East-India House, October 24, 1782.

THE Court of Directors of the United Company of Merchants of England trading to the East-Indies do hereby give Notice,

That a General Court of the said Company will be held at their House in Leadenhall street, on Thursday next, the 31<sup>st</sup> Instant, from Eleven o'Clock in the Forenoon until Six in the Evening, for the Determination, by Ballot, of the following Question, viz.

That it appears to this Court from incontestible Evidence, drawn from the Records of the Company, and supported by the unanimous Opinion of the House of Commons, that the War in which we are now engaged with the Mahrattas, was evidently founded on the Sentiments of the Court of Directors, conveying Demands on the Mahratta Administration, greatly exceeding the Conditions of the Treaty of Poorunder, which Sentiments of the Court of Directors opened the first Design of sending a Detachment from Bengal to the Malabar Coast; and that consequently it would be the Height of Injustice to lay the Blame of that War, or the Evils which have flowed from it, upon Mr. Hastings; when it appears, That the Dissatisfaction of the Court of Directors, expressed at the Treaty of Poorunder, in their Letters to Bengal of the 5<sup>th</sup> of February, and to Bombay of the 16<sup>th</sup> of April, 1777, gave the strongest Encouragement to both Presidencies to seize the slightest Pretence of Provocation from the Ministers of the Mahratta States, to renew their Engagements with Ragoba; neither have the Measures adopted by Mr. Hastings, in Consequence of such Instructions, ever received the slightest Censure from the said Court of Directors. In Consideration whereof, it is now recommended to the Court of Directors to rescind their late Resolution respecting the Removal of Warren Hastings, Esq; Governor-General of Bengal, more especially as it appears to this Court, that according to the last official Dispatches from Bengal, dated the 8<sup>th</sup> of April, 1782, the Prospect of Peace with the Mahrattas was then propitious, because it seemed to be wished for by all the Mahratta States, because Hostilities with them had ceased for many Months, and that a Peace had actually been concluded with Mahdajee Scindia, one of the principal Chiefs of that Confederacy; and, further, that the Government-General of Bengal were using every Means in their Power to effect a general Pacification; and that the Conduct of the said Government-General, tending to produce a general Pacification, or to unite and support, by powerful Resources, a general Confederacy of the Country Powers to defeat the Combination of Hyder Ally and the French, (sup-

posing the said Hyder Ally shall not accept of the reasonable Terms of Accommodation, which have been offered to him in Consequence of his Proposals for Peace,) merits the warmest Approbation of this Court; and that therefore it would be evidently injurious to the Interests of the Company, and the Nation, to remove any of those principal Servants of the Company, now discharging their Duty with such uncommon Exertions, Ability, and Unanimity, or to shake the Authority reposed in them by the Legislature and the Company, at a Period so critical, when the Prosperity of the British Interests in India will depend, in a great Measure, on the Confidence which the native Princes of the Country may place in the Government-General of Bengal.
