Copy of a Letter from Vice-Admiral Rainier, Commander in Chief of His Majesty's Ships and Vessels in the East Indies, to Evan Nepean, Esq; dated in Bombay Harbour, April 1, 1799.

SIR;

I Have much Pleasure in acquainting you, for their Lordships' Information, that Captain Cooke, of His Majesty's Ship La Sybille, captured the French National Frigate La Forte, of much superior Force, on the 28th of February last, off the Sand-Heads of Bengal River, after a well fought Night Action, wherein Captain Cooke appears to have displayed the greatest Degree of Courage, Presence of Mind, and professional Abilities, and to have been nobly supported by the intrepid Conduct of his Officers and Crew, Part of which consisted of a Company of His Majesty's Scotch Brigade, embarked by Order of his Excellency the Governor-General, on La Sybille's Ship's Company having been so much reduced by Deaths, and debilitated by the severe Illness contracted last Year at Calcutta, during the Repair of that Ship, on which Account many of them were left ashore at the Hospital, and most of the Remainder of her old and valuable Crew in a weak State of Convalescency.

I feel the most sensible Concern in acquainting you, that the universal Joy and Satisfaction diffused over every Countenance on hearing the News of this gallant Capture, of so much Importance to the trading Part of the Community, and also to the Public Service, was considerably damped on being informed that Captain Cooke's Wounds were of so dangerous a Nature as almost to preclude every Hope of his Recovery.

I transmit a Copy of Lieutenant Hardyman's Letter on the Occasion, containing a Brief Account of the Action, addressed to General Sir Alured Clarke, K. B. Vice-President of the Government of Fort William, as it was communicated to me by his Excellency the Earl of Mornington, then at Fort Saint George, who has been pleased to testify the most sincere Regret for Captain Cooke's melancholy Situation.

It may be proper to inform you, that my not having received Lieutenant Hardyman's Account of the Action is owing to the Uncertainty where to address me, but which I shall enclose, if it arrives in Time.

I am informed, by an Officer in the Marine of this Port, who was on board La Forte last September at the Mauritius, that she mounted Thirty Four-Pounders on the Main-Deck, Fourteen Nine-Pounders, and Eight Thirty-six Pounders, Caronades, with a Line of Brads Swivels on a Flush Deck, continued from the Quarter-Deck to the Forecastle.

It appears she passed Achin-Head nearly about the same Time His Majesty's Ship Sceptre did with the Convoy from the Cape of Good Hope, and did not reach the Sand-Heads till the usual Time was expired for expecting any of the Enemy's Cruizers thereabouts.

You will please to inform their Lordships, that I shall order La Forte to be purchased and commissioned for His Majesty's Service, agreeable to the Custom of the Service, and appoint Lieutenant

Hardyman to the Command, till their Lordships' Pleasure is known.

I have the Honor to be, &c. &c. &c.

PETER RAINIER.

His Majesty's Ship La Sybille, Balafore-Roads, March 2, 1799.

SIR,

I Beg Leave to inform you, that in consequence of a Report that the French Frigate La Forte was in the Bay, His Majesty's Frigate La Sybille failed from Madras on the 19th February to cruise for her, and had the good Fortune to fall in with her in these Roads on the 28th, when, after an Action of One Hour and Forty Minutes, during which she was totally dismasted, with very little comparative Damage to His Majesty's Ship, I have the Satisfaction to acquaint you that she struck.

I much lament that to this Intelligence I must add, that of the Death of Captain Davis, of Lord Mornington's Staff, who came a Volunteer on this Occasion, and who unfortunately fell early in the Action: and with great Regret I must also acquaint you, that Captain Cooke is (it is feared mortally) wounded.

The Number of Killed and Wounded on board La Forte is not yet correctly known, but is stated to be very considerable; on board La Sybille, Three killed, Wounded Nineteen.

I have to request that you will order as speedy a Conveyance as possible for Captain Cooke, who, if he survives, will proceed to Calcutta; and that you will please to give the necessary Orders that Conveyances to Calcutta may be provided for the Prisoners and the Wounded.

I have the Honor to be, &c. &c. &c.

L. HARDYMAN, First Lieutenant.

General Sir Alured Clarke,

&c. &c. &c.

ON the 12th of September last I the Reverend John Griffith, Clerk, wrote a Letter to Thomas Butterworth Bayley, Esquire, of Hope, near Manchester, reflecting on his Conduct as a Magistrate, relative to the Execution of one George Russell, for Croft breaking; and I also sent Duplicates of such Letter to Peter Drinkwater, Esq; John Leaf, Esq; to Mr. Edward Chehyre, of Manchester, Solicitor, and Mr. William Waters, the Deputy Constable of Manchester. Mr. Bayley, in consequence, instituted a Prosecution against me for a Libel, to which I pleaded the General Issue; but upon Reflection I am fully convinced that the Purport of the above-mentioned Letter, and the Expressions therein used were improper and unmerited; I have therefore withdrawn my Plea, and I conceive that this public Apology is a Matter of strict Justice to Mr. Bayley.
