The new Regulations of his Imperial Majesty, respecting the interior Government of the Kingdom of Hungary, have been published in the Gazette of this City.

Instead of the Fifty-six Counties, into which that Kingdom, and its dependent Provinces, were hitherto divided, Ten Circles are now formed, and committed to the Charge of the following Hungarian Gentlemen, with the Titles of Counsellors and Royal Commissioners.

Le Comte Giory,	Le Comte de Teleky,
Le Baron Mailath,	Le Baron Pronay,
Le Baron d'Urmeny,	Le Baron Reva,

The Supreme Courts retain their former Titles, and the Privileges which belong to their Order, at a General Diet of the Nation, but their Jurisdiction in their respective Counties is entirely suppressed.

Royal Patent Forte Piano Guitars.

MESS. Clauss and Co. the original and only Inventors and Patentees of the inimitable and beautiful new-invented Forte Piano Guitar, which, for Richness and Strength of Tone, Facility of Execution, and Delicacy of Expression, may be justly said even to rival the Piano Forte itself, return Thanks to the Nobility, Gentry, and the Public in General, for the generous Patronage they have experienced. The universal Approbation with which this Instrument has been favoured,

having induced some Persons to attempt imposing a spurious and wretched Imitation for Sale, with Intent to injure the Patentees, and to defraud the Purchasers, the Public are requested to observe, that the Patent Instrument is distinguished from all others, by being stamped on the Front with His Majesty's Arms, surrounded with the Words Clauss and Co. Inventors, London; Patent Instrument; and also stamped below the Bridge with the Address of the Patentees, No. 7, Gerard-street, Soho, where they are to be had, and where may also be had several Pieces of New Music adapted to this Instrument. They have also some excellent Forte Pianos to dispose of, which they doubt not will be found equal to any that can be purchased in London, and at as reasonable Prices. Orders from the East and West Indies, America, and every Part of Europe, as well as in Great Britain and Ireland, addressed as above, are executed with all possible Punctuality and Dispatch.

§§§ It having been maliciously reported that the Patent Internal Improvements are liable to speedy Disorder; the Patentees hereby warrant their Wear for Twenty Years.
