AS several Artificers and Manufacturers, Subjects of Great Britain, have from Time to Time gone into Foreign Countries to exercise their several Callings, contrary to the Laws of these Kingdoms; the following Abstracts of Acts of Parliament of their late Majesties, King George the First and Second, and of His present Majesty, for preventing such Practices, are published for the Information of all Persons who may be ignorant of the Penalties they may incur by Disobedience to them.—And it will be observed, that such Penalties likewise extend to those who are any ways concerned or instrumental in the Sending or Enticing Artificers or Manufacturers out of these Kingdoms, or in the Exportation of the Tools and Instruments used by them, as well as to the Artificers or Manufacturers themselves.

Statute 5. George I. Chap. 27.

IF any Person shall contract with, entice, or solicit, any Artificer in Wool, Iron, Steel, Brass, or other Metal, Clock-maker, Watch-maker, or any other Artificer of Great Britain, to go into Foreign Countries, out of the King's Dominions, and shall be convicted thereof upon Indictment or Information, in any of the Courts at Westminster, or at the Assizes or Quarter-Sessions, he shall be fined any Sum not exceeding ONE HUNDRED POUNDS for the first Offence, and shall be imprisoned Three Months, and till the Fine be paid. And if any Person having been once convicted, shall offend again, he shall be fined at the Discretion of the Court, and imprisoned Twelve Months, and till the Fine be paid.

If any of the King's Subjects, being such Artificers, shall go into any Country out of His Majesty's Dominions, to exercise or teach the said Trades to Foreigners; and if any of the King's Subjects in any such Foreign Country, exercising any of the said Trades, shall not return into this Realm within Six Months after Warning given by the Ambassador, Minister or Consul of Great Britain, in the Country where such Artificers shall be, or by any Person authorised by such Ambassador, &c. or by one of the Secretaries of State, and from henceforth inhabit within this Realm; such Persons

Upon Complaint made upon Oath before any Justice of Peace that any Person is endeavouring to seduce any such Artificer, or that any such Artificer hath contracted, or is preparing to go out of His Majesty's Dominions, for the Purposes aforesaid; such Justice may send his Warrant to bring the Person complained of before him, or before some other Justice; and if it shall appear by the Oath of one Witness, or by Confession, that he was guilty of any of the said Offences, such Justice may bind him to appear at the next Assizes or Quarter Sessions: And if such Person shall refuse to give Security, the Justice may commit him to Goal till the next Assizes or Quarter Sessions, and until he shall be delivered by due Course of Law. And if any such Artificer shall be convicted upon Indictment of any such Promise, Contract, or Preparation to go beyond the Seas for the Purpose aforesaid, he shall give such Security to the King, not to depart out of His Majesty's Dominions, as such Court shall think reasonable, and shall be imprisoned till Security given.

If any of the above Offences shall be committed in Scotland, the same shall be prosecuted in the Court of Justiciary, or the Circuits there.

Dresden, December 20.

Losses by Fire having been very frequent in this Country, and the Sufferers hitherto indemnified in Part out of the Public Revenues, a new Regulation is enacted, to take Place from the 1st of January next, by which every Proprietor of a House throughout this Electorate is to enter it in a public Register, at a Valuation fixed by himself. The Losses by Fire are to be computed every Six Months, and an equivalent Sum collected from the Whole of the Proprietors, in Proportion to their Property as registered, which is to be applied to the individual Sufferers, according to the Valuation contained in the Register. This Rule will naturally induce the Proprietors to deliver in a fair Valuation of their Property.
