Horse-Guards, November 22.

A Dispatch, of which the following is an Extract, dated Arnheim, the 11th of November, 1794, has been received from his Royal Highness the Duke of York by the Right Honorable Henry Dundas, One of His Majesty's Principal Secretaries of State.

THE Evacuation of Nimeguen took Place on Friday Night. His Majesty's Troops retired without any Loss; which would also have been the Case with the Dutch, but for an unfortunate chance Shot, which carried away the Top of the Mast of the Flying Bridge to which the Hawser was made fast, consequently the Bridge swung round, and they were taken Prisoners, to the Amount of about Four Hundred. The Bridge of Boats was entirely burnt, and the Flying Bridge, of which they got Possession by the above Accident, has been since destroyed by our Fire.
