AT the Court at St. James's, the 10th of May, 1782,

P R E S E N T,

The KING's Most Excellent Majesty in Council.

WH E R E A S His Majesty was pleased, by His Order in Council of the 14th of December last, to order, that the Prohibition at that Time subsisting upon the Exportation, or carrying of Copper Coastwise, should be continued for Six Months, to commence from the 22d Day of December last: And whereas it has been represented to His Majesty at this Board, on Behalf of the several Companies of Copper Smelters within the Kingdom in Great Britain, that the Prohibition of the Export of Sheet Copper, as directed by the said Order, has been very detrimental to the Petitioners and to the Trade of this Kingdom in general: His Majesty taking the same into Consideration, and being ever desirous to remove all Obstructions upon Trade, so far as may be consistent with sound Policy, is hereby pleased, with the Advice of His Privy Council, to permit and allow Copper in Sheets, weighing less than Twelve and more than Forty Ounces to the Foot superficial, to be carried Coastwise or exported to any Parts beyond the Sea, to which the same may be lawfully exported, upon Condition, that all such Copper be inspected and examined by an Agent or Agents appointed or to be appointed by the Commissioners of His Majesty's Navy; and that a Certificate, under the Hand and Seal of the said Agent or Agents shall be first had and obtained, setting forth, that no Part of such Copper consists of Sheets weighing more than Twelve Ounces and less than Forty Ounces inclusive to the Foot superficial; which Certificate from the said Agent shall be delivered to the proper Officers of the Customs at the Port in which the said Copper is intended to be shipped, and shall be their Authority for allowing the Quantity of Copper specified in the said Certificate to be put on Board, in order to be carried Coastwise or exported: And His Majesty is hereby further pleased to permit and allow the Exportation as aforesaid of Copper in Sheets weighing more than Twelve Ounces and less than Forty Ounces inclusive to the Foot superficial; provided that the same shall consist of Pieces not exceeding Four Pounds Weight in any one Piece; and that a

Certificate thereof be obtained in Manner above directed, before such Copper be laden or put on Board; and also to permit the carrying Coastwise of Copper in Sheets weighing more than Twelve Ounces and less than Forty Ounces inclusive to the Foot superficial; upon Condition that no more than Five Hundred Weight of such Copper shall be shipped by any one Person or Partnership, and that the Quantity put on Board any one Ship or Vessel shall not exceed Ten Hundred Weight in the Whole, unless Security by Bond hath first been given to the proper Officers of His Majesty's Customs, in Treble the Value of such Copper, to carry the same to the Places proposed, and none other; and to produce and deliver a Certificate or Certificates, within Two Months from the Date of the Bond, from the proper Officers of the Customs at the Ports for which any such Copper shall be entered and cleared out, of the same having been all duly landed at such Ports; which Certificate or Certificates such Officer is hereby required to give; and the same Certificate or Certificates the Commissioners of the Customs are hereby required to transmit to the Lords Commissioners of His Majesty's Treasury, in order to be laid before this Board. And the Lords Commissioners of His Majesty's Treasury, the Commissioners for executing the Office of Lord High Admiral of Great Britain, and the Lord Warden of the Cinque Ports, are to give the necessary Directions herein, as to them may respectively appertain.
