P R E S E N T,

The KING's Most Excellent Majesty in Council.

WHEREAS, in many of His Majesty's Vice-Admiralty Courts in the West Indies, Sentences of Condemnation have passed against Ships and Goods belonging to the Subjects of the United States of America; and whereas, from Ignorance of the Rules respecting the Times of Appealing, or from Inability to find the Security required, or from other just and reasonable Impediments, the Claimants have been prevented from duly entering and prosecuting their Appeals from the said Sentences: And whereas it hath been represented to His Majesty, on their Behalf, that they are desirous of entering and prosecuting the same; His Majesty is thereupon pleased, by and with the Advice of his Privy Council, to order, and it is hereby ordered, that the said Parties shall be admitted to their respective Appeals, notwithstanding the ordinary Times for entering and prosecuting the same may have elapsed, provided the same are entered and prosecuted within a reasonable Time, to be approved by the Lords Commissioners of Appeals in Prize Causes. *Steph. Whitehall, August 30.

As several Artificers and Manufacturers, Subjects of Great Britain, have, from Time to Time, gone into Foreign Countries to exercise their several Callings, contrary to the Laws of these Kingdoms, the following Abstracts of Acts of Parliament of Their late Majesties King George the First and Second and of His present Majesty, for preventing such Practices, are published, for the Information of all Persons who may be ignorant of the Penalties they may incur by Disobedience to them: And it will be observed, that such Penalties likewise extend to those who are any ways concerned or instrumental in the Sending or Enticing Artificers or Manufacturers out of these Kingdoms, or in the Exportation of the Tools and Instruments used by them, as well as to the Artificers or Manufacturers themselves.

Statute 5 George I. Chap. 27.

IF any Person shall contract with, entice, or solicit, any Artificer in Wool, Iron, Steel, Brass, or other Metal, Clock-maker, Watch-maker, or any other Artificer of Great Britain, to go into Foreign Countries out of the King's Dominions, and shall be convicted thereof, upon Indictment or Information in any of the Courts at Westminster, or at the Assizes or Quarter-Sessions, he shall be fined any Sum not exceeding ONE HUNDRED POUNDS for the first Offence, and shall be imprisoned Three Months, and till the Fine be paid. And if any Person having been once convicted shall offend again he shall be fined at the Discretion of the Court, and imprisoned Twelve Months, and till the Fine be paid.

If any of the King's Subjects, being such Artificers, shall go into any Country out of His Majesty's Dominions, to exercise or teach the said Trades to Foreigners; and if any of the King's Subjects in any such Foreign Country, exercising any of the said Trades, shall not return into this Realm within Six Months after Warning given by the Ambassador, Minister or Consul of Great Britain, in the Country where such Artificers shall be, or by any Person authorised by such Ambassador, &c. or by one of the Secretaries of State, and from

henceforth inhabit within this Realm; such Persons shall be incapable of taking any Legacy, or of being an Executor or Administrator, or of taking any Lands, &c. within this Kingdom, by Descent, Devise or Purchase, and shall forfeit all Lands, Goods, &c. within this Kingdom, to His Majesty's Use, and shall be deemed Alien, and out of His Majesty's Protection.

Upon Complaint made, upon Oath, before any Justice of Peace, that any Person is endeavouring to seduce any such Artificer, or that any such Artificer hath contracted or is preparing to go out of His Majesty's Dominions, for the Purposes aforesaid, such Justice may send his Warrant to bring the Person complained of before him, or before some other Justice; and if it shall appear by the Oath of one Witness, or by Confession, that he was guilty of any of the said Offences, such Justice may bind him to appear at the next Assizes or Quarter Sessions: And, if such Person shall refuse to give Security, the Justice may commit him to Goal till the next Assizes or Quarter Sessions, and until he shall be delivered by due Course of Law. And if any such Artificer shall be convicted, upon Indictment, of any such Promise, Contract, or Preparation to go beyond the Seas, for the Purpose aforesaid, he shall give such Security to the King not to depart out of His Majesty's Dominions, as such Court shall think reasonable, and shall be imprisoned till Security given.

If any of the above Offences shall be committed in Scotland, the same shall be prosecuted in the Court of Justiciary, or the Circuits there.

Statute 23 George II. Chap. 13.

IF any Person shall contract with, or endeavour to seduce any Artificer in Wool, Mohair, Cotton or Silk, or in Iron, Steel, Brass, or other Metal, or any Clock-maker, Watch-maker, or any other Artificer in any other of the Manufactures of Great Britain or Ireland, to go out of this Kingdom or Ireland, into any Foreign Country not within the Dominions of the Crown of Great Britain, and shall be convicted, upon Indictment or Information, in the King's Bench at Westminster, or by Indictment at the Assizes or General Gaol Delivery for the County, &c. wherein such Offence shall be committed in England, or by Indictment in the Court of Justiciary, or any of the Circuit Courts in Scotland, or by Indictment or Information in the King's Bench at Dublin, if such Offence be committed in Ireland; the Person so convicted shall, for every Artificer contracted with, or seduced, forfeit FIVE HUNDRED POUNDS, and shall suffer Imprisonment in the Common Goal of the County or Stewartry wherein such Offender shall be convicted, for Twelve Calendar Months, and until Forfeiture be paid: And in Case of a subsequent Offence of the same Kind, the Persons so again offending shall forfeit, for every Person contracted with or seduced, ONE THOUSAND POUNDS, and shall suffer Imprisonment in the Common Gaol of the County or Stewartry wherein such Offender shall be convicted, for Two Years, and until such Forfeiture be paid.

If any Person in Great Britain or Ireland shall put on Board any Ship or Boat, not bound directly to some Port in Great Britain or Ireland, or to some other

other of the Dominions of the Crown of Great Britain, any such Tools or Utensils as are commonly used in, or proper for the Preparing, Working up or Finishing of the Woollen or Silk Manufactures or any Part of such Tools, he shall, for every Offence, forfeit all such Tools, or Parts thereof, put on Board, and TWO HUNDRED POUNDS, to be recovered by Action of Debt, &c. in any Court of Record at Westminster, or in the Court of Session in Scotland, or at any of the Four Courts in Dublin respectively, wherein no Essoin, &c. shall be allowed.

It shall be lawful for any Officer of the Customs in Great Britain, or for any Officer of the Revenue in Ireland, to seize and secure, in some of His Majesty's Warehouses, all such Tools or Utensils prohibited to be exported, as such Officer shall find on Board any Vessel not bound directly to some Port in Great Britain or Ireland, or to some other of the Dominions of the Crown of Great Britain; and all Tools so seized shall, after Condemnation, be publicly sold to the best Bidder; and one Moiety of the Produce shall be to the Use of His Majesty, and the other Moiety to the Officer who shall seize and secure the same.

If the Captain of any Vessel in Great Britain or Ireland knowingly permit any of the said Tools, prohibited to be exported, to be put on Board his Vessel, he shall, for every such Offence, forfeit ONE HUNDRED POUNDS, to be recovered as the Penalties inflicted upon Persons exporting the Tools; and, if the Vessel belongs to His Majesty, the Captain shall not only forfeit ONE HUNDRED POUNDS, but shall also forfeit his Employment, and be incapable of any Employment under His Majesty.

If any Officer of the Customs in Great Britain, or of the Revenue in Ireland, take, or knowingly suffer to be taken, any Entry outward, or sign any Cocket or Sufferance for the Shipping or Exporting of any of the said Tools, or knowingly suffer the same to be done, he shall forfeit ONE HUNDRED POUNDS, to be recovered as aforesaid, and also forfeit his Office, and be incapable of any Office under His Majesty.

One Moiety of the Forfeitures shall be applied to the Use of His Majesty, and the other Moiety to the Use of the Person who shall sue for the same.

BY these Statutes the like Penalties and Forfeitures as above mentioned are extended to Persons packing or putting on board any Vessel, not bound directly for some Port in Great Britain or Ireland, any Machine, Engine, Tool, Press, Paper, Utensil or Implement whatsoever, used in or proper for the working or finishing of the Cotton, Linen, Steel or Iron Manufactures of this Kingdom, or any Part or Parts of such Machines or Implements, or any Models or Plans thereof; and all Captains of Ships and other Persons receiving or being in Possession of any such Articles, with an Intent to export the same to Foreign Parts, and all Custom-house Officers suffering an Entry to be made thereof, are respectively liable to the like Penalties as are above mentioned, in the Case of Tools and Utensils used in the Woollen and Silk Manufactures.

IN Pursuance of the Directions of an Act passed in the Twenty-fourth Year of the Reign of His present Majesty King George the Third, intituled, "An Act to repeal so much of Two Acts, made in the Tenth and Fifteenth Years of the Reign of His present Majesty, as authorizes the Speaker of

the House of Commons to issue his Warrant to the Clerk of the Crown for making out Writs for the Election of Members to serve in Parliament, in the Manner therein mentioned; and for substituting other Provisions for the like Purposes;" I do hereby give Notice, that the Death of John Tempest, Esq; late Member of Parliament for the City of Durham, hath been certified to me in Writing under the Hands of Two Members of Parliament; and that I shall issue my Warrant to the Clerk of the Crown to make out a new Writ for the electing of a Citizen to serve in this present Parliament for the said City, in the Room of the said John Tempest, deceased, at the End of Fourteen Days after the Insertion of this Notice in the Gazette. HENRY ADDINGTON, Speaker.

Navy-Office, June 6, 1794.

Whereas Samuel Travers, Esq; long since deceased, by his last Will and Testament, bearing Date the 16th of July, 1724, after giving several pecuniary Legacies, devised the Residue of his Real and Personal Estates to his Executors therein named, upon Trust that they should, out of the Rents and Profits thereof, settle an Annuity of Sixty Pounds, to be paid to each of Seven Gentlemen, to be added to the Poor Knights of Windsor, and that a Building might be erected or purchased, in or near the Castle of Windsor, for an Habitation for the said Seven Gentlemen, who were to be superannuated or disabled Lieutenants of English Men of War: And the said Testator desired that the Gentlemen so to be incorporated might be single Men, without Children, inclined to lead a virtuous, studious and devout Life, to be removed if they gave Reason of Scandal, and that he would have them live in a Collegiate Manner, in order whereunto he would have Twenty-six Pounds per Annum deducted out of their several Allowances to keep a constant Table.

And whereas the Right Honorable Henry Dundas, One of His Majesty's Principal Secretaries of State, hath, by Letter dated the 1st of last Month, signified to the Commissioners of the Navy His Majesty's Pleasure, that they should, pursuant to the said Will, and a Decree of the High Court of Chancery in that Behalf, choose such a Number of superannuated or disabled Lieutenants of the Royal Navy as they should think proper, and return the Names of such Officers to the Lords Commissioners of the Admiralty in the Manner directed by the said Will, for the Purpose of carrying the same into Effect: The said Commissioners of the Navy do therefore hereby give Notice to such Lieutenants, as are desirous of accepting Appointments, under the abovementioned Provisions and Regulations, to make their Appearance at this Office on Wednesday the 1st Day of October next, and to bring with them Certificates and other Testimonials, to shew that they come within the Meaning of the said Will. And such Lieutenants as by Reason of their Residence being distant from this Office are not able to attend in Person, are desired to send a State of their Case, and the Testimonials abovementioned, on the said Day, in order that the said Commissioners may select a List of Twenty-one qualified Objects, to be by them transmitted to the Lords of the Admiralty, whereout their Lordships may choose Fourteen to be submitted to His Majesty, in order that, out of such reduced Number, His Majesty may be graciously pleased to nominate Seven, to be the Persons first appointed Poor Knights under the said Will.

IN Purfuance of the Directions of an Act passed in the Twenty-fourth Year of the Reign of His present Majesty King George the Third, intituled, "An Act to repeal so much of Two Acts, made in the Tenth and Fifteenth Years of the Reign of His present Majesty, as authorizes the Speaker of the House of Commons to issue his Warrant to the Clerk of the Crown for making out Writs for the Election of Members to serve in Parliament, in the Manner therein mentioned; and for substituting other Provisions for the like Purposes;"

I do hereby give Notice, that it hath been certified to me in Writing, under the Hands of Two Members of Parliament, that the Right Honorable Henry Bathurst, commonly called Lord Apsley, late Member of Parliament for the Borough of Cirencester in the County of Gloucester, is become a Peer of Great Britain, and summoned to Parliament; and that I shall issue my Warrant to the Clerk of the Crown to make out a new Writ for the electing of a Burgess to serve in this present Parliament for the said Borough of Cirencester, in the Room of the said Henry Bathurst, commonly called Lord Apsley, now a Peer of Great Britain, and summoned to Parliament as aforesaid, at the End of Fourteen Days after the Insertion of this Notice in the Gazette. Dated the Twenty-ninth Day of August, One Thousand Seven Hundred and Ninety-four.

HENRY ADDINGTON, Speaker.

NOTICE is hereby given, that Application is intended to be made to Parliament the next Session, to vary, alter and deviate a certain Part of the Line of the Lancaster Canal Navigation, from, at or near a certain Place called or known by the Name of Cabus Nook, in the Township of Cabus, in the County Palatine of Lancaster, to communicate with the said Lancaster Canal Navigation, in the Township of Barnacre with Bonds, in the said County; and all Persons are hereby informed that such Deviation is intended to be made and carried in, to or through the Parish of Garstang, Church Town, and in, to or through the several Townships of Cabus, Winmarleigh, Nateby, Garstang and Barnacre with Bonds.

NOTICE is hereby given, pursuant to the standing Orders of both Houses of Parliament, that a Petition is intended to be presented, and an Application made, to Parliament in the ensuing Sessions, for Leave to bring in a Bill, and to obtain an Act for the further and better amending and improving the Navigation of the River Thames, from Boulter's Lock, near Maidenhead in the County of Berks, to the City Stone near Stanes, in the County of Middlesex; and for varying, altering and enlarging the Powers already given to the Commissioners for executing the several Acts of Parliament, made "For improving and completing the Navigation of the Rivers Thames and Isis, from the Jurisdiction of the City of London, near Stanes in the County of Middlesex, to the Town of Cricklade in the County of Wilts;" and for repealing any Clause or Provision in the said Acts to prevent or restrain the said Commissioners from erecting Pound-Locks below Boulter's Locks; and for giving to the said Commissioners further Powers for the erecting Pound-Locks, making Cuts, and other Works, in or near the said River Thames, necessary for the amending and improving

the said Navigation; and for laying and raising Money on the said Navigation: Which said Pound-Locks, Cuts and other Improvements are intended to be made within the several Townships, Parishes, Hamlets or Places of Eton in the County of Bucks, and New Windsor in the County of Berks.
