*There having been several Errors in the Printing of the Address to His Majesty, from the Council and General Assembly of the Island of Antigua, (which was inserted in last Saturday's Gazette) it has been thought proper to reprint it.*

*Whitehall, August 5.*

**T**HE following Address to The King, from the Council and General Assembly of Antigua, having been delivered to the Earl of Dartmouth, one of His Majesty's Principal Secretaries of State, by Mr. Salmond, Agent for that Island, hath been presented to His Majesty; and was very graciously received.

To the King's most Excellent Majesty.

*Most Gracious Sovereign,*

**W**E, your Majesty's most dutiful and loyal Subjects, the Council and General Assembly of this your Island of Antigua, impressed with the most unalterable Sentiments of Loyalty, humbly beg Leave, at this Time, to convey our Assurances of them to your Majesty, joined with our most unfeigned and grateful Thanks for the many Instances of your paternal Care extended to us, although remotely placed from your Throne and Royal Presence.

Your Majesty's Wisdom and Attention to the Interest and Welfare of all your People, we must, in common with our Fellow-Subjects, participate in the due Acknowledgments of; but it is with Hearts full of peculiar Duty and Gratitude we acknowledge that Regard and Attention to us, which is strongly expressed by your Majesty in the Choice of that Governor, whom you have been pleased to appoint over us; whose unwearied Zeal to your Majesty's Service, and Regard to the just Rights and Liberties of your People, are so sensibly felt by us, as to mark in him the happy Consequences of that Choice.

When we reflect on the able and mild Exercise of Power in our excellent Chief Governor, your Majesty's Servant, Sir Ralph Payne, Knight of the Bath; and at the same Time see how other Governments have been rent by Faction, while we have lived in a continued State of Union and Tranquility, we cannot restrain our Expressions of Attachment and Affection to him, as the true Representative of the Royal Master.

Thus endeared to us by his Conduct, from a faithful Discharge of that high Trust with which you have honoured him, permit us, Sire, on the Departure of our Governor for Europe, to supplicate your most gracious Favor for the Reception of him into your Presence, with such Marks of your Royal Counte-

nance and Approbation as must be a Reward of his faithful Services, and an Acceptance of our Testimonial of Gratitude. And permit us further in our Supplication to add, that your Majesty would condescend to indulge the Wishes of your faithful Subjects of Antigua, by rendering them again happy in his Return to the Exercise of the Government of these your Leeward Islands.

Tho. Warner, Speaker.*

SOLD only by Mr. Norton, Surgeon, of Golden Square, near Piccadilly, at Six-pence each, his Pamphlets, containing forty-seven well authenticated Cures, by the Use of his Maredant's Drops, (selected from many more) of the Scur-

vy, Leprosy, Ulcers, King's Evil, Fistula, Piles, Scorbutic Gout, Rheumatism, Pimpled Faces, Inflammation of the Eyes, and every other Disorder arising from a Foulness of the Blood.—These Drops are sold at Mr. Norton's, as above, in Bottles at Six Shillings each.—None are genuine but what are signed John Norton beneath each Bill of Direction. in his own Hand-writing, and in square Bottles with the following Inscription on them, viz. "John Norton, only Proprietor and Author of Maredant's Drops."—They perfect Digestion, amazingly create an Appetite, and effectually cure Billious Complaints.

Mr. Norton having again discovered that his Bottles, Bills of Direction, together with his Hand-writing, have been counterfeited, in order to impose on the Public a spurious Medicine for his (Maredant's) Drops, he therefore hopes, for their Health's Sake, they will be extremely cautious of whom they buy them. They are sold whole-sale by him only.

The singular Efficacy of these Drops in removing the Maladies which too frequently follow Inoculation, however skillfully practised, induces the Proprietor earnestly to recommend them; assured by Experience of their happy Effects in Cases even when, from a long Continuance of sharp corroding Ulcers, the Bones themselves have been ultimately affected, and the Limbs endangered.—The Safety with which these Drop may be administered to Children and Infants is an additional Encouragement to the timely Use of them.
