AT the Court at St. James's, the 1st of April
1791;

P R E S E N T,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act made in the Twenty-third Year of the Reign of His present Majesty, intituled, "An Act for preventing certain Instruments from being required from Ships belonging to the United States of America; and to give to His Majesty, for a limited Time, certain Powers for the better carrying on Trade and Commerce between the Subjects of His Majesty's Dominions and the Inhabitants of the said United States;" which said Act has been continued by several subsequent Acts until the Fifth Day of April, 1791. And whereas by an Act made in the Twenty-fourth Year of His present Majesty's Reign, intituled, "An Act to extend the Powers of an Act, made in the Twenty-third Year of the Reign of His present Majesty, for giving His Majesty certain Powers for the better carrying on Trade and Commerce between the Subjects of His Majesty's Dominions and the Inhabitants of the United States of America, to the Trade and Commerce of this Kingdom with the British Colonies and Plantations in America, with Respect to certain Articles therein mentioned," the Powers given by the said recited Act were extended to the Trade and Intercourse between this Kingdom and the British Colonies and Plantations in America, so far as the same might relate to Iron, Hemp and Sailcloth, and other Articles of the Produce of any Place bordering on the Baltic, which might be exported from this Kingdom; which last mentioned Act has also by several subsequent Acts been continued until the said 5th Day of April, 1791.

And whereas by another Act passed in this present Session of Parliament, intituled, "An Act to continue the Laws now in Force for regulating the Trade between the Subjects of His Majesty's Dominions, and the Inhabitants of the Territories belonging to the United States of America, so far as the same relate to the Trade and Commerce carried on between this Kingdom and the Inhabitants of the Countries belonging to the said United States," it is declared to be expedient, that the said Act of the Twenty-third Year of His present Majesty's Reign, so far only as the same extends to the Trade and Commerce carried on between this Kingdom and the People and Territories belonging to the United States of America, and also that the said Act of the Twenty-fourth Year of His Majesty's Reign, should be further continued and be in Force; and it is thereby enacted, that the said Acts shall continue and be in Force until the 5th Day of

April, 1792; His Majesty doth thereupon, by and with the Advice of His Privy Council, hereby order and declare, That any Unmanufactured Goods and Merchandizes, the Importation of which into this Kingdom is not prohibited by Law (except Tobacco, for which Provision is herein after made, and except Oil made from Fish, or Creatures living in the Sea, and Blubber, Whale-Fins and Spermaceti;) and any Pig Iron, Bar Iron, Pitch, Tar, Turpentine, Rosin, Pot-Ash, Pearl-Ash, Indigo, Masts, Yards and Bowsprits, being the Growth or Production of any of the Territories of the United States of America, may be imported directly from thence into any of the Ports of this Kingdom, either in British-built Ships, owned by His Majesty's Subjects, and navigated according to Law, or in Ships built in the Countries belonging to the United States of America, or any of them, and owned by the Subjects of the said United States, or any of them, and whereof the Master and Three-fourths of the Mariners at least are Subjects of the said United States, or any of them; and may be entered and landed in any Port of this Kingdom, upon Payment of such Duties as the like Sorts of Goods or Merchandize are or may be subject and liable to if imported in British-built Ships, owned by His Majesty's Subjects, and navigated according to Law, from any British Island or Plantation in America, notwithstanding such Goods or Merchandize, or the Ships in which the same may be brought, may not be accompanied with the Certificates or other Documents heretofore required by Law.

And it is further ordered, that all other Goods and Merchandize not herein before enumerated or described, the Importation of which into this Kingdom is not prohibited by Law, (except Snuff, for which Provision is herein after made) and also Oil made from Fish or Creatures living in the Sea, and Blubber, Whale-Fins and Spermaceti, being the Growth, Production or Manufacture of any of the Territories of the said United States of America, may be imported from thence into this Kingdom in British or American Ships, owned and navigated as herein before required, upon Payment of such Duties of Customs and Excise as are payable on the like Goods or Merchandize upon their Importation into this Kingdom from Countries not under the Dominion of His Majesty, according to the Schedule and Tables, marked A. D. and F. annexed to an Act, passed in the Twenty-seventh Year of His present Majesty's Reign, intituled, "An Act for repealing the several Duties of Customs and Excise, and granting other Duties in Lieu thereof, and for applying the said Duties together with the other Duties composing the Public Revenue; for permitting the Importation of certain Goods, Wares

D. and F.; and in Cases where different Duties are imposed upon the like Goods imported from different Countries not under the Dominion of His Majesty, then that such Goods shall be imported upon the lowest Duties which by the said Schedule and Tables, marked A. D. and F. are required to be paid on the Importation of any such Goods from any European Country not under the Dominion of His Majesty.

And His Majesty is hereby further pleased to order, that all such Goods and Merchandize shall be intitled to the same Drawbacks as are allowed upon the Exportation of the like Goods and Merchandize when exported from this Kingdom, according to the said Schedule and Table, marked A. D. and F. annexed to the before mentioned Act, passed in the Twenty-seventh Year of His present Majesty's Reign, or according to any other Law in Force, passed subsequent to the said Act touching Drawbacks. And it is hereby further ordered, that there shall be allowed and paid the same Drawbacks and Bounties on Goods and Merchandize exported from this Kingdom to the Territories of the said United States, or any of them, as are or may hereafter be allowed by Law upon the Exportation of the like Goods or Merchandize to any of the Islands, Plantations, or Colonies, belonging to the Crown of Great Britain in America. And His Majesty is hereby further pleased to order, that any Tobacco, being the Growth or Production of any of the Territories of the said United States of America, may be imported in British or American Ships, owned and navigated as herein

before required; upon Payment of the same Duties as Tobacco imported by British Subjects from any British Colony or Plantation, is or may hereafter be subject to; and that any Snuff, being the Production or Manufacture of any of the said Territories, may be imported in Manner before-mentioned, upon Payment of such Duties as Snuff, being the Production or Manufacture of Europe, imported from Europe, is or hereafter may be subject to, and may be warehoused and again exported, subject respectively nevertheless to all and singular the Regulations of an Act made and passed in the Twentieth Year of the Reign of His present Majesty, intituled, “ An Act for repealing the Duties on Tobacco and Snuff, and for granting new Duties in Lieu thereof:” And another Act passed in the Thirtieth Year of His present Majesty's Reign, intituled, “ An Act to explain and amend an Act made in the last Session of Parliament, intituled, ‘ An Act for repealing the Duties on Tobacco and Snuff, and for granting new Duties in Lieu thereof.’”
