information received of the Plague breaking out in divers Parts, several Orders have been heretofore made by His Majesty at this Board, requiring Quarantine to be performed by all Ships and Vessels coming from or through the Mediterranean, or from the West Barbary on the Atlantic Ocean, or from Archangel, Petersburg, Narva, Riga, or any other Port or Place in the Dominions of Russia; and also by all Ships and Vessels whatsoever having Cotton-Wool on Board, (except Ships and Vessels from America, or the West Indies, with that Commodity on Board, the Produce of those Parts.)

And whereas notwithstanding it appears by the Accounts received from His Majesty's Ministers Abroad, that the Sickness, which raged last Year at Moscow, and in other Parts of the Dominions of Russia, has very much subsided during the Winter; yet, as the same may be liable to break out again, and is more apt to rage in the Summer-Months, it is Matter of the highest Importance, that every Precaution should be observed; and His Majesty doth still judge it probable, that the Infection may be brought into this Kingdom, or the Isles of Jersey, Guernsey, Alderney, Sark, or Man, from Archangel, Petersburg, Narva, Riga, or some other Port or Place in the Dominions of Russia; His Majesty doth therefore, by and with the Advice of His Privy Council, hereby order, That all Ships, Vessels, Persons, Goods, and Merchandizes, now arrived, or that shall hereafter arrive, in any Port of this Kingdom, or the Isles of Jersey, Guernsey, Alderney, Sark, or Man, from or through the Mediterranean, or from the West Barbary on the Atlantic Ocean, or from Archangel, Petersburg, Narva, Riga, or from any other Port or Place in the Dominions of Russia, do make their Quarantine for Forty Days, which is to commence and be computed from the Day each Ship or Vessel shall come to Anchor in the Place appointed for performing Quarantine, and not before.

That all Ships and Vessels whatsoever, having Cotton-Wool on Board, (except Ships and Vessels from America, or the West Indies, with that Commodity on Board, the Produce of those Parts) now arrived, or that shall hereafter arrive, in any Port of this Kingdom, or the Isles of Jersey, Guernsey, Alderney, Sark, or Man, do make their Quarantine for Forty Days, which is to commence and be computed from the Day each Ship or Vessel shall come to Anchor in the Place appointed for performing Quarantine, and not before.

That the Places herein after named, shall be, and are hereby appointed to be, the Places, wherein such Ships or Vessels (not having the Infection on Board) shall respectively perform Quarantine, that is to say, all such Ships or Vessels, which are or shall be bound to the Port of London; or any Member, Creek, or other Parts thereof, or to the River Thames or Medway, shall perform their Quarantine in Standgate Creek: All such Ships or Vessels, which are or shall be bound to the Ports of Ipswich, Yarmouth, Boston, Hull, Newcastle, or Berwick upon Tweed, or any of them, or any Member or Creek thereof, or other Place therein, shall perform their Quarantine in Whitebooth Road, between Hull and Grimsby: All such Ships or Vessels, which are or shall be bound to the Ports of Carlisle and Chester, or either of them, or any Member or Creek thereof, or other Place therein, or to any Part of the Isle of Man, shall perform their Quarantine in a Place called Highlake near Liverpool, at the West End thereof: All such Ships or Vessels, which are or shall be bound to the Ports of Milford, Cardiff, Gloucester, Bristol, Bridgewater, or any of them, or any Member or Creek of them, or any of them, or to Padstow or St. Ives, being
