St. James's, August 12.

**T**HE following Address of the Liverymen, Freemen, and others, Inhabitants of the City of London, has been presented to His Majesty by Thomas Wellings, Gabriel Leekey, Thomas Moore, Thomas Browne, William Gill, Thomas Itherwood, William Watlington, George Friend, John Clements, Robert Sowerby, William White, and John Jones, Esqrs. being introduced by the Lord of His Majesty's Bed-Chamber in Waiting: Which Address His Majesty was pleased to receive very graciously; and they had the Honour to kiss His Majesty's Hand.

To the KING's Most Excellent Majesty.

Most Gracious Sovereign,

**W**E, your Majesty's most dutiful and loyal Subjects, Liverymen, Freemen, and Others, Inhabitants of the City of London, whose Names are hereunto subscribed, with Sentiments full of Duty and Affection to your Majesty's Person and Family, humbly beg Leave to express our most grateful Thanks for that Protection, which, by the Wisdom, Vigilance, and Activity of your Majesty in Council, was so seasonably given to us, at a Time when our Lives, Property, and every Thing dear to us, were in such imminent Danger, from the Violence of the most outrageous Banditti that ever existed.

We are sensible, from your Majesty's tender and paternal Regard for your People, that it has ever been your fixed Determination to make the Law of the Land the Rule of your Government; and have the most lively Sense of your Majesty's Tenderness and Compassion, which have been exercised with such Temper and Moderation, in the Execution of those Laws, at a Time when the Heinousness of the Offences, which had been committed, might have justified the greatest Rigour.

Convinced of the Blessings we enjoy under your Majesty's mild and auspicious Government, we beg Leave to assure your Majesty, that the strictest Attention shall be paid by us to the Laws of our Country; and that we will exert ourselves, on every Occasion, in guarding the Peace of this City against future Disturbances.

St. James's, August 10, 1780.

WHEREAS it has been humbly represented to the King, that, in the Night between the 8th and 9th Days of June last, the Dye-house of Mr. James Lewis Desormeaux, of Pearl-street, Spital-fields, was broke open by some Person or Persons unknown, and a large Quantity of Silk stolen out of the same; and also that, on the 4th Day of August instant, early in the Morning, the Dye-house of Mr. William Beverly, in George-street in the Parish of Bethnal-green, was likewise broke open by some Person or Persons unknown, and about 40lb. of White Silk, 6lb. of Damson-coloured Silk, and 4lb. of Maroon Silk, were stolen thereout: His Majesty, for the better discovering and bringing to Justice the Person or Persons concerned in either of the said Robberies, or who received the said Silk so stolen, or any Part thereof, is hereby pleased to promise His most gracious Pardon to any one of them, who shall discover his or her Accomplice or Accomplices therein, so that he, she, or they, may be apprehended and convicted thereof.

Admiralty-Office, August 12, 1780.

Extract of a Letter from Commodore Johnstone, dated on board His Majesty's Ship Romney, in the Tagus, the 15th of July, 1780, to Mr. Stephens.

HIS Majesty's Ship Romney arrived here on the 8th of July, and brought in with her the Pearle, a French King's Frigate of 18 Guns and 138 Men, commanded by Monf. Le Chevalier de Breignou.

The Romney had before sent in here the Artois, another French Frigate, of 40 Guns and 460 Men. The Artois was taken on the 1st of July off Cape Finisterre, after a sharp well-conducted Action of 45 Minutes, which does Honor both to Captain Home and the Ship's Company under his Command. The Romney had Two Men wounded; the Artois had Twenty killed and Forty wounded. The Pearle was taken on the 6th, off Vigo, after a Chace of Five Hours.

The Artois is by far the finest Frigate I ever saw, carrying Twenty-four, Eighteen, and Nine Pounders: She is quite new, and bigger than the Romney in all her Dimensions, and is furnished with Superabundance of all Kind of Stores. She was fitted out by the Province of Artois, and supplied with Officers and Men by the King of France; and these were in the Receipt of Pay both from the King and the County of Artois. She was commanded by a respectable experienced Officer in the King's Navy, Monf. Le Fabre, who had retired to his Estate, which is considerable; but upon being unanimously recommended by the County to this Command, he had accepted of it, and now served without any Pay or Emolument whatsoever; so that the Eyes of the Publick in France were very much turned upon the Success of this Ship, being upon a new Construction, and a new Kind of Establishment, which was calculated to induce the other Counties to follow the Example of Artois.

apprehended, any or either of the said Offenders, at any Time before the 8th Day of June next, to be paid upon the Conviction of any one or more of them, at the Office of Mess. Phillips and Parnell, Attornies, in Spital-fields, instead of the Rewards heretofore offered by by the said Mr. Desormeaux and Mr. Beverly.
