By the KING,

A PROCLAMATION,

For Pardoning such Deserters from His Majesty's Marine Forces as shall return into His Majesty's Service on or before the Thirty-first Day of December next.

GEORGE R.

WHEREAS it hath been represented unto Us, that there are at this Time several Deserters from Our Marine Forces, who might be induced to return to their Duty by an Offer of Pardon, and that such an Instance of Our Clemency might have a due Influence upon their future Behaviour, We have thought fit, by and with the Advice of Our Privy Council, to publish this Our Royal Proclamation, and do hereby promise Our most Gracious Pardon to all Deserters from Our Marine Forces, who shall surrender themselves on or before the Thirty-first Day of December next, to the Commanding Officers of the Chatham, Portsmouth or Plymouth Divisions of Marines; and We do hereby declare, that such Marines, so surrendering themselves as aforesaid, shall not be liable to be claimed by any other Corps to which they may have formerly belonged: And We do further declare, That Our said Pardon shall extend to such Deserters as have been apprehended, and are now in Gaol or Regimental Custody, upon their Arrival under Escort at Head Quarters. But We do hereby further declare, that any Marine Soldier who shall desert after these Our Intentions shall have been made publick, shall

not be included in the Pardon above offered, but shall, if found guilty by a Court Martial, be deemed unfit Objects of Our Royal Mercy.

Given at Our Court at St. James's, the Second Day of November, One thousand seven hundred and ninety-six, in the Thirty-seventh Year of Our Reign.

GOD save the KING.

Parliament-Street, November 29, 1796.

A Dispatch from the Governor and Council of Madras, dated Fort St. George, June 22, 1796, of which the following is a Copy, has been received by the Court of Directors of the East India Company, and by them communicated to the Right Honorable Henry Dundas, one of His Majesty's Principal Secretaries of State.

Honorable Sirs,

WE have particular Satisfaction in offering to you our sincere Congratulations on the complete Success which has attended the Operations of Rear-Admiral Rainier in the Eastern Seas; and judging that an early Communication of this Event might be of material Use to His Majesty's Ministers, we have determined to forward this Letter by the Route of Bussorah.

It appears by the Rear-Admiral's Dispatches, dated the 27th of March and 11th of April last, and which reached us on the 18th Instant, by the Orpheus Frigate, that the British Troops were in Possession of the Islands of Amboyna and Banda, with their several Dependencies, comprizing, as it was thought, the Whole of the Dutch Islands, excepting Fornaté, yielding Cloves, Nutmegs and Mace. This Acquisition has been attained without the smallest Loss on our Side.

Amboyna and it's Dependencies were delivered up on the 16th of February, and Banda and it's Dependencies on the 8th of March. Copies of the Capitulations are inclosed.

The Admiral speaks in the handsomest Manner of the Activity and Alacrity with which every Duty was performed by the Forces under his Command, both Naval and Military; and dwells particularly on the perfect Harmony which all along subsisted between the Officers and Men in both Services. It behoves us on this Occasion to convey to you the high Sense we entertain of the able and spirited Conduct displayed by Rear-Admiral Rainier, whose hearty Co-operation with us in every Measure conducive to the Public Weal demands our warmest Acknowledgements; and whilst we feel assured of your entire Approbation of all the Means employed by this Government, to give Effect to the Arrangements framed by His Majesty's Ministers for securing the Dutch Settlements in India, it is, nevertheless, incumbent upon us to declare, that the Accomplishment of this great Object has been chiefly obtained by the zealous and cheerful Support which we have had the good Fortune to experience from the Officer entrusted with the Execution of it.

We shall do ourselves the Honor of transmitting, by the first Sea Conveyance, Copies of all the Papers received from the Admiral, which will enable you to form an accurate Opinion of the Value of those Islands. At present we can only give you a Summary of his Proceedings.

The Admiral found in the Treasury at Amboyna 81,112 Rix Dollars, and in Store 515,940 Pounds Weight of Cloves; in the Treasury at Banda 66,675 Rix Dollars, and in Store 84,777 Pounds of Nutmegs, 19,587 Pounds of Mace, besides Merchandize and other Stores at each Place, upon which no Value had been then put.

We are preparing to send a Reinforcement of Troops for the better Protection of those valuable Islands; and, as the Admiral has advised us that he is short of Provisions, and in Want of a Supply of Naval and Military Stores, it is our Intention to forward an adequate Stock of every necessary Article.

We have great Pleasure in acquainting you, that the Company's Possessions on this Coast are in a State of perfect Tranquillity; and that we have no Reason to believe that any Designs are in Agitation by the Native Powers hostile to your Interests.

We have the Honor to be, &c.

CAPITULATION of AMBOYNA, translated from the Original in Dutch, February 16, 1796.

NOT finding ourselves equal to withstand the great Force with which we have been surprized, we the undersigned Governor and Council do hereby give up this Settlement, with all it's Dependencies, and place the same under the Protection of His Britannic Majesty, upon the Conditions mentioned to us in the Letter of the Right Honorable the Governor of Madras; that is, upon Condition that we may keep all our private Property, and be allowed a reasonable Subsistence, that the Inhabitants be guarantied in the secure Possession of their private Properties, and that the Senior and Junior Servants of the Civil Establishment, the Clergy, the Military, and Marine receive their usual Pay.

It is upon the above Conditions at we shall, Tomorrow Morning, give over all the Guards of the Fort to the Troops of His Britannic Majesty, after receiving the Ratification of this Instrument by His Excellency the Commodore.

CAPITULATION agreed upon between His Excellency Peter Rainier, Esq; Commodore, commanding the Sea and Land Forces of His Britannic Majesty in these Seas, and F. Van Bockholtz, Governor of Banda, &c. &c.

IN Consideration of our great Want of Provisions, and the great Force with which the British have appeared before this Settlement, and to resist which would

would bring Destruction and Desolation on the harmless Inhabitants of this Place, we therefore think it prudent, for the Sake of Humanity, and from our Confidence in the Honor and Generosity of the English, to accept of the Terms offered to us, and to deliver into their Hands this Fort and Settlement, with all its Dependencies, upon the following Conditions, viz.

That Private Property be kept secure to every Individual of this Settlement, whether in or out of the Company's Service; that the Servants of the Company, Civil and Military, be kept in their respective Stations, as far as may be thought necessary for the Administration of Justice; and the Civil Government of the Place, the Governor alone particularly excepted, as the Government must, of course, be vested in the English; that the Military continue to receive their Pay, and are not to be forced into the British Service contrary to their Wishes; and the Civil Servants also to be continued on their present Pay; and such an Allowance made for the Provision of the Governor as His Excellency the Commander of the British Forces may think adequate. The Governor, however, and any other Servants of the Company, shall be permitted to retire from the Service, either to Batavia or elsewhere, whenever a convenient Opportunity shall offer.

Upon these Conditions we, the Undersigned, consent to deliver up Fort Nassau, the Settlement of Banda, and all its Dependencies, to the Troops of His Britannic Majesty Tomorrow Morning, upon receiving a Copy of this Capitulation, ratified and signed by His Excellency the British Commander. The Keys of all the Publick Property, and all Accounts properly authenticated, shall be immediately delivered over to the British, and the Government entirely vested in them.
