the said Will. And such Lieutenants as by Reason of their Residence being distant from this Office are not able to attend in Person, are desired to send a State of their Case, and the Testimonials abovementioned, on the said Day, in order that the said Commissioners may select a List of Twenty-one qualified Objects, to be by them transmitted to the Lords of the Admiralty, whereat their Lordships may choose Fourteen to be submitted to His Majesty, in order that, out of such reduced Number, His Majesty may be graciously pleased to nominate Seven, to be the Persons first appointed Poor Knights under the said Will.
