Intent and Meaning of the faid Act, but certain Rates have for a confiderable Time been taken for Wharfage and Cranage at all the faid Wharfs refpectively, which have been fubmitted to as just and reafonable, although not affeffed and allowed according to the faid Act: And whereas it has been reprefented to His Majefty by the humble Memorial of a great Number of respectable Merchants and Traders of the City of London and its Vicinity, that the Wharfingers have lately circulated a new Table of Rates increased in an extraordinary Degree, and in fome Instances more than double the former Charges, which, if fubmitted to, would be highly injurious to the general Trade in the Port of London: And whereas the Lords of His Majefty's Moft Honorable Privy Council having taken the Matter of fuch Memorial into their Conlideration, and having been attended thereupon by Counfel on the Part of the Wharingers, and by Charles Price, Efquire, Alderman of the City of London, and others, on the Part of the Merchants; and their Lordships having heard all the faid Parties had to offer touching the fame, came to a Determination to advife His Majefty to establish, under the Authority of the before mentioned Act of Par-liament, fuch Rates of Wharfage and Cranage as were actually paid on the First Day of January One thouland feven hundred and ninety-four; and their Lordships were pleased to direct that the faid Merchants and Wharfingers should lay before their Lordships a correct State or Table of such Rates of Wharfage and Cranage as were so paid on the faid First Day of January One thousand feven hundred and ninety-four; and a State or Table of fuch Rates having been accordingly laid before their Lordfhips, and admitted by the faid Merchants and Wharfingers refpectively to be a true Table of the Rates of Wharfage and Cranage paid on the faid First Day of January One thousand feven hundred and ninety-four, which Rates are as follows : videlicet,

Rates for Wharfage and Cranage of Goods imported. 1/1 January 1794.
