Whitehall, November 29, 1783.

WHEREAS it has been humbly represented to the King, that an Incendiary Letter, of which the following is a Copy, was left by the Penny Post at the House of Laurence Cox, Esq; addressed as follows, To — Cox, Esq; M. P. Pallace Yard Westminster

Nemo Me impune Iacessit

Squire Cox

I am a Proprietor of India Stock and so is my eldest Son, it is our whole dependance and that of a numerous Family, and We are therefore determined with our all to lose our Lives — I hear it will all depend upon the house of Commons and I understand there are some Members so wicked as to buy their Seats only to make a property of it by robbing their Country and all mankind, and that these are to Vote to Rob us Proprietors, it is re-

ported that you are not only one of the most corrupted among all the Members but are in very high Spirits about our Plunder — Now this is to warn you that as your haunts are known you will be watched and if you are seen to visit a certain great Man (as you are known to be very great there) before the India Business is settled, or if you are found any ways active in Robbing Us you may depend upon it that it will be endeavoured to Cutt you off at least from doing us any harm — what is life worth when we have lost our Property — from a determined Man
