

Government, and in Zeal for the Glory and Prosperity of our Country, we beheld with the greatest Satisfaction those Efforts made which were necessary to set the Nation above the Insults of any Power which might attempt to give Laws, or prescribe Limits to the just Exercise of it's Navigation and Commerce.

To your Majesty's paternal Care for the Welfare of your Subjects, to the Wisdom and Firmness of your Majesty's Councils, and to the vigorous Exertions for calling into Effect the National Force, we attribute, under the Divine Providence, the Continuance of the Blessings of Peace, at the same Time that the Honor of your Majesty's Crown is vindicated, and the Trade of your Subjects secured and extended.

May your Majesty graciously accept this Tribute of our Gratitude for the innumerable Advantages we enjoy under your auspicious Reign: May it long continue; and may your Majesty's Subjects make it their constant Study and Endeavour, by every Instance of Zeal, Allegiance and Fidelity, to render it prosperous and happy.

[*Delivered by the Right Honourable the Marquis of Worcester and the Right Honourable Lord Sheffield, Representatives in Parliament for that City.*]

To the KING's Most Excellent Majesty,
The humble Address of the Provost, Magistrates and Town Council of Dundee.

Most Gracious Sovereign,

SENSIBLE of the great Importance of Peace to a commercial Country, we your Majesty's loyal and dutiful Subjects beg Leave to approach the Royal Presence with Hearts filled with Gratitude at the pleasing Prospect of the Continuance of that inestimable Blessing.

While we rejoice in the View of Peace, and the Advantages which must necessarily result from it, we at the same Time feel the National Spirit highly gratified, that this Peace has not been patched up on Terms degrading to Britons, obtained by no Sacrifice of the Glory of the Empire or Dignity of the State, but by the vigorous and spirited Exertions of a British King and British Councils, to which alone we owe the present ample Vindication and future Security of our disputed public Rights, and the Redress of the private Injuries sustained by our Fellow-Subjects.

Permit us, Sire, to express our humble yet warmest Wishes, that your Majesty may long reign over a free and a happy People, and continue to a grateful Nation the Blessings of a mild, enlightened and spirited Government.

By Appointment and in Presence of Council,
Ja. Johnston, Provost.
