AT the Court at *St. James's*, the 1st of *April*,
1790,
P R E S E N T,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act made in the Twenty-third Year of the Reign of His present Majesty, intituled, "An Act for preventing certain Instruments from being required from Ships belonging to the United States of America; and to give to His Majesty, for a limited Time, certain Powers for the better carrying on Trade and Commerce between the Subjects of His Majesty's Dominions and the Inhabitants of the said United States;" which said Act has been continued by several subsequent Acts until the Fifth Day of April, 1790. And whereas by an Act made in the Twenty-fourth Year of His present Majesty's Reign, intituled, "An Act to extend the Powers of an Act, made in the Twenty-third Year of His present Majesty, for giving His Majesty certain Powers for the better carrying on Trade and Commerce between the Subjects of His Majesty's Dominions and the Inhabitants of the United States of America, to the Trade and Commerce of this Kingdom with the British Colonies and Plantations in America, with Respect to certain Articles therein mentioned," the Powers given by the said recited Act were extended to the Trade and Intercourse between this Kingdom and the British Colonies and Plantations in America, so far as the same might relate to Iron, Hemp and Sailcloth, and other Articles of the Produce of any Place bordering on the Baltic, which might be exported from this Kingdom; which last mentioned Act has also by several subsequent Acts been continued until the said 5th Day of April, 1790.

And whereas by another Act passed in this present Session of Parliament, intituled, "An Act to continue the Laws now in Force for regulating the Trade between the Subjects of His Majesty's Dominions

and the Inhabitants of the Territories belonging to the United States of America, so far as the same relate to the Trade and Commerce carried on between this Kingdom and the Inhabitants of the Countries belonging to the said United States;" it is declared to be expedient that the said Act of the Twenty-third Year of His present Majesty's Reign, so far only as the same extends to the Trade and Commerce carried on between this Kingdom and the People and Territories belonging to the United States of America; and also that the said Act of the Twenty-fourth Year of His Majesty's Reign should be further continued and be in Force; and it is thereby enacted, That the said Acts shall continue and be in Force until the 5th Day of April, 1791; His Majesty doth thereupon, by and with the Advice of His Privy Council, hereby enact and declare, That any Unmanufactured Goods and Merchandizes, the Importation of which into this Kingdom is not prohibited by Law, (except Fish, Oil, Blubber, Whale-Fins and Spermaceti;) and any Pig Iron, Bar Iron, Pitch, Tar, Turpentine, Rosin, Pot-Ash, Pearl Ash, Indico, Masts, Yards and Bowsprits, being the Growth or Production of any of the Territories of the United States of America, and no other Goods or Merchandize, may (until further Order) be imported directly from thence into any of the Ports of this Kingdom, either in British-built Ships, owned by His Majesty's Subjects, and navigated according to Law, or in Ships built in the Countries belonging to the United States of America, or any of them, and owned by the Subjects of the said United States, or any of them, and whereof the Master and Three-fourths of the Mariners at least are Subjects of the said United States, or any of them; and may be entered and landed in any Port of this Kingdom, upon Payment of the same Duties as the like Sorts of Goods or Merchandize are or may be subject and liable to if imported in British-built Ships, owned by His Majesty's Subjects, and navigated according to Law, from

from any British Island or Plantation in America, notwithstanding such Goods or Merchandize, or the Ships in which the same may be brought, may not be accompanied with the Certificates or other Documents heretofore required by Law. And it is hereby further ordered, that there shall be the same Drawbacks and Bounties on Merchandizes and Goods exported from Great Britain into the Territories of the said United States of America, or any of them, as are or may hereafter be allowed by Law, upon the Exportation of the like Goods or Merchandize to any of the Islands, Plantations, or Colonies, belonging to the Crown of Great Britain in America; and that (until further Order) there shall be allowed and paid the same Drawbacks on the Exportation of any Sort of Foreign Hemp or Foreign Iron exported from Great Britain into any British Colony or Plantation in America, or into the Territories of the United States of America, or any of them, as are or may hereafter be allowed by Law upon the Exportation of the like Sort of Hemp or Iron, and under the same Rules, Regulations, Restrictions, Penalties and Forfeitures in all Respects, as such Drawbacks are allowed and paid, or are subject and liable to by Law, upon the Exportation of such Hemp and Iron into other Foreign Parts.

And His Majesty is hereby further pleased to order, That any Tobacco, being the Growth or Production of any of the Territories of the said United States of America, may (until further Order) be imported, in Manner before-mentioned, upon Payment of the same Duties as Tobacco imported by British Subjects from any British Colony or Plantation is or may hereafter be subject to; but under and subject nevertheless to all and singular the Regulations of an Act made and passed in the Twentieth Year of the Reign of His present Majesty, intituled, "An Act for repealing the Duties on Tobacco and Snuff, and for granting new Duties in Lieu thereof."

And His Majesty is further pleased to order, That any Rice, being the Growth or Production of any of the Territories of the United States of America, which shall be imported directly from thence into any of the Ports of this Kingdom, in Manner above-mentioned, may, upon the Importer paying down, in ready Money, the Duty of Eight-pence the Hundred Weight, being Part of the Duties now payable on the Importation of Rice, be landed and warehoused (except as hereinafter excepted) under His Majesty's Locks, in such Warehouses as shall be approved of for that Purpose by the Commissioners of His Majesty's Customs, or any Four or more of them, upon the Importer's own Bond for Payment of the Remainder of the Duties due and payable for such Rice, within Eighteen Months, according to the net Weight and Quantity of such Rice at the Time it shall be so landed: But it is His Majesty's Pleasure nevertheless, that upon the Importation of any such Rice into the Ports of London, Bristol, Portsmouth, Cowes, Liverpool, Lancaster, Falmouth, Poole, Whitehaven, Hull, Greenock, and Port Glasgow, or either of them, in the Manner herein before expressed, the Importer shall be at Liberty, (until further Order) to enter and land the same without Payment of any Duty whatever; in which Case such Rice shall be warehoused under the joint Locks of His Majesty and the Proprietors, in such Warehouse or Warehouses as shall be approved for that Purpose, by the Commissioners of His Majesty's Customs, or any Four or more of them; every Expence attending which warehousing shall be borne by the said Pro-

prietors, and that such Proprietor or Proprietors, or his or their known Agent, shall from Time to Time, at all reasonable Hours, as Occasion may require, have free Access to such Warehouses, in the Presence of some proper Officer of the Customs, for the Purpose of skreening and shifting the Rice, to prevent its receiving Damage. And that if any Rice which shall be so imported from the Territories of the said United States into any of the Ports above-mentioned respectively, and warehoused as aforesaid, shall be taken out of the Warehouses wherein the same shall be secured, under the joint Locks of His Majesty and the Proprietors as aforesaid, for Home Consumption, the full Duties due and payable upon the Importation of such Rice into this Kingdom for Home Consumption, shall, previously to its being taken out of such Warehouses, be paid to the Collector of His Majesty's Customs at the Ports where such Rice shall be so warehoused; but that such Proprietor, if he intends to export such Rice, shall have Liberty to export the same from such Warehouses respectively, under the usual Regulations, without Payment of any Duty whatever; and that if any Rice which shall have been imported into any Port of this Kingdom, not herein before specially named, and shall have been warehoused upon the Importer's Bond in Manner aforesaid, shall, within the Time herein before mentioned, be taken out of the Warehouse wherein it shall have been so secured, to be exported directly from thence, the Bond entered into for the Payment of the said Duties thereon shall be discharged in like Manner as Bonds entered into for the Duties upon Tobacco, are directed to be discharged by any Act of Parliament in Force.

And the Right Honorable the Lords Commissioners of His Majesty's Treasury, and the Lords Commissioners of the Admiralty, are to give the necessary Directions herein as to them may respectively appertain.

A further and singular Proof of the superior and unequalled Efficacy of the

ORIENTAL VEGETABLE CORDIAL.

Extract of a Letter from Northampton, Oct. 1, 1789.

"MRS. BRAY, of Northampton, had a Cough upon her almost Seven Years, which was attended with a Swelling in her Stomach, Shortness of Breath; a violent Pain in her Side, and Loss of Appetite. The Cough was so violent sometimes, that the Blood gushed out of her Nose, particularly when first lying down in her Bed, where she usually coughed for Three or Four Hours together without Intermission: This reduced her to so emaciated a State, that she could hardly go up Stairs without Help, the Truth of which many Persons can testify. By taking only Four large Bottles of the Cordial, she is happily restored to perfect Health."

NOTE.

The singular Effects of this Cordial in the Course of Seven Years since its Introduction into these Kingdoms have been progressively beneficial, and are now become univerally so; it is the most pleasant and safe Stomachic ever produced, is taken by Numbers of the Nobility and Persons of all Ranks in Life, from Infancy to old Age.

In Bilious Disorders, violent Pain or Spasm of the Stomach or Bowels, Sickness, Vomiting, Flatulence, Crudities and Acidity, Faintings, Lowness of Spirits, Hysterical Affections, and in Rheumatic and Gouty Complaints. Recently it has been found effectual in the most dangerous Cough, relieving the Patient from a Life of Misery and Wretchedness, occasioned by a Debility of the digestive Organs.

It is sold by the Patentee B. Cornwell, No. 13, Conduit-street, Hanover-square, London, in Bottles of 10s. 6s. and 5s. each, or the Quantity of Six 5s. Bottles in one, for 1l. 3s. 3d. with a Treatise, illustrated with a Variety of interesting and important Cases, generously communicated by those Patients who have happily experienced its unequalled Utility.

N. B. All positive Orders for Exportation, or from Merchants or Country Dealers, will be faithfully executed with the usual Allowances.

THE Creditors who have proved their Debts under a Commission of Bankrupt awarded and issued forth against Catherine Weldon, and Weldon Gaudern, of Duddington, in the County of Northampton, Linen-manufacturers and Partners (carrying on Trade under the Firm of C. Weldon, Gaudern and Weldon) are desired to meet the Assignees of the said Bankrupt's Estate and Effects on the 19th Day of April instant, at Eleven o'Clock in the Forenoon, at the City Coffee-house, in Cheap-side, London, to assent to or dissent from the said Assignees commencing, prosecuting or defending any Suit or Suits at Law or in Equity or otherwise concerning the said Bankrupt's Estate and Effects; or to the compounding, submitting to Arbitration, or otherwise agreeing any Matter or Thing relating thereto; and on other special Affairs.

THE Creditors who have proved their Debts under a Commission of Bankrupt awarded and issued forth against Robert Brooke, late of New North-street, near Red-Lion Square, in the County of Middlesex, Wine-merchant, dated the 9th Day of January, 1777, are particularly desired to meet the Assignees of the Estate and Effects of the said Bankrupt on the 14th Day of April instant, at Twelve o'Clock at Noon precisely, at Guildhall Coffee-house, King-street, London, in order to determine whether it will be for the Interest of the Bankrupt's Creditors that his Assignees should claim a Performance of a Covenant in an Indenture of Release executed by the Bankrupt to his Sister Ann Brooke, deceased, in the Year 1776, of certain Lands at Margate in the County of Kent, whereby it was stipulated that the Bankrupt should be at Liberty, if he thought fit, to repurchase about Seven Acres of the said Lands, for the Purpose of building thereon, at a Price therein mentioned, and what Steps are proper to be taken by the Assignees respecting the same. A Part of the said Seven Acres Mr. Brooke has lately entered into Contracts with Builders for (as a Sale) at a Price amounting to 600l. and upwards, in consequence of which many Buildings are now erecting thereon, and there seems no Doubt but that the Rest of the Ground may be sold to equal Advantage, so as to produce a very considerable Sum of Money. The Assignees therefore wish to take the Sense of the Creditors at large on this Matter, in which they conceive their Interest much concerned.
