Whereas I, S. Henry, have obtained His Majesty's Royal Patent for inventing a certain new Apparatus, to act as an universal Lock and Bolt, for fastening Doors and Openings of all Kinds whatsoever; which Apparatus is so constructed as to render it impossible for any Person either to pick or open the same, unless they have the Key thereunto belonging; This is to give Notice, that William Freke, jun. Freke," on the other. All Persons counterfeiting them will be prosecuted to the Law directly.
