

The Camphaan Brig, of Sixteen Guns, late belonging to the Government of Holland, now serving under the same Name, and Lieutenant Thwaites, of the Prince of Wales, appointed to command her.

*Prince of Wales, off Bram's Point, August 31, 1799.*

SIR,

I Have the Satisfaction to enclose, for the Information of the Lords Commissioners of the Admiralty, a Letter which I have just received from Captain Western, of His Majesty's Ship Tamer, giving me an Account of his having on the 26th Instant captured the National Corvette Republicaine, of Thirty-two Guns and Two Hundred and Twenty Men, commanded by Citizen Lè. Bozee, Capitaine de Frigate, after an Action of Ten Minutes; on which I beg to congratulate their Lordships.

I am, Sir, &c. &c. &c.  
H. SEYMOUR.

*Tamer, off Surinam, August 29, 1799.*

MY LORD,

I Have the Honor to inform your Lordship, that on Monday Morning the 26th Instant, a little after Day-light, being then about Four Leagues to Westward of Orange, I discovered a strange Sail bearing W. N. W. and having the Evening before had a running Fight with a large French Corvette, who escaped by getting into Shoal Water and the Darkness of the Night, and conceiving the Sail in Sight to be the same, I immediately gave Chace: about Half past Five P. M. I got alongside of her, when after about Ten Minutes close Action she struck, and proves to be the National Corvette Republicaine, (commanded by Citoyen Le Bozee, Capitaine de Frigate,) of Thirty-two Guns, Twenty-four long Nines, and Eight Thirty-two-Pound Caronades, and Two Hundred and Twenty Men, from Cayenne on a Cruize, and had taken Two Americans. I had Two Seamen wounded in this Business; and my Sails and Rigging a good Deal damaged: the Enemy is almost a Wreck, and I have towed her up here with me; her Loss I understand to be Nine killed and Twelve wounded.

I have the Honor to be, &c.  
THO. WESTERN.

To the Right Honorable Lord Hugh Seymour, Vice-Admiral of the Blue, Commander in Chief, &c. &c. &c.

*War-Office, October 15, 1799.*
