By the KING,  
A PROCLAMATION,  
*For granting the Distribution of Prizes during the  
present Hostilities.*

GEORGE R.

**W**HEREAS, by Our Order in Council dated the Eleventh Day of February last, We have ordered that General Reprizals be granted against the Ships, Goods, and Subjects of France, so that as well Our Fleets and Ships, as also all other Ships and Vessels that shall be commissioned by Letters of Marque, or General Reprizals, or otherwise, by Our Commissioners for executing Our Office of Lord High Admiral of Great Britain, shall and may lawfully seize all Ships, Vessels, and Goods belonging to France, or any Persons being Subjects of France, or inhabiting within any of the Territories of France, and bring the same to Judgement in any of Our Courts of Admiralty within Our Dominions: We, being desirous to give due Encouragement to all Our faithful Subjects who shall lawfully seize the same, and having declared in Council, by Our Order of the Eighth of March last, Our Intentions concerning the Distribution of all Manner of Captures, Seizures, Prizes, and Reprizals of all Ships and Goods, during the present Hostilities, do now make known to all Our loving Subjects, and all others whom it may concern, by this Our Proclamation, by and with the Advice of Our Privy Council, that Our Will and Pleasure is, That the Neat Produce of all Prizes taken, the Right whereof is inherent in Us, and Our Crown, be given to the Takers, (save and except the Produce of such Prizes as are or shall be taken by Ships or Vessels belonging to Our Commissioners of Customs or Excise, the Disposition of which We

reserve to Our further Pleasure) but subject to the Payment of all such or the like Customs and Duties as the same are now, or would have been liable to, if the same were or might have been imported as Merchandize: And that the same may be so given in the Proportion and Manner herein-after set forth; that is to say, That all Prizes taken by Ships and Vessels having Commissions of Letters of Marque and Reprizals, (save and except such Prizes as are or shall be taken by the Ships or Vessels belonging to Our Commissioners aforesaid) may be sold and disposed of by the Merchants, Owners, Fitters, and others, to whom such Letters of Marque and Reprizals are granted, for their own Use and Benefit, after final Adjudication, and not before. And We do hereby further order and direct, that the Neat Produce of all Prizes, which are or shall be taken by any of Our Ships or Vessels of War, shall be for the entire Benefit and Encouragement of Our Flag Officers, Captains, Commanders, and other Commissioned Officers in Our Pay, and of the Seamen, Marines, and Soldiers on Board Our said Ships and Vessels at the Time of the Capture; and that such Prizes may be lawfully sold and disposed of by them and their Agents, after the same shall have been to Us finally adjudged lawful Prize, and not otherwise. The Distribution shall be made as follows; the Whole of the Neat Produce being first divided into Eight equal Parts:

The Captain or Captains of any of Our said Ships or Vessels of War, who shall be actually on Board at the Taking of any Prize, shall have Three Eighth Parts; but in case any such Prize shall be taken by any of Our Ships or Vessels of War, under the Command of a Flag or Flags, the Flag Officer or Officers, being actually on Board

[ Price One Shilling. ]

Board, or directing and assisting in the Capture, shall have One of the said Three Eighth Parts; the said One Eighth Part to be paid to such Flag or Flag Officers in such Proportions, and subject to such Regulations, as are herein-after mentioned :

The Captains of Marines and Land Forces, Sea Lieutenants, and Master on Board, shall have One Eighth Part, to be equally divided amongst them : But that every Physician appointed, or hereafter to be appointed, to a Fleet or Squadron of Our Ships of War, shall, in the Distribution of Prizes which shall hereafter be taken by the Ships in which he shall serve, or in which such Ship's Company shall be intitled to share, be classed with the Sea Lieutenants with respect to the said One Eighth Part, and be allowed to share equally with them ; provided such Physician be actually on Board at the Time of Taking such Prizes :

The Lieutenants and Quarter-Masters of Marines, and Lieutenants, Ensigns and Quarter-Masters of Land Forces, Secretaries of Admirals or of Commodores, with Captains under them, Boat-swains, Gunners, Purser, Captain, Master's Mates, Chirurgeon, Pilot, and Chaplain on Board, shall have One Eighth Part, to be equally divided amongst them :

The Midshipmen, Captain's Clerk, Master Sailmaker, Carpenter's Mates, Boatswain's Mates, Gunner's Mates, Master at Arms, Corporals, Yeomen of the Sheets, Coxswain, Quarter-Masters, Quarter-Masters Mates, Chirurgeon's Mates, Yeoman of the Powder Room, Serjeants of Marines, and Land Forces on Board, shall have One Eighth Part, to be equally divided amongst them :

The Trumpeters, Quarter Gunners, Carpenter's Crew, Steward, Cook, Armourer, Steward's Mate, Cook's Mate, Gunsmith, Cooper, Swabber, Ordinary Trumpeter, Barber, Able Seamen, Ordinary Seamen, and Marines, and other Soldiers, and all other Persons doing Duty and assisting on Board, shall have Two Eighth Parts, to be equally divided amongst them.

Provided, that if any Officer being on Board any of Our Ships of War at the Time of Taking any Prize, shall have more Commissions or Offices than One, such Officer shall be entitled only to the Share or Shares of the Prizes which, according to the abovementioned Distribution, shall belong to his Superior Commission or Office. And We do hereby strictly enjoin all Commanders of Our Ships and Vessels of War, taking any Prize, as soon as may be, to transmit, or cause to be transmitted, to the Commissioners of Our Navy, a true List of the Names of all the Officers, Seamen, Marines, Soldiers, and others, who were actually on Board Our Ships and

Vessels of War under their Command at the Time of the Capture; which List shall contain the Quality of the Service of each Person on Board, and be subscribed by the Captain or Commanding Officer, and Three or more of the Chief Officers on Board. And We do hereby require and direct the Commissioners of Our Navy, or any Three or more of them, to examine, or cause to be examined, such Lists by the Muster Books of such Ships and Vessels of War, and Lists annexed thereto, to see that such Lists do agree with the said Muster Books and annexed Lists, as to the Names, Qualities or Ratings, of the Officers, Seamen, Marines, Soldiers, and others belonging to such Ships and Vessels of War, and upon Request forthwith to grant a Certificate of the Truth of any List transmitted to them, to the Agents nominated and appointed by the Captors to take Care and dispose of such Prize; and also upon Application to them (the said Commissioners) they shall give, or cause to be given, to the said Agents, all such Lists from the Muster Books of any such Ships of War, and annexed Lists, as the said Agents shall find requisite for their Direction in paying the Produce of such Prizes, and otherwise shall be aiding and assisting to the said Agents in all such Matters as shall be necessary. We do hereby further will and direct, that the following Regulations shall be observed concerning the One Eighth Part herein-before mentioned to be granted to the Flag, or Flag Officers, who shall actually be on Board at the Taking of any Prize, or shall be directing or assisting therein: First, That a Flag Officer, Commander in Chief, when there is but One Flag Officer upon Service, shall have to his own Use the said One Eighth Part of the Prizes taken by Ships and Vessels under his Command: Secondly, That a Flag Officer, sent to command at Jamaica, or elsewhere, shall have no Right to any Share of Prizes taken by Ships or Vessels employed there, before he arrives at the Place to which he is sent, and actually takes upon him the Command: Thirdly, That when an inferior Flag Officer is sent out to reinforce a superior Flag Officer at Jamaica, or elsewhere, the superior Flag Officer shall have no Right to any Share of Prizes taken by the inferior Flag Officer before the inferior Flag Officer shall arrive within the Limits of the Command of the superior Flag Officer, and actually receive some Order from him: Fourthly, That a Chief Flag Officer returning home from Jamaica, or elsewhere, shall have no Share of the Prizes taken by the Ships or Vessels left behind to act under another Command: Fifthly, That if a Flag Officer is sent to command in the Out-Ports of this Kingdom, he shall have no Share of the Prizes taken by Ships or Vessels, which have sailed from that Port by Order from the Admiralty: Sixthly, That when more Flag Officers than One serve together, the Eighth Part of the Prizes taken by any Ships or Vessels of the Fleet or Squadron shall

be divided in the following Proportions, viz. If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Eighth Part, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the other Flag Officers: Seventhly, That Commodores with Captains under them shall be esteemed as Flag Officers with respect to the Eighth Part of Prizes taken, whether commanding in Chief or serving under Command: Eighthly, That the first Captain to the Admiral and Commander in Chief of Our Fleet, and also the first Captain to Our Flag Officer appointed, or hereafter to be appointed, to command a Fleet or Squadron of Twenty Ships of the Line of Battle, shall be deemed and taken to be a Flag Officer, and shall be entitled to a Part or Share of Prizes, as the junior Flag Officer of such Fleet or Squadron. And We do hereby further order, That in the Case of Cutters, Schooners, and other armed Vessels commanded by Lieutenants, the Share of such Lieutenants shall be Three Eighth Parts of the Prize, unless such Lieutenants shall be under the Command of a Flag Officer or Officers; in which Case the Flag Officer or Officers shall have One of the said Three Eighths, to be divided among such Flag Officer or Officers in the Manner herein-before directed in the Case of Captains serving under Flag Officers: Secondly, We direct that the Share of the Master or other Person acting as Second in Command, and the Pilot, (if there happens to be one on Board,) shall be One Eighth Part, to be divided into Three equal Parts; of which Two Thirds shall go to the Master or other Person acting as Second in Command, and the remaining One Third to the Pilot; but if there is no Pilot, then such Eighth Part to go wholly to the Master or Person acting as Second in Command: That the Share of the Chirurgéon, or Chirurgéon's Mate (where there is no Chirurgéon,) Midshipmen, and Clerk and Steward, shall be One Eighth; That the Share of the Boatswain's, Gunner's and Carpenter's Mates, Yeoman of the Sheets, Sailmaker, Quarter-Master, and Quarter-Master's Mate, shall be One Eighth; and the Share of the Seamen, Marines, and other Persons on Board assisting in the Capture, shall be Two Eighth Parts. But it is Our Intention, nevertheless, that the above Distribution shall only extend to such Captures as shall be made by any Cutter, Schooner, or armed Vessel, without any of His Majesty's Ships or Vessels of War being present or within Sight of, and adding to the Encouragement of the Captors, and Terror of the Enemy: But in case any of His Majesty's Ships or Vessels of War shall be present, or in Sight, that then the Officers, Pilots, Petty Officers, and Men on Board such Cutters and Schooners, or armed Vessels, shall share in the same Proportion as is al-

lowed to Persons of the like Rank and Denomination, on Board His Majesty's Ships and Vessels of War.

Given at Our Court at St. James's, the Seventeenth Day of April, One thousand seven hundred and ninety-three, and in the Thirty-third Year of Our Reign.

*Whitehall, April 30.*

THE following Addresses have been presented to the King: Which Addresses His Majesty was pleased to receive very graciously.

To the KING's Most Excellent Majesty.

WE, your Majesty's dutiful and loyal Subjects, Inhabitants of the County of Merioneth, assembled at the County Hall, in the Town of Bala, this 8th Day of April, 1793, pursuant to Notice given for that Purpose by the High Sheriff, beg Leave to approach the Throne, to express our Loyalty and Attachment to your Majesty's Person and Government, and to unite in the general Approbation and Support which the Constitution of this Country, as by Law established, has received from all our worthy and well-disposed Fellow Subjects, and in a just Abhorrence and Detestation of the Attempts that have been made to subvert it.

Though Peace must ever be deemed desirable when obtained on safe and honorable Terms, yet we heartily concur in the just and necessary War in which your Majesty is now engaged; and we sincerely congratulate you on the great and glorious Successes that have lately attended the Arms of your Majesty and of your Allies; and we beg Leave to assure your Majesty, that we shall be ever ready to sacrifice our dearest Interests, our Lives and Properties, in Defence of our Religion, our Liberties and Laws, as handed down to us by our Forefathers at the glorious Revolution.

*[Presented by Sir R. W. Vaughan.]*

The humble Address of the Mayor, Bailiffs and Burgeses of the ancient and loyal Borough of Tenby, in the County of Pembroke;

To the KING's Most Excellent Majesty:

*May it please your Majesty,*

WE, your Majesty's loyal Subjects, the Mayor, Bailiffs and Burgeses of the ancient Borough of Tenby, humbly solicit your Royal Permission dutifully and fervently to address your Majesty on the present important and awful Posture of Affairs; and to intreat your Majesty's gracious Acceptance of our sincere and cordial Thanks for the admirable Vigilance and Activity exerted by your Majesty to obviate and defeat the insolent and unjustifiable Projects and Attempts of the inveterate and incessant Enemies of Great Britain, and to resent their base Arts to pervert and seduce your Majesty's Subjects, as well as to repel their unwarrantable and ferocious Invasion of the Dominions belonging to your Majesty's good and natural Allies; whose Affection to the British Crown must be effectually gained by your Majesty's most honourable, friendly, and powerful Aid and Support in the present urgent Hour of Danger, Violence, Rapine, and such horrid Barbarity, as disgraces Man; and makes our Hearts to burn with a generous Indignation against abominable Savages, who have substituted Anarchy for Law, Atheism for Religion, Brutality for Humanity, and have impiously declared War against the Powers both of Heaven and Earth.

We most solemnly assure your Majesty, that, inviolably attached as we are to your Majesty's Person and

and Government, we frankly, unanimously, and with the most glowing Ardour, devote our Persons and Property for the Service of the Public Cause, under your Majesty's gallant and sagacious Auspices; being perfectly confident that our glorious and provident Sovereign will vigorously exert the whole Force of his Empire to quell the ever formidable Foes of Great Britain. Nay more, Great Sir, if we may presume to declare our Sentiments on a Point of the last Consequence to the Common Weal, to disarm and disable our implacable Enemy completely, and for ever. Reiterated Experience has dearly taught your faithful Britons, that they have been scarcely able to check and overthrow the hostile and alarming Designs and Enterprizes of France, at an Expence so enormous as to be incapable of vast and continual Additions; therefore the present general and mighty Combination of European Powers, all concurring and active in the same noble Cause, inspires us with the most sanguine Hopes that this great Now will prove gloriously fatal, and give a mortal Blow to the dangerous Ambition and detestable Politics of the populous and overgrown Realm of Gaul.

Condescend, Royal Sir, to accept in good Part these sincere and united Effusions of loyal Zeal and Allegiance from your Majesty's liege and devoted Corporation of Tenby, in Common Hall this Day assembled, wishing and imploring that your Majesty may long, long continue to reign beloved by all your Subjects, and triumphant over the constant malicious Foe of your Empire, which may Divine Providence transmit unaltered in Church and State, in due Succession, to your Majesty's latest Descendants; secured by your Majesty's brave Efforts at this critical Juncture, from all future Attempts of our Gallic Rivals, to conquer or dismember its Dominions, to injure its Commerce, corrupt its Natives, interrupt its Prosperity, or tarnish its transcendent Glory.

Given under our Common Seal, at the Guild Hall of Tenby, this 18th Day of April, in the 33d Year of your Majesty's Reign, and in the Year of Christ 1793.

T. Williams, Mayor.
