

The London Gazette.

Published by Authority.

From Tuesday January 2, to Saturday January 6, 1781.

Whitehall, January 6, 1781.

EXTRACT of a Letter from General Hal-
dimand, Governor and Commander in Chief
of His Majesty's Forces in the Province of
Quebec, to Lord George Germain, One of His
Majesty's Principal Secretaries of State; received
by His Majesty's Ship Danae.

Quebec, October 25, 1780.

IHAVE the Honor to acquaint your Lordship,
that I have just received an Express from Major
Carleton, who commands one of the Detachments
mentioned in my Letter to your Lordship of the
17th ultimo.

The Secrecy and Dispatch with which this De-
tachment penetrated, prevented any Opposition of
Consequence on the Part of the Enemy; and on
the 10th and 11th Instant, the Garrisons of Fort Ann
and Fort George surrendered Prisoners of War.

Major Carleton, who has, as well as his Detach-
ment, shewn great Zeal and Activity in this Affair,
having fully answered the Purposes for which he was
sent, is returned to Crown Point, where he is to
remain as long as the Season will permit the Vessels
to navigate the Lake, in order to draw the Atten-
tion of the Enemy.

The Reports, assiduously published upon all Oc-
casions by the Enemy, of Cruelties committed by
the Indians, are notoriously false, and propagated
merely to exasperate the ignorant and deluded Peo-
ple. In this late Instance, Major Carleton informs
me, they behaved with the greatest Moderation,
and did not strip, or in any Respect use ill their
Prisoners.

I inclose, for your Lordship's Information, a List
of the Killed, Wounded, and Prisoners.

A Party of 100 Men and Mohawk Indians crossed
Lake Champlain, with Major Carleton, to co-ope-
rate with Sir John Johnson, who must be, before
this Time, upon the Mohawk River; and another
Party of 200 Canada Indians, with their proper
Officers, under the Command of Lieutenant Hough-
ton of the 53d Regiment, marched at the same
Time towards Connecticut River. They are re-
turned, having brought away 32 Prisoners, without
any Loss, although pursued by a superior Force, of
which it is thought many were killed.

I every Day expect to hear of Sir John Johnson's
Success upon the Mohawk River.

P. S. 2 Nov. I have kept this Letter open in
Hopes to give your Lordship an Account of the
Party which was sent upon the Mohawk River under
the Command of Sir John Johnson. The Enemy,
by Means of Two Oneida Indians who deserted
from Niagara, had received Information of an in-
tended Attack upon the Mohawk River, and had
prepared accordingly; but this did not prevent his
Success, though it occasioned him to meet with great
Opposition. I have just received a Letter from Sir
John, wherein he acquaints me, that he had de-
stroyed the Settlements of Schohary and Stone Ara-
bia, and laid Waste a great Extent of Country. He
had several Engagements with the Enemy, in which
he came off victorious. In one of them, near Stone
Arabia, he killed a Colonel Browne, a notorious
and active Rebel, with about 100 Officers and Men.

The Vessel being under Sail, I have only Time
to inclose the Return of the Killed, Wounded, and
Missing.

I have the Pleasure to acquaint your Lordship,
from Sir John's Letter, that I have great Reason to
hope, that many of the Missing will find their Way
to Oswego or Niagara, as some Indians and Rangers,
well acquainted with the Woods are with them.

I cannot finish without expressing to your Lordship
the perfect Satisfaction which I have from the Zeal,
Spirit and Activity, with which Sir John Johnson
has conducted this arduous Enterprize.
