Horse Guards, June 21, 1799.

HIS Royal Highness the Commander in Chief is anxious to take the earliest Opportunity of obeying the Orders he has received from His Majesty, to convey to the different Volunteer Corps, inspected by His Majesty this Morning, the Heartfelt Satisfaction which every Part of their Conduct has excited in his Mind.

To His Majesty it is a Source of unremitting Gratification to know, that this general Display of Loyalty and Public Spirit is the genuine Offspring of a Constitution eminently calculated to preserve the Happiness and to increase the Prosperity of His People.

His Majesty having ever made it the principal Study of his Life to watch over and maintain unimpaired those Safeguards which the Laws of this happy Country have provided for the Security of its Civil and Religious Rights, eagerly embraces this Opportunity of expressing the just Pride he derives from the gratifying Feeling that his uniform Endeavours, during a long Reign, to promote the Happiness of his Subjects, have insured to him the Continuance of their Loyalty and Affection.

Deeply impressed with the unequivocal and general Manifestation of this zealous Attachment to His Majesty, called forth on the present Occasion, His Royal Highness, from every Motive of Duty, public and private, feels peculiar Pleasure in communicating His Majesty's

Sentiments to the several Corps which have been this Day under Arms in the Metropolis and its Vicinity. **FREDERICK F. M.**
Commander in Chief.
