

## SCHOOL OF PHYSIC IN IRELAND.

**W**HEREAS by an Act of Parliament passed in Ireland this Session, intituled, "An Act for establishing a complete School of Physic in this Kingdom," it is enacted, That several Professorships shall be established, namely, a Professorship of the Institutes of Medicine, a Professorship of the Practice of Medicine, and a Professorship of the Materia Medica, Pharmacy and Natural History, and that the Three Professors of the said several Branches shall be called **THE KING'S PROFESSORS IN THE CITY OF DUBLIN, ON THE FOUNDATION OF SIR PATRICK DUNN:** And also that Three Lectureships, long since established in the University of this Kingdom, for the teaching of Anatomy and Surgery, Chemistry and Botany, shall be University Professorships in the said several Branches respectively; and that the said several Professorships shall have perpetual Continuance.

And whereas the said Act of Parliament required that, previous to every Election, unless when it should be thought proper to continue the same Professors, Three Months Notice should be given in the Dublin and London Gazettes; and whereas such Notice hath not been given: Now Notice is hereby given, that the Election of King's Professors in the City of Dublin on the Foundation of Sir PATRICK DUNN, will be held at the House of the Provost of Trinity College, Dublin, on Tuesday the 21st of March, 1786, after such Examination as the Electors may require, which will begin at the Hour of Ten o'Clock in the Morning of the said Day.

The following Emoluments and Advantages attend these Professorships.

Each Professor will receive the yearly Sum of One Hundred Pounds, (to commence at the Time of his Election,) and also may charge reasonable Fees, to be paid by all such Persons as attend the respective Lectures; the said Fees to be paid on Admission, and to be, from Time to Time, regulated by the King and Queen's College of Physicians in Ireland.

The Lectures of each Professor are to commence on the First Monday in November, and to continue until the End of April, and are to be given Four Days in the Week (at least) in Trinity College, Dublin. They are also to be delivered in the English Language, unless it be otherwise ordered by the President and Fellows of the said College of Physicians. Clinical Lectures will be established, and every Assistance and Encouragement given for the Success and Advancement of Medical Instruction in the said School of Physic.

The Professorships are open to Protestants of all Nations, provided they have taken Medical Degrees. Each Professorship will become vacant at the End of Seven Years from the Date of the Election; but at the Expiration of the said Seventh Year, the same Professor may be again elected. The Electors are bound to the strictest Impartiality, by an Oath required by the said Act, to be taken by every Elector previous to the Election.

It is desired that all Persons, intending to offer themselves as Candidates for any of the said Professorships, do, within Two Months from the Date hereof, send their Names, and also an Account of the Places of their Education, of the Universities in which they have taken their Medical Degrees, and of the Places in which they have practised, to the Rev. Henry Dabzac, D. D. Trinity College, and to Stephen Dickson, Esq; M. D. Peter-street, Dublin, who will give any further Information on the Subject that may be necessary.
