Borrowstowne's Canal Navigation,

At a General Meeting held here this Day, by Adjournment from a Quarterly General Meeting in May, there was under Consideration a Memorial, laid before Two eminent Counsel, on various Canal Matters, but particularly on this important one, "Whether a Majority in Point of Interest can oblige the Proprietors to abandon and wind up, if the Minority cannot produce Funds for the Completion."—And the Answer on this Point, "We are of Opinion that it is not in the Power of a Minority to prevent the Majority from abandoning the Work and winding up, unless the Minority can produce Funds for completing the Canal."

The Meeting proceeded to deliberate on this Opinion, and on the Two States of the Question proposed at last Meeting for their Consideration, "Whether the Canal should be wholly abandoned and its Concerns winded up, or whether the Scheme should be kept open, in the Hope of more Funds for the Completion, and Matters so arranged as to occasion little future Expences and greater Security against Damages," and agreed unanimously,

that it was expedient to abandon the Canal and wind up it's Concerns: But, far from wishing to precipitate a Business of such Importance, Resolved, That the Vote of To-Day should be held of no Effect, further than expressing the Sentiments of this Meeting; and that full Time might be given to absent Proprietors either to join with this Day's Meeting or provide Funds for completing the Canal, the final Decision was adjourned until the General Quarterly Meeting on the third Tuesday of February next, which is hereby timeously advertised to be held at the Duke of Hamilton's Arms Inn, Borrowtowness, at Noon, for determining this important Question.
