AT the Court at St. James's, the 26th Day of
March, 1794.

P R E S E N T,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act made in the Twenty-third Year of the Reign of His present Majesty, intituled, "An Act for preventing certain Instruments from being required from Ships belonging to the United States of America; and to give to His Majesty, for a limited Time, certain Powers for the better carrying on Trade and Commerce between the Subjects of His Majesty's Dominions and the Inhabitants of the said United States;" which said Act has been continued by several subsequent Acts until the 5th Day of April, 1794. And whereas by an Act made in the Twenty-fourth Year of His present Majesty's Reign, intituled, "An Act to extend the Powers of an Act, made in the Twenty-third Year of the Reign of His present Majesty, for giving His Majesty certain Powers for the better carrying on Trade and Commerce between the Subjects of His Majesty's Dominions and the Inhabitants of the United States of America, to the Trade and Commerce of this Kingdom with the British Colonies and Plantations in America, with respect to certain Articles therein mentioned," the Powers given by the said recited Act were extended to the Trade and Intercourse between this Kingdom and the British Colonies and Plantations in America, so far as the same might relate to Iron, Hemp and Sailcloth, and other Articles of the Produce of any Place bordering on the Baltic,

which might be exported from this Kingdom; which last mentioned Act has also by several subsequent Acts been continued until the said 5th Day of April, 1794.

And whereas by another Act passed in this present Session of Parliament, intituled, "An Act to continue the Laws now in Force for regulating the Trade between the Subjects of His Majesty's Dominions, and the Inhabitants of the Territories belonging to the United States of America, so far as the same relate to the Trade and Commerce carried on between this Kingdom and the Inhabitants of the Countries belonging to the said United States," it is declared to be expedient, that the said Act of the Twenty-third Year of His present Majesty's Reign, so far only as the same extends to the Trade and Commerce carried on between this Kingdom and the People and Territories belonging to the United States of America, and also that the said Act of the Twenty-fourth Year of His present Majesty's Reign, should be further continued and be in Force; and it is thereby enacted, that the said Acts shall continue and be in Force until the 5th Day of April, 1795, and to the End of the then next Session of Parliament:

His Majesty doth thereupon, by and with the Advice of His Privy Council, hereby order and declare, That any Unmanufactured Goods and Merchandizes, the Importation of which into this Kingdom is not prohibited by Law (except Tobacco, except Oil made from Fish, or Creatures living in the Sea, and Blubber, Whale-Fins and Spermaceti) and any

And it is further ordered, that all other Goods and Merchandize not herein before enumerated or described, the Importation of which into this Kingdom is not prohibited by Law, (except Snuff, for which Provision is herein after made) and also Oil made from Fish or Creatures living in the Sea, and Blubber, Whale-Fins and Spermaceti, being the Growth, Production or Manufacture of any of the Territories of the said United States of America, may be imported from thence into this Kingdom in British or American Ships, owned and navigated as herein before required, upon Payment of such Duties of Customs and Excise as are payable on the like Goods and Merchandize upon their Importation into this Kingdom from Countries not under the Dominion of His Majesty, according to the Schedule and Tables, marked A. D. and F. annexed to an Act passed in the Twenty-seventh Year of His present Majesty's Reign, intituled, "An Act for repealing the several Duties of Customs and Excise, and granting other Duties in Lieu thereof, and for applying the said Duties together with the other Duties composing the Public Revenue; for permitting the Importation of certain Goods, Wares and Merchandize, the Produce or Manufacture of the European Dominions of the French King, into this Kingdom; and for applying certain unclaimed Monies remaining in the Exchequer, for the Payment of Annuities on Lives, to the Reduction of the National Debt;" or by any other Laws in Force passed subsequent to the said Act, touching the Duties contained in the said Schedule and Tables, marked A. D. and F.; and in Cases

where different Duties are imposed upon the like Goods imported from different Countries not under the Dominion of His Majesty, then that such Goods shall be imported upon the lowest Duties which by the said Schedule and Tables, marked A. D. and F. are required to be paid on the Importation of any such Goods from any European Country not under the Dominion of His Majesty.

And His Majesty is hereby further pleased to order, that all such Goods and Merchandize shall be intitled to the same Drawbacks as are allowed upon the Exportation of the like Goods and Merchandize when exported from this Kingdom, according to the said Schedule and Tables, marked A. D. and F. annexed to the before mentioned Act passed in the Twenty-seventh Year of His present Majesty's Reign, or according to any other Law in Force, passed subsequent to the said Act, touching Drawbacks. And it is hereby further ordered, that there shall be allowed and paid the same Drawbacks and Bounties on Goods and Merchandize exported from this Kingdom to the Territories of the said United States, or any of them, as are or may hereafter be allowed by Law upon the Exportation of the like Goods or Merchandize to any of the Islands, Plantations, or Colonies belonging to the Crown of Great Britain in America. And it is hereby further ordered, that there shall be allowed and paid the same Drawbacks upon the Exportation of any Sort of Foreign Hemp or Foreign Iron exported from this Kingdom into any British Colony or Plantation in America, or into the Territories of the United States of America, or any of them, as are or may hereafter be allowed by Law upon the Exportation of the like Sort of Hemp or Iron to other Foreign Parts; and all such Drawbacks and Bounties respectively shall be allowed and paid in the same Manner, and under the same Rules, Regulations, Restrictions and Forfeitures, in all Respects, as such Drawbacks and Bounties are allowed and paid, or are subject and liable to by Law.

And His Majesty is hereby further pleased to order, that any Tobacco, being the Growth or Production of any of the Territories of the said United States of America, may be imported in British or American Ships, owned and navigated as herein before required, upon Payment of the same Duties as Tobacco, imported by British Subjects from any British Colony or Plantation, is or may hereafter be subject to; and that any Snuff, being the Production or Manufacture of any of the said Territories, may be imported in Manner before mentioned, upon Payment of such Duties as Snuff, being the Production or Manufacture of Europe, imported from Europe, is or hereafter may be subject to, and may be warehoused and again exported; subject respectively

specifically nevertheless to all and singular the Regulations of an Act made and passed in the Twentieth Year of the Reign of His present Majesty, intituled, "An Act for repealing the Duties on Tobacco and Snuff, and for granting new Duties in Lieu thereof:" And another Act passed in the Thirtieth Year of His present Majesty's Reign, intituled, "An Act to explain and amend an Act made in the last Session of Parliament, intituled "An Act for repealing the Duties on Tobacco and Snuff, and for granting new Duties in Lieu thereof."

And His Majesty is further pleased to order, That any Rice, being the Growth or Product of any of the Territories of the United States of America, which shall be imported directly from thence into any of the Ports of this Kingdom, in Manner above-mentioned, may, upon the Importer paying down, in ready Money, the Duty of Eight-pence the Hundred Weight, being Part of the Duties now payable on the Importation of Rice, be landed and warehoused (except as hereinafter excepted) under His Majesty's Locks, in such Warehouses as shall be approved of for that Purpose by the Commissioners of His Majesty's Customs, or any Four or more of them, upon the Importer's own Bond for Payment of the Remainder of the Duties due and payable for such Rice, within Eighteen Months, according to the net Weight and Quantity of such Rice at the Time it shall be so landed: But it is His Majesty's Pleasure nevertheless, that upon the Importation of any such Rice into the Ports of London, Bristol, Portsmouth, Cowes, Liverpool, Lancaster, Falmouth, Pool, Whitehaven, Hull, Greenock, and Port Glasgow, or either of them, in the Manner herein before expressed, the Importer shall be at Liberty to enter and land the same without Payment of any Duty whatever; in which Case such Rice shall be warehoused, under the joint Locks of His Majesty and the Proprietors, in such Warehouse or Warehouses as shall be approved of for that Purpose by the Commissioners of His Majesty's Customs, or any Four or more of them, in that Part of Great Britain called England; and any Three or more of them, in that Part of Great Britain called Scotland; every Expence attending which Warehousing shall be borne by the said Proprietors: And that such Proprietor or Proprietors, or his or their known Agent, shall from Time to Time, at all reasonable Hours, as Occasion may require, have free Access to such Warehouses, in the Presence of some proper Officer of the Customs, for the Purpose of screening and shifting the Rice, to prevent it's receiving Damage. And that if any Rice, which shall be so imported from the Territories of the said United States into any of the Ports abovementioned respectively, and warehoused as aforesaid; shall be taken out of the Warehouses wherein the same shall

be secured, under the joint Locks of His Majesty and the Proprietors as aforesaid, for Home Consumption, the full Duties, due and payable by Law upon the Importation of such Rice into this Kingdom for Home Consumption, shall, previously to it's being taken out of such Warehouses, be paid to the Collector of His Majesty's Customs at the Ports where such Rice shall be so warehoused; but that such Proprietor, if he intends to export such Rice, shall have Liberty to export the same from such Warehouses respectively, under the usual Regulations, without Payment of any Duty whatever: Provided that the Exportation of any such Rice, hereafter to be warehoused, be made within the said Space of Eighteen Months; and if not within that Period, that the full Duties, payable by Law upon the Importation of such Rice, be paid for the same, and not be afterwards drawn back: And that if any Rice which shall have been imported into any Port of this Kingdom, not herein before specially named, and shall have been warehoused upon the Importer's Bond, in Manner aforesaid, shall, within the Time herein before mentioned, be taken out of the Warehouse wherein it shall have been so secured, to be exported directly from thence, the Bond entered into for the Payment of the said Duties thereon shall be discharged and cancelled by Debenture or Debentures, made out and passed in the usual Manner, for the Quantity or Quantities of Rice duly exported. And if any Rice imported into any Port of this Kingdom, not herein before specially named, and warehoused in Manner aforesaid, shall be taken out of any such Warehouse for Home Consumption, the Remainder of the Duties, due and payable by Law, shall, previously to it's being taken out of such Warehouse, be paid to the Collector of His Majesty's Customs at the Port where such Rice shall be so warehoused; and that such Payment shall be made, and the Warehouse cleared for such Rice hereafter to be warehoused within the said Space of Eighteen Months, otherwise the same shall and may be sold for the Duties, in like Manner, and under the same Rules, Regulations and Restrictions, as any other Goods are now directed by Law to be sold for the Duties.

And the Right Honorable the Lords Commissioners of His Majesty's Treasury, and the Lords Commissioners of the Admiralty, are to give the necessary Directions herein as to them may respectively pertain.

HENRY ADDINGTON, Speaker.

Whitehall, April 1, 1794.

WHEREAS it has been humbly represented to the King, that, on or about the 22d Day of March last, Two Letters, of which the following are Copies, bearing the Post Mark of Alnwick, were received by William Yelder, Esq; Mayor of Newcastle upon Tyne, written by some evil-disposed Persons, with a View to create unfounded Alarms, and to disturb the Public Tranquillity, the Contents proving wholly untrue, and the Names of Two respectable Gentlemen of the County of Northumberland, appearing thereto, being forged, viz.

S I R,

I have only Time to inform your Worship that a Number of Men landed this Evening from some French Privateers cruising off this Coast, and have carried away all the Cattle they could seize, and I apprehend they will do more Mischief. If there are any armed Ships at Shields I hope you will send them for our Protection, otherwise we cannot tell how far the Evil may extend.

I am, S I R,

Your humble Servant,
HENRY GREY.

Bambro', March 19, 1794.

S I R,

I am extremely unhappy to trouble you with this Address, but the People in this Part of the Country are at present in such Consternation and Terror, that I have been requested by a great Number of my Neighbours to inform you, that a Descent was made this Evening near Bambrough, by a Number of armed Men, from Three French Frigates cruising near the Coast, who have carried off all the Cattle and Sheep from my Estate, and from many of my Neighbours near the Sea; they still remain and seem to threaten further Depredation; and as we have no Military Force near us, we request that if it be in your Power to afford us any Protection, you will send it as speedily as possible; I have only just Time to send a Servant to Alnwick to meet the Mail, by which Conveyance I imagine it will reach you sooner than it would by an Express.

I am,

Your Worship's most obedient Servant,
THO. YOUNGHUSBAND.

Tuggal-Hall, near Bambro',
March 20, 1794.

His Majesty, for the better apprehending and bringing to Justice the Persons concerned in writing and sending the Letters above mentioned, is hereby pleased to promise His most gracious Pardon to any One of them,

who shall discover his or her Accomplice or Accomplices therein, (except the Person or Persons who actually wrote the said Letters) so that he, she or they may be apprehended and convicted thereof.

And, as a further Encouragement, His Majesty is hereby pleased to promise a Reward of TWO THUNDRED POUNDS to any Person making such Discovery as aforesaid (except as before excepted) to be paid by the Right Honourable the Lords Commissioners of His Majesty's Treasury upon the Conviction of any One or more of the Offenders.

HENRY DUNDAS.
