

Affluence which gratifies every wish; or by a set of desperate and profligate Men, availing themselves of the Want of Education and Experience in those who they seek to use as Instruments for gratifying their own wicked and interested Views:—At all Events, the undersigned feel themselves bound to rescue their Names, and as far as in them lies, the Religion which they profess, from the Ignominy which each would incur from an Appearance of Acquiescence in such criminal and irreligious Conduct; and they hesitate not to declare, that the Accomplishment of the Views of the deluded of their Persuasion, if effected, must be effected by the Downfall of the Clergy — of the ancient Families — and respectable Commercial Men of the Roman Catholic Religion.

The undersigned Individuals of each of which Description, hereby publicly declare their Determination, to stand or fall with the present existing Constitution.
