GEORGE R.

WHEREAS in Consequence of the unanimous Address of our Commons of Great Britain in Parliament assembled, We thought fit to order that certain Pieces of Copper should be coined, which should go and pass for One Penny and Two Pennies, and that each of such Pieces of One Penny should weigh One Ounce Avoirdupois, and that each of such Two penny Pieces should weigh Two Ounces Avoirdupois, the intrinsic Value of such Pieces of One Penny and Two Pennies, Workmanship included, corresponding as nearly as possible with the nominal Value of the same respectively; every such Piece having on one Side thereof Our Effigies or Portraiture, with Our Name or Title, and on the Reverse, the Figure of Britannia, represented sitting on a Rock in the Sea, holding a Trident in her Left Hand, and a Branch of Olive in her Right Hand, with the Year of our Lord: And whereas Penny and Two-penny Pieces of Copper of the Weight and Description aforesaid having been coined accordingly, We did, with the Advice of Our Privy Council, by Our Royal Proclamation, bearing Date the Twenty-sixth Day of July in the Thirty-seventh Year of Our Reign, ordain, declare, and command, That such Pieces of Copper Money should be current and lawful Money of Our Kingdom of Great Britain, and should pass and be received as current and lawful Money of Our said Kingdom, that is to say, such Penny Pieces as of the Value of One Penny, and such Two-penny Pieces as of the Value of Two Pennies, in all Payments and Transactions of Money; provided that no Person should be obliged to take more of such Copper Money, in any One Payment, than should be of the Value of One Shilling, after the Rate aforesaid: And whereas We have since caused great Quantities of such Penny and Two-penny Pieces to be coined and delivered, and We have also thought fit to order, That Halfpenny Pieces and Farthings should be coined, having also on one Side thereof

Our Effigies or Portraiture, with Our Name or Title, and on the Reverse the Figure of Britannia, with the Year of our Lord; all which Two-penny Pieces, One-penny Pieces, Halfpenny Pieces, and Farthings, have been coined by Matthew Boulton, of Soho, in the County of Warwick, Esquire; and We do intend, from Time to Time, as Occasion shall require, to order like Two-penny Pieces, One-penny Pieces, Halfpenny Pieces, and Farthings, or some or one of them, to be coined in like Manner, and to be delivered at such Times and in such Quantities as We shall find to be necessary for the Purposes of Circulation: We have therefore, with the Advice of Our Privy Council, thought fit to issue this Our Royal Proclamation; and We do hereby ordain, declare, and command, That all such Pieces of Copper Money, so already coined and issued, and which shall hereafter be coined and issued as aforesaid, shall be current and lawful Money of Our Kingdom of Great Britain, and shall pass and be received as current and lawful Money of Our said Kingdom, (that is to say); such Two-penny Pieces as of the Value of Two Pence, and such Penny Pieces as of the Value of One Penny; such Halfpence as of the Value of One Halfpenny, and such Farthings as of the Value of One Farthing: Provided that no Person shall be obliged to take more of such Two-penny and One-penny Pieces, in any one Payment, than shall be of the Value of One Shilling, after the Rate aforesaid; or to take more of such Halfpenny and Farthing Pieces, in any one Payment, than shall be of the Value of Sixpence, after the Rate aforesaid.

Given at Our Court at St. James's, the Fourth Day of December, One thousand seven hundred and ninety-nine, and in the Fortieth Year of Our Reign.

GOD save the KING.

AT the Court at St. James's, the 18th of December 1799,

P R E S E N T,

The KING's Most Excellent Majesty in Council,
WHEREAS His Majesty was graciously pleased, by His Royal Proclamation bearing Date the Twenty-sixth Day of December, One

thousand seven hundred and ninety-two, to promise and declare, that the Bounties of Five Pounds for every Able Seaman, and Two Pounds Ten Shillings for every Ordinary Seaman, fit for His Majesty's Service, should be paid in the Manner thereby directed to every such Able and Ordinary Seaman, not above the Age of Fifty nor under the Age of Twenty Years, who should, on or before the Twenty-eighth Day of February then following, enter themselves to serve in His Majesty's Royal Navy, either with the Captains or Lieutenants of His Majesty's Ships or Vessels, or Officers employed on Shore for raising Men for the Service of the Royal Navy: And whereas His Majesty was also graciously pleased, by his said Proclamation, to declare, that all Able-bodied Landmen, not above the Age of Thirty-five nor under the Age of Twenty Years, who should so enter themselves as afore said, should receive the Sum of Thirty Shillings each Man, as His Majesty's Royal Bounty: And whereas His Majesty was also graciously pleased, by His Royal Proclamation bearing Date the Sixteenth Day of the said Month of February, One thousand seven hundred and ninety-three, to promise and declare, that a Reward of Twenty Shillings for every Able and Ordinary Seaman, fit to serve on board His Majesty's Ships, should be paid to any Person who should discover any Seaman or Seamen who might conceal him or themselves, so that such Seaman or Seamen should be taken for His Majesty's Service, on or before the Thirtieth Day of April then next, by any of His Majesty's Sea Officers appointed to raise Men on Shore, or by the Captains or Commanders of any of His Majesty's Ships or Vessels in the Ports or on the Coasts of this Kingdom: And whereas the Time limited by the said Proclamations for Payment of the said Bounties and Reward hath been prolonged and extended to the Thirty-first Day of this instant December; and it being judged expedient for His Majesty's Service that the said Bounties and Reward should be continued to be paid for some Time longer; His Majesty, with the Advice of His Privy Council, doth therefore order, and it is hereby accordingly ordered, that the Time limited for Payment of the said Bounties and Reward be prolonged and extended from the said Thirty-first Day of this instant December to the Thirty-first Day of March next inclusive:—Whereof all Persons concerned are to take Notice, and govern themselves accordingly.

NOTICE TO MARINERS.

THE Light-House erected on the Island of Anholt, being One Hundred and Twelve Feet above the Surface of the Water, so that the Fire on it, on Account of its extraordinary Height, often

misleads Mariners in Point of Distance; Measures have been taken for placing a Lanthorn at about Half the Height above-mentioned, on the East Side of the Light-House, facing the Flat and Point of Knobens, which may also be seen from a Southern and Northern Direction; but to Ships coming from a Western Direction it will not be visible, being covered by the Light-House. This Lanthorn-Fire will be lighted for the first Time on the 1st of January 1800, from which Time it will be continued every Night, in Addition to the usual Fire.
